

**TOWN OF HIGH RIVER
ALBERTA
BYLAW 4640/2025**

Being a Bylaw of the Town of High River, in the Province of Alberta, to establish a Bylaw to outline the provision of Solid Waste management.

WHEREAS Pursuant to the *Municipal Government Act*, R.S.A., 2000, being Chapter M-26, as amended from time to time, a municipal council may pass bylaws for municipal purposes respecting the safety, health and welfare of people and the protection of the people and Property, nuisances, services provided by or on behalf of the municipality; **and**

WHEREAS The Municipal Government Act also provides that a municipal council may pass Bylaws to establish a system for the collection, removal, and disposal of Garbage and Solid Waste;

NOW THEREFORE The Municipal Council of the Town of High River, duly enacts as follows:

I. SHORT TITLE

This Bylaw will be cited as the "The Solid Waste Management Bylaw."

II. DEFINITIONS

- a) "Ashes" means cold residue from the burning of wood, coal, and other like materials for the purpose of cooking, heating buildings and disposition of Waste combustible materials.
- b) "Automated Collection" means the collection of Waste by a system of mechanical lifting and tipping of Waste Receptacles into specifically designed vehicles.
- c) "Biomedical Waste" means medical Waste that requires proper handling and disposal because of environmental, aesthetic, and health and safety concerns as well as risks to human health and includes:
 - i. Human anatomical Waste;
 - ii. Infectious human Waste;
 - iii. Infectious animal Waste;
 - iv. Blood and body fluid Waste; and
 - v. Medical sharps, such as needles, syringes, blades, or other clinical laboratory material capable of causing punctures or cuts.
- d) "Boulevard" may include flowers, lawn, plants, shrubs, or trees and means:
 - i. The portion of land between the curb and the Sidewalk and between the Sidewalk and the Premises' Property line, or
 - ii. Where there is no curb, the portion of land between the near edge of the Roadway and the Premises' Property, but does not include the Median, which is located between two lanes of the Roadway.
- e) "Building Waste" means all Waste produced in the process of constructing, demolishing, altering, or repairing a building and shall include, but not be limited to soil, vegetation and rock displaced during the process of building.
- f) "Bylaw" means Bylaw 4640/2025 also known as the "The Solid Waste Management Bylaw".
- g) "Chief Administrative Officer" means the Chief Administrative Officer of the Town or his or her delegate.
- h) "Collection Day" means the day which the Director schedules for municipal collection of Solid Waste.
- i) "Collector" means a person or corporation who collects Waste within in the Town for and on behalf of the Town.
- j) "Council" means the governing body of the Town.
- k) "Curb" means the actual Curb, if there is one, and if there is no Curb in existence, shall mean the division of the Roadway between that part intended for the use of vehicles and that part intended for the use of pedestrians.
- l) "Customer" means any person, corporation or organization that has entered a contract with the Town for Utility provision at a particular premise, or who is the owner or Occupant of any Premises connected to or provided with a Utility.
- m) "Director" means the Director of Municipal Services as appointed by the Chief Administrative Officer to oversee the Municipal Services and/or their authorized delegate, authorized agent, or representative.
- n) "Garbage" means Waste biproducts produced from household processes and can be composed of organic and inorganic material.

- o) "Hazardous Waste" means waste that is generated from any premises and has one or more hazardous properties as described in the Environmental Protection and Enhancement Act, R.S.A. 2000, c. E-12 <https://canlii.ca/t/81tx>, and Waste Control Regulation, AR 192/1996, Part 1 [Alberta King's Printer](#).
- p) "Leaf and Yard Waste" means grass clippings, leaves, brush, twigs, house and garden plants, sawdust and wood shavings or other comparable items as designated by the Director. The recycling center receives this type of waste 365 days a year at 640 7th Street NW [High River - Recycling](#).
- q) "Median" means a narrow portion of land that separates the lanes of traffic from those travelling in the opposite direction.
- r) "Occupant" means a person or corporation in actual possession of any Premises either as an owner or tenant. For billing purposes further defined as a person contracting with the Town for the domestic supply of water to any Premises.
- s) "Organics" means food Waste such as vegetables, fruits, Solid dairy products, pasta rice, bread, coffee grounds, filters, tea bags, eggshells, meat, fish, Solid fats, bones, and cat litter/feces but does not include cardboard, boxboard, paper, plastic, or any non-organic materials.
- t) "Peace Officer" means a person engaged by the Town as a Community Peace Officer, a Bylaw Enforcement Officer, a designated Officer, or a member of the Royal Canadian Mounted Police to conduct the provisions of this bylaw.
- u) "Plastic Garbage Bag" means a sturdy plastic bag specifically marketed to store Waste and excludes bags that are intended for other purposes.
- v) "Premises" means any land, or building, supplied with Utilities by the Town.
- w) "Property" means items that are owned which are not fixed to the land.
- x) "Roadway" means the same as the word highway, as defined in the Traffic Safety Act, and includes any thoroughfare, street, road, trail, avenue, parkway, viaduct, lane, alley, square, bridge, causeway, trestle way, or other place, whether publicly or privately owned, that the public is ordinarily entitled or permitted to use for the passage or parking of vehicles.
- y) "Shared Receptacle Service" means Garbage collection services provided to a specific multi-premise site in the Town in which several Premises share one or more Waste Receptacles for Garbage collection.
- z) "Sidewalk" means that part of a Roadway is primarily intended for the use of pedestrians and includes the part lying between the Curb line or edge of the Roadway and the adjacent Property line, whether paved or improved.
- aa) "Solid Waste" means anything that is set out for collection and includes garbage, recyclable material, and food waste material.
- bb) "Street" means a public thoroughfare within the Town and includes, where the context so allows, the Sidewalk and borders of the Street and all parts appearing in the Land Titles Office as set aside for a public thoroughfare; when used in distinction to it means the public thoroughfare on which the Premises in question front.
- cc) "Solid Waste Collection Cart" means a cart that is supplied by the Town of High River designed to place Waste into then rolled to a collection point and emptied by an Automated Collection truck.
- dd) "Town" means the corporation of the Town of High River, or the area contained within the boundaries thereof, as the context requires.
- ee) "Transient Waste" means items such as couches, chairs, and freezers, which are placed on side streets or alleys.
- ff) "Waste" means any discarded household debris, debris, recyclables, biomedical, or household Hazardous Wastes as herein defined.
- gg) "Waste Bin" means any bulk Waste Receptacle with a capacity greater than 1.5 m³ requiring mechanized collection. Specifically marketed to store Waste and excludes bins that are meant for other purposes.
- hh) "Wet Garbage" means kitchen Waste containing liquids originating from hotels, boarding houses and restaurants but excludes drained household kitchen Waste which has been properly packaged.
- ii) "Waste Receptacle" means a Waste Bin, Solid Waste Collection Cart or Shared Waste Receptacle.

II.

INTERPRETATION

- a) Headings and sub-headings in this Bylaw are included for convenience only and shall not be considered in interpreting the substantive content of this Bylaw.

- b) The preamble paragraphs that precede the numbered paragraphs of this Bylaw are an integral and necessary part of this Bylaw and not a mere recital.
- c) All schedules as attached to this Bylaw form part of this Bylaw.
- d) Every provision of this Bylaw is independent of all provisions, and it is the intention of the Council that if any provision of this Bylaw is declared invalid by a Court of competent jurisdiction, all other provisions of this Bylaw shall remain valid and enforceable.
- e) Nothing in this Bylaw relieves a Person from complying with any Federal or Provincial law or regulation, any other Town Bylaw, or any requirement of any lawful permit, order, or license.
- f) References in this Bylaw 4640/2025 to an act, statute, regulation, or other Bylaw refer to the current laws and legislation, as amended or replaced from time to time, including successor legislation.
- g) This Bylaw is gender-neutral and, accordingly, any reference to one gender includes the other.
- h) The word "shall" is mandatory and not merely a directory.

III.

GENERAL

Authority of the
Town:

1. Except as otherwise provided in this Bylaw, the Town shall provide for the public collection and removal of Solid Waste within the limits of the Town and shall supervise the facilities and equipment necessary or desirable for the management of Solid Waste collected or disposed of by the Town.

Authority of the
Director:

2. The Director Shall:
 - a) Supervise the collection, removal, and disposal of Solid Waste, and;
 - b) Set the days and times that collection shall be undertaken in different portions of the Town;
 - c) Outline the quantities and classes of Solid Waste to be removed from any Premises or accepted by the Town for disposal;
 - d) Decide which method will be used to collect Waste;
 - i. Automated Collection;
 - ii. Manual collection in an extenuating circumstance
 - e) State the location from which Solid Waste will be collected;
 - i. Front Street collection, or
 - ii. Rear Lane collection;
 - f) Set instructions and operating policy for Automated Collection;
 - g) May specify that private Waste haulers report the total volume of Solid Waste to be hauled out of the Town's boundaries;
 - h) Conduct any inspections required to determine compliance with this Bylaw;
 - i) Take any steps or conduct any actions required to enforce this Bylaw;
 - j) Take any steps to conduct any actions required to remedy a contravention of this Bylaw.

Solid Waste
Collection Cart:

3.
 - a) Any Solid Waste that is to be collected must be:
 - i. bagged to prevent loose Waste from escaping the cart;
 - b) Solid Waste, after bagging, must be placed in the Solid Waste Cart only to comply with this Bylaw, unless otherwise provided in this Bylaw.
 - c) The Town will provide at its own expense the first Solid Waste Collection Cart to the Premises:
 - i. The cart is to always remain at the Premises;
 - ii. The Town may, at the time of collection or any other time, remove, repair, or replace any obsolete, damaged, or non-serviceable carts;
 - iii. If the Solid Waste Collection Cart is lost, stolen, or damaged the Occupant shall be responsible for purchasing a replacement cart from the Town or pay for the cost of repairs;
 - iv. The Town owns all Solid Waste Collection Carts;
 - d) A Solid Waste Collection Cart shall not be filled to a height greater than 5 cm from the top of the Solid Waste Collection Cart;
 - e) The Solid Waste Collection Cart shall be cleaned out regularly by the Customer to avoid build-up of odors;
 - f) No person shall place Solid Waste in any Solid Waste Collection Cart without the permission of the owner or Occupant of the Premise;
 - g) The Director reserves the right to withhold collection of Solid Waste when the Solid Waste Collection Cart does not meet the necessary

requirements or is in a depilated, unsafe, or is in an unsanitary condition or in contrary to the instructions and operating policy of the Director.

- Weight of Waste: 4. The weight of Waste:
- a) For Automated Collection, the Director will set the maximum weight.
- Location of Solid Waste Collection Carts: 5.
- a) Except as otherwise provided herein, no person shall place or keep Solid Waste Collection Carts upon any portion of the Street or Lane. Any Solid Waste Collection carts improperly left in the Street may be removed by the Town;
 - b) No person who receives Solid Waste Collection shall set out Solid Waste Collection Carts at locations that are: unsafe, obstructed, blocked by snow, ice, poorly maintained, and uneven or that prevent Waste Collectors from collecting Waste in a safe and efficient manner in the opinion of the Director or their designate;
 - c) The Occupant of residential Premises shall place Solid Waste Collection Carts for collection in such a way that Collectors shall have access without entering private Property;
 - d) Automated Solid Waste Collection Carts shall be:
 - i. Set out in accordance with the instructions and operating policy of the Director;
 - ii. Set out on the Street by the Curb or in the Lane on Collection Day no later 0700 hrs;
 - iii. Set out so that they will not likely be overturned;
 - iv. Stored on the premises;
 - v. Placed no less than 1 meter from any obstructions such as vehicles, fences, or trees;
 - vi. Carts shall be placed individually at the curb, where possible;
 - e) The Town shall collect Solid Waste from only one pick-up point from each premise, except where the Director has designated any other pick-up point, he considers necessary.
- Garbage, Waste and Ashes 6.
- a) An Occupant of the Premises from which Garbage is to be collected shall:
 - i. Thoroughly drain all household Garbage and place it in a Plastic Garbage Bag before disposing of it in the Solid Waste Collection Cart;
 - b) The Town shall not remove the following from the Premises:
 - i. Highly combustible or explosive materials including but not limited to liquid or solid fuels, gunpowder, ammunition, or explosives;
 - ii. Hot Ashes which are not properly quenched and appear to be hot or likely to cause a fire;
 - iii. Compressed propane or butane cylinders;
 - iv. Toxic or household Hazardous Waste including solvents, oven cleaners, paints, automotive fluids, wet cell batteries, pesticides, herbicides, or any material commonly referred to as household, commercial, or industrial Hazardous Waste;
 - v. Biomedical Waste including hypodermic needles or syringes, lancets or any sharp item used in home medical care;
 - vi. Large bulky items such as mattresses, box springs, dressers, tables, chairs, major appliances, auto and truck parts, tires, tree limbs, whole shrubs, or discarded heavy machinery;
 - vii. Sheet iron, large pieces of scrap metal or machine parts;
 - viii. Electronic equipment including televisions, computers, computer monitors, keyboards, and associated cables;
 - ix. Renovation, construction, or demolition material;
 - x. Stumps, concrete blocks or slabs, soil, rocks, or aggregate;
 - xi. Dead animals and animal parts from hunting or trapping;
 - xii. Transient Waste;
 - xiii. Septic tank pumping, raw sewage, or industrial sludge;
 - xiv. Radioactive Waste;
 - xv. Waste material which has not been placed for collection in accordance with the provision of this Bylaw;
 - xvi. Liquid Waste or material that has attained a fluid consistency and has not been drained.
 - c) Please refer to the following for proper disposal:
 - i. [Home - Foothills Landfill & Resource Recovery Centre \(foothillslrrc.com\)](http://foothillslrrc.com)
 - ii. Safe disposal of prescription drugs - Canada.ca

iii. CCOHS: Needlestick and Sharps Injuries

- Building materials and construction Waste: 7.
- a) No building materials or construction materials shall be placed into Solid Waste Collection Carts;
 - b) A person conducting the construction, demolition or alteration of buildings or other building operations on any Property shall do so in such manner as to not permit building material or Building Waste material to remain loose, free, or uncontrolled on the Property;
 - c) The main contractor on the building site shall be responsible for the actions of any subcontractor or tradesman who fail to comply with subsection 7 a) and 7 b);
 - d) The main contractor on a building site shall be responsible for the term of the construction in providing a suitable Waste Receptacle capable of receiving all Building Waste material and maintaining the same in a safe contained manner;
 - e) Where the contractor is working on more than one building site and they are adjoining, he may provide one Building Waste Receptacle for each three building sites;
 - f) The main contractor on a building site shall be responsible for having all unused building material and Building Waste material disposed of in the Landfill or appropriate area;
 - g) The Director may direct the person conducting the construction or alteration of a building to provide a fence of a type that will trap any building material or Building Waste material in such a manner as to prevent it from escaping from the building site.
- Collection Schedules: 8. The Town shall collect Solid Waste:
- a) From each residential Premises once each week, except as detailed in Section 5 b) d) and Section 7 a);
 - b) The Town will not collect commercial Solid Waste;
 - c) Any designated Solid Waste that is stored in a Solid Waste Collection Cart may be collected by the Town at the Director's discretion;
 - d) Where the Town does not collect Waste at a premise listed in 11 e), the Property owner or Occupant, either by contractors, agents or by employees, shall remove and dispose of the Solid Waste in compliance with all applicable Federal, Provincial and Municipal laws and shall provide the Town with a copy of the contract between the Occupant and the service provider;
 - e) Solid Waste Collection Carts shall not be set out prior to 7 p.m. the day prior to Collection Day and must be placed at collection points no later than 7 a.m. on the scheduled Collection Day;
 - f) All Solid Waste Collection Carts must be removed from the Street or Lane by 8 p.m. on the Collection Day and stored on the Property when not in use.
- Transportation of Solid Waste: 9. No person shall convey through any Street in the Town any Solid Waste except in a properly enclosed Receptacle or in a vehicle which is covered with canvas or tarpaulin, or secured such that the contents are protected from being wind-borne or falling on the Streets in relation to the National Safety Code Standard 10 and Alberta's Commercial Safety Vehicle Regulation.
- Damage to Private Roads and Infrastructure 10. The Town will not be responsible for any damage to roads or infrastructure on a private site resulting from the legitimate operation of Waste Collection vehicles during Waste collection activity at that private site.
- Other provisions: 11.
- a) It shall be unlawful for any person to dump Building Waste, Garbage, or other Waste material anywhere within the limits of the Town of High River, except in the location designated by the Director and approved in writing by the Director;
 - b) No person, other than the Occupant of the Premise, shall pick over, remove, disturb, or otherwise interfere with any Waste material that has been set out for municipal collection;
 - c) No person shall place residential or commercial Waste in a public litter container;
 - d) No person shall burn household refuse, burnable debris, or prohibited debris in any fireplace or fire pit within the Town;
 - e) The Town reserves the right to withhold collection of improperly prepared Waste, prohibited Waste, excessive quantities of Waste, or Waste located at unsafe or non-compliant set-out locations;

- f) The Occupant shall keep the Lane at the rear of the Premises occupied or under his control - to the center of the Lane – in a clean and tidy condition and free from refuse of any nature;
- g) The Occupant shall keep the Curb and gutter at the front of the Premises in a clean and tidy condition.

Charges for collection and depositing Waste:

- 12.
- a) Charges for waste removal provided by the Town are stipulated in the current Town of High River Rate Bylaw;
 - b) The Director shall cause such measurements to be made and records to be maintained as he deems necessary to estimate or determine the volume of Waste removed from any Premises and based on such measurements and records shall establish the monthly charge to be levied on any occupier or commercial hauler. The Director on being satisfied that any estimate required to be amended may establish new charges;
 - c) Where conditions exist which could require the application of a different rate, such rate will be stipulated by the Director;
 - d) The administration fee for changing the size of the Solid Waste Collection Cart shall be as set out in the Town of High River Rate Bylaw;
 - e) The Fee for additional Waste Collection shall be set out in the current Town of High River Rate Bylaw.

Powers of Peace Officers:

13. Obstructions and Interference:
- a) No person shall provide false information to, obstruct, or attempt to obstruct a Peace Officer.

General Penalty Provisions:

14. The Owner or Occupant of a Premises or Property who participates in a contravention of this Bylaw by:
- a) Doing any act or thing which the Person is prohibited from doing; or
 - b) Failing to do any act or thing the Person is required to do;
- has contravened this Bylaw and committed an offence.

Violation Tickets and Penalties:

15. Any Person who is convicted of an offence pursuant to this Bylaw is liable on summary conviction to a fine not exceeding one thousand dollars (\$1000.00) and in default of payment of any fine imposed if not paid within 90 days.
- 16.
- a) Where a Peace Officer believes that a Person has contravened any provision of this Bylaw, that Peace Officer may commence proceedings by issuing a Violation Ticket in accordance with the Provincial Offences Procedure Act;
 - b) In respect of any contravention of a provision of this Bylaw, penalties shall be in accordance with Schedule A.

Continuing Offences:

17. In the case of an offence that is of a continuing nature, a contravention constitutes a separate offence in respect of each day, or part of a day, on which the offence continues.

Mandatory Court or Information:

18. No provision of this Bylaw shall prevent any Peace Officer from issuing a Violation Ticket requiring the Court appearance of the defendant, pursuant to the provisions of the Provincial Offences Procedure Act or from relying on information instead of issuing a Violation Ticket.

Liability for Fees:

19. The levying and payment of any fine or the imprisonment for any offense provided in this Bylaw shall not relieve a Person from paying any fees, charges, or costs for which they are liable under the provisions of this Bylaw.

Responsibilities of the Municipality

- 20.
- a) No action for damages shall be taken against the municipality or any Person acting under the authority of this Bylaw in respect of the destruction, sale, or other disposal of any Property seized pursuant to this Bylaw.
 - b) It is the intention of the Council of the municipality that all offences created pursuant to this Bylaw be construed and considered as being Strict Liability Offences.

Compliance with other legislation: 21. No section of this Bylaw relieves a person from complying with any federal or provincial law or regulation other than Bylaw or any requirements of any lawful permit, order, consent, or other direction.

Validity of Bylaw: 22. Every provision of this Bylaw is independent of all other provisions, if any provision of this Bylaw is declared invalid for any reason by a Court of competent authority, all other provisions of this Bylaw shall remain valid and enforceable.

IV. ENACTMENT

- 1) This Bylaw comes into effect when it is passed by Council.
- 2) Upon enactment of this Bylaw, Bylaw 4620/2024 is hereby rescinded.
