Administrator
Village of Maryfield
BOX 58
MARYFIELD SK S0G 3K0

Dear Ms. Neufeld:

Enclosed for your records is approval of utility rates pursuant to Section 23(3) of *The Municipalities Act*.

The Local Government Committee recommends Council establish a specified utility reserve and recommends that the full amount of annual utility surplus be placed in the reserve when possible.

Committee notes that the utility rates may not be sufficient to cover utility operating expenses and debt repayment is considered. Council should continue to monitor utility rates, to ensure that the utility is self-sustaining (revenues cover operating expenses and debt payments related to the utility), and enable the Village to contribute to a specified utility reserve, to be used for future capital expenditures.

Yours truly,
