The security or a reduced amount thereof may be retained by the *General Manager, Development* to ensure proper maintenance of the *landscaping* for a period of 12 months. The security may be drawn upon by the *City* should the owner fail to install or maintain the *landscaping* as the case may be. If the security is not sufficient to cover the costs incurred by the *City* to complete or maintain the *landscaping*, the owner shall pay the balance owing to the *City*. If the balance is not paid, the *City* shall be authorized to recover the amount outstanding from the lands in the same manner as it would be able to collect unpaid city taxes.
