

SHACKLETON - SCHEDULE A

The map displays the Shackleton River watershed, divided into three main sections: **MACVICAR**, **CARMICHAEL**, and **STRINGER**. The river flows from the top left towards the bottom right. Key features include:

- MACVICAR Section:** Located on the left, showing the upper reaches of the river and its tributaries, including **Macvicar River** and **Macvicar Creek**. Land use designations include **A** (Agriculture) and **EP** (Environmental Protection).
- CARMICHAEL Section:** Located in the middle, showing the river flowing through a valley. Land use designations include **A** and **EP**.
- STRINGER Section:** Located on the right, showing the lower reaches of the river and its tributaries, including **Stringer Creek** and **Stringer Creek**. Land use designations include **A** and **EP**.

The map includes a grid of coordinates (Con 1-12, Col 1-12) and labels for roads like **Spruce Falls Rd** and **Watkinson Rd**. The map is titled **SHACKLETON - SCHEDULE A**.
