- b) No person shall start an *Outdoor Fire* on any land without taking sufficient precautions that are reasonably necessary to protect persons and the property of others from the fire.
- c) No person shall start an *Outdoor Fire* unless all precautions are taken to ensure that the fire can be kept under control, or when weather conditions are conducive to a fire burning out of control.
- d) No person shall cause an *Outdoor Fire* to be started in order to guard property; clear land or burn debris; burn crop, stubble or grass; unless the land on which the fire is started is completely surrounded by a fire guard consisting of:

fireworks. The resolution shall specify the forms of burning that are prohibited and may exempt certain types of burning where deemed safe and appropriate.

**5.0 Offences and Penalties**

5.2 Where a person is in contravention under this By-law, in addition to imposing a fine, the municipality is entitled to be reimbursed by the person(s) for costs incurred by the municipality in fire protection and suppression operations that were undertaken as a result of the person(s) acts or omissions that resulted in the costs to be incurred.
