cc. "Urban Area" means a town, village or hamlet or residential subdivision.
dd. "Vehicle" other than an off-highway vehicle, means a device in, on or by which a person or thing may be transported or drawn on a highway and includes a combination of vehicles but does not include a mobility aid.
ee. "Work" means grading, snow clearing, gravelling, oiling, paving, adding dust control or other similar substances, obstructing the roadway with any material, causing damage to the roadway, culverts, watering the roadway, or otherwise changing the contour of the roadway.

**2. PEDESTRIANS**

a. No person shall cross any highway at a point where a sign prohibits such crossing.
b. No person shall stand, sit or lie on any highway in such a manner as to obstruct vehicular or pedestrian traffic or so as to annoy or inconvenience any other person or vehicle lawfully upon the highway.
c. Nothing in Section 4 (b) shall be construed as prohibiting the assembling of persons for the purpose of watching a parade or procession duly authorized by the County Council.
d. Nothing shall be construed as prohibiting the congregating or assembling of individuals to attend and listen to street preaching or public speaking so long as the proceedings thereat are peaceable and orderly and sufficient space is left on the highway to allow free movement of traffic; but should any highway at or near such assembly become in consequence thereof so obstructed as to impede such traffic, the persons so obstructing or impeding shall forthwith move away upon being requested to do so by any Peace Officer.
e. No person shall place/park or use a vehicle, trailer, equipment, etc. so as to obstruct or impede traffic on a highway.
f. Any person who conducts street preaching, public speaking or other public assemblies must provide for the free and orderly movement of pedestrians and traffic.

**3. PARKING**

a. No person shall park a vehicle upon any highway in such a manner that any part of the vehicle is within three (3) metres of the centre of the highway, provided that the foregoing shall only apply to highways where the portion thereof intended for vehicular traffic is twelve (12) metres or more in width.

b. No person shall park a vehicle for any period of time upon any highway in front of any buildings in the course of erection or repairs when such parking will impede or obstruct traffic.

c. Notwithstanding any other provision in this Bylaw, the Council or their authorized representatives may cause movable traffic control devices to be placed on a highway for any reasonable purpose.

d. After such signs are placed on a highway, no unauthorized person shall park or leave a vehicle on the portion so prohibited to parking for so long as traffic control device remains.

e. When any emergency snow removal or highway clearing commences on the designated highway, then the owner of any vehicle parked on such highway may be charged with unlawful parking and the vehicle may be removed.

f. If the County is unable to locate the owner or operator of a vehicle parked contrary to the provisions of this Bylaw, the County may cause the illegally parked vehicle to be towed to a compound and stored there until such time as the owner or operator retrieves the said vehicle. All costs of removal and storage are a debt owing to the towing company by the owner.

g. In the event that an owner of a motor vehicle does not claim such vehicle, the storage and removal charges may be collected pursuant to the provisions of the Traffic Safety Act.

h. In the event that an owner of any other vehicle does not claim such vehicle, the storage and removal charges may be collected pursuant to the provisions of the Municipal Government Act.

i. Where a traffic control device so indicates, no person shall park or operate any vehicle upon any land owned or maintained by the County, which the County uses or permits to be used as a playground or recreation area or public park.

j. No person shall park any vehicle upon any land owned by the County, which the County uses or permits to be used as a public campground, in excess of twenty-four (24) hours in locations where traffic control devices are located indicating such a time limitation for parking.

k. No person shall park any trailer (whether designed for occupancy by persons or for the carrying of goods or equipment), upon any highway unless the said trailer is attached to a vehicle by which may be propelled or drawn and when so attached, the trailer shall be deemed part of the vehicle and subject to the regulations pertaining to vehicles.

l. No person shall park a vehicle in an alley.

m. Provided that a vehicle does not obstruct an alley so as to prevent safe passage of emergency vehicles, other vehicles, and pedestrians, an alley may be used for the loading or unloading:
    i. of goods from a commercial vehicles for a maximum of thirty (30) minutes; or
    ii. of goods or passengers from vehicles other than a commercial vehicle for a maximum of ten (10) minutes.

n. No person shall park a vehicle in a parking space, or any part thereof, on private or on public property, that is marked or designated with a traffic control device indicating that the parking space is for the usage of a person with disabilities, unless:
    i. the vehicle displays a valid handicap placard or license plate issued by, or recognized in reciprocity by the Province of Alberta; and
    ii. the vehicle is operated by, or being used to transport, a disabled person;

Anyone contravening the provisions of this section is guilty of an offence and liable to a specified penalty, towing and removal from the handicapped parking space, or both.

**4. PRESCRIBED SPEED LIMITS**

a. Speed limits on highways or portions thereof, not specifically described in Schedule A shall remain as per the Traffic Safety Act.

b. In accordance with Section 108 of the Traffic Safety Act, Vehicle speeds on classifications of highways or portions of highways under the direction, control and management of Saddle Hills County shall be prescribed as per Schedule A attached and forming part of this Bylaw.

c. The County Administrator shall cause the same to be so designated by traffic control devices.

**5. SPECIAL CLASSES OF VEHICLES**

a. No person shall park a vehicle or combination of vehicles used for the conveyance of dangerous goods as defined pursuant to the Dangerous Goods Transportation and Handling Act

   i. for longer than two (2) hours upon a highway at any time unless the area is designated as a parking area for vehicles used to convey dangerous goods.

   ii. this section shall not apply where a vehicle or combination of vehicles is obliged to be parked while making deliveries in the course of its ordinary business and having a warning notice clearly displayed.

b. No person shall operate a vehicle or combination of vehicles over or on any highway within the County in excess of their allowable axle weights or certificate weight without obtaining a permit as specified in Section 62 of the Alberta Traffic Safety Act prior to the operation of the overloaded vehicle.

c. No person shall operate a vehicle or combination of vehicles in excess of the load limits, or the size limits on any highway within the County without first obtaining a permit as specified in Section 62 of the Alberta Traffic Safety Act prior to the operation of the overloaded vehicle.

d. No person shall operate or park a truck on any highway within the County where signs have been erected indicating that truck traffic is prohibited:

   i. for the purpose of this section truck means a vehicle or trailer or a vehicle trailer combination in excess of 8000 kg tare weight or exceeding (7) meters in overall length;

   ii. the following shall be exempted:

      1. trucks loading and unloading at destinations within the County, using the shortest distance from and to a truck route;
      2. a holder of a Development Permit issued pursuant to the Land Use Bylaw which authorizes such use; and
      3. emergency vehicles (fire-fighting equipment, snow removal, road repairs and construction/utility repair).

e. No person, except with permission of the County, shall operate or park upon or over any paved or graveled highway any vehicle or traction engine having metal cleats, metal tracks, tire chains or other metal devices attached to its wheels or made a part thereof.

f. No person, except with a permit or Road Maintenance Agreement issued by the County, shall operate or park upon or over any highway any vehicle, load, building, machine, contrivance or things which may obstruct traffic, or which would exceed the maximum weight limitations or any other object or thing which in the opinion of the County Administrator could have some adverse effect on the highway, or persons using the highway.

   Before granting a permit to move the load, object or thing over any highway as prescribed in this section, the County Administrator may direct the applicant as to conditions and route, under which such load, object or thing may be moved:

   i. failure to obtain a permit is an offence; and

   ii. failure to comply with the conditions of a permit is an offence.

g. The County may issue a permit in special cases for the operation of a particular type of vehicle or its load, or the movement of any other class of traffic otherwise prohibited by this Bylaw:
    i. the County may require the owner, operator, driver, or mover of such vehicle and/or load, or any of them as a condition precedent to obtaining such a permit, to agree to be responsible for all damages which may be caused to the highway by reason of driving, operation or moving of any such vehicles and/or load upon the highway, and the County may, as a condition precedent to the granting of such permit, require a bond SUFFICIENT to cover the cost of repairing such possible injury or damage to the highway. Failure on the part of the holder of the permit, the owner, or the operator, driver or mover of the vehicle and/or load, to comply with the condition set out in such permit shall constitute a breach of this bylaw; and
    ii. nothing in this Bylaw shall be construed as to require the entering into of an agreement by the County.

The County Administrator or Designate, is hereby appointed officers of the County to issue permits on behalf of the County under this part.

**6. AUTHORITY OF THE COUNTY ADMINISTRATOR**

a. The Council hereby delegates to the County Administrator the power to prescribe where traffic control devices and traffic control signals are to be located. Without restricting the generality of the foregoing, traffic control devices and traffic control signals shall be deemed to mean and include all stop signs, control signals, yield signs, speed limit signs, weight signs and other signs regulating the use of any roadway or highway located within the boundaries of the County and falling within the jurisdiction of the said County.
b. Without restricting the generality of the foregoing section, the County Administrator is hereby authorized to designate any highway for through traffic purposes. Such highway shall be properly marked if stop signs or yield signs are erected at all intersections of such highway.
c. The County Administrator is hereby authorized to designate safety zones and cause the same to be marked by traffic control devices.
d. The County Administrator is hereby authorized to designate the location of crosswalks upon any highway and cause the same to be marked by traffic control devices.
e. The County Administrator is hereby authorized to designate any highway intersection or other place on a highway as a place at which no left hand or right hand turn or both shall be made, and cause the said place to be marked with appropriate traffic control devices.
f. The County Administrator is hereby authorized to designate any intersection or place on a highway, including a place where a railway right-of-way crosses a highway, as a place where U-turns are prohibited and shall cause the same to be marked with an appropriate traffic control device.
g. When the Council has approved of any highway or part of a highway being designated for one way traffic, the County Administrator shall cause the same to be marked with traffic control devices.
h. The County Administrator is hereby authorized to:
    i. temporarily close the whole or a part of a highway during an emergency, or where a construction or maintenance project is on or adjacent to the highway,
    ii. temporarily suspend parking in any area to which parking is normally allowed,

and shall cause such highway or area to be marked with appropriate traffic control devices.
i. The County Administrator is hereby authorized to designate any highway or roadway as one to be divided into traffic lanes of such number as they consider proper.

j. The County Administrator is hereby authorized to designate "School Zones" and "Playground Zones". Such zones shall be marked by traffic control devices and traffic control signals posted along the highway, or by markings on the pavement or by lights posted or suspended over the highway. A record of the locations of such zones shall be kept by the County Administrator.

k. The County Administrator is hereby authorized to designate or prescribe:
   i. in accordance with Section 108 of the Traffic Safety Act, vehicle speeds on any highway or portion of a highway and shall cause the same to be so designated by traffic control devices;
   ii. any boulevard upon which parking is permitted and shall cause traffic control devices to be erected so designating;
   iii. passenger or truck loading spaces and shall cause the same to be marked by traffic control devices;
   iv. "Bus Stops" including "School Bus Stops" and shall cause the said areas to be marked by traffic control devices;

l. The County Administrator is hereby authorized to designate:
   i. distance from any intersection within which no parking is permitted;
   ii. portion of a highway where parking is limited to a period of time;
   iii. parking area for County employees;
   iv. areas for angle parking of any highway,

   and shall cause the appropriate traffic control devices to be erected.

m. The County Administrator is hereby authorized to prohibit or restrict by traffic control devices the movement of vehicles from a private driveway onto a highway or from a highway onto a private driveway where such prohibition or restriction is deemed advisable in the public interest and for better regulation of traffic.

**7. MISCELLANEOUS**

a. No person shall allow trees, hedges or shrubs on private property within twenty-five (25) feet or seven decimal sixty-two (7.62) metres of a highway right-of-way boundary, whether planted before or after the date of the passing of this bylaw, to grow to such a height that good visibility for safe traffic flow is thereby interfered with.

b. The County Administrator may require any person concerned to comply with the provisions of Section 9 (a) hereof within ten days of being notified so to do. If the person fails to comply with such notice the County Administrator may direct employees or agents of the County to enter upon the private property to carry out the necessary work, and may charge the cost of so doing against the person in default, or to the tax role of the property

c. No person shall pass beyond a point designated by a Peace Officer or a member of a fire department near the location of an emergency.

d. No person shall allow himself to be drawn by a moving vehicle upon a highway while riding upon a sleigh, toboggan, skis, bicycle, trailer or other conveyance.

e. No person owning or occupying land within the County to which entry or exit for vehicles is made onto a highway shall allow water, mud, slush, ice, or snow to be on the highway and let such materials remain on the highway.

f. A Peace Officer may order a person contravening subsection (a) to clean up or otherwise cause such material referred to in subsection (a) to be removed when in the opinion of the Peace Officer the materials may cause damage to the highway or cause a hazard to other users of the highway. Failure to comply with such order is an offence.

g. No person operating a motor vehicle shall cause materials listed in subsection (a) to be tracked on the highway when in the opinion of the Peace Officer the materials may cause damage to the highway or cause a hazard to other users of the highway.

h. For the purposes of this section, where it is apparent the material originated from the land, the person owning or occupying the land shall be responsible.

i. No person shall conduct any form of work on any highway without prior written permission from the County Administrator or designate.

j. For the purposes of this section, where it is apparent the work or equipment used in such work originated from a parcel of land, the owner or occupier of said land shall be responsible.
k. No person shall park a vehicle, or trailer or otherwise place any object where a part or portion of the vehicle, trailer or object protrudes onto a highway in any way where it may cause a safety hazard to any pedestrian or vehicle.
l. No person shall operate a vehicle or park where a sign or signs have been placed prohibiting such operation.
m. No person shall operate or park a vehicle on any developed trail.

**8. EXEMPTIONS**

a. Enforcement, Emergencies, and Maintenance operations conducted by, or approved by the County, are considered to be exempted operations under this bylaw provided that they otherwise meet the requirements of the Traffic Safety Act.
    i. Enforcement: Public safety, prevention, education and enforcement patrols by Peace Officers are exempted from the provisions of this bylaw.
    ii. Emergencies: The provisions of this bylaw shall not apply so as to restrict in any way the operation of a vehicle by a Peace Officer; member of any Fire Service, member of any Emergency Medical Service; member of any Search and Rescue Service; or any person acting under the authority of any Emergency Management Agreement in an emergent situation while in the performance of their official duties.
    iii. Maintenance: The provisions of this bylaw shall not apply so as to restrict in any way the operation of maintenance or other required usage of a vehicle including but not limited to: mowing, surveying, road maintenance or repair, trail maintenance or repair, garbage pick-up, weed spraying, snow removal, or any other activity approved or authorized by the County.

**9. OFFENCES AND PENALTIES**

a. A person who contravenes any provision of this bylaw is guilty of an offence and is liable upon summary conviction to a fine in an amount not less than $100.00 and not more than $10,000.00.
b. When a vehicle is driven, used, parked or left in contravention of any provision of this bylaw, the owner of the vehicle is responsible for the contravention and liable for the penalty provided herein unless he proves to the satisfaction of the Commissioner or Provincial Court Judge trying the case that at the time of the contravention the vehicle was not driven, used, parked or left by him or by any other person with his consent, expressed or implied.

**10. VIOLATION TICKETS**

a. The offences under this bylaw in respect of which a voluntary penalty may be made are set out in the attached Schedule B. The specific amount of the penalty payable is set out in the column headed "Specified Penalties".
b. A violation ticket as distributed by the Province of Alberta and set out in the Provincial Offences Procedures Act and Regulation may be issued by a Peace Officer for any contravention of this bylaw.
c. A violation ticket is deemed sufficiently served if the processes under the Provincial Offences Procedures Act and Regulation have been followed.

**11. EXERCISE OF DISCRETION**

a. The County has the discretion to enforce this bylaw, and is not liable of any outcomes should a Peace Officer not decide to enforce this bylaw if acting in good faith.

**12. SEVERABILITY**

a. Should any provisions of this bylaw become invalid, void, illegal or otherwise not enforceable, it shall be considered separate and severable from the bylaw and the remainder shall remain in force and be binding as though such provision had not been included.

**13. RESCIND**

a. That Saddle Hills County Bylaw No. 437-2024 is hereby rescinded.
