- b. Where traffic control devices prescribe times that differ from those identified in subsection (a), the times posted on the traffic control device shall prevail. (b. 506.2, 02/09/2026)

5. PARKING

5.1. Parking Within Marked Parking Space

- a. Every person who parks a vehicle upon any Highway, where parking spaces are marked out for angle, perpendicular or parallel parking, shall park wholly within the marked parking space.

5.2. Parking Restrictions

- a. Unless required or permitted by this Bylaw or the Traffic Safety Act, or by a traffic control device, or in compliance with the directions of a Peace Officer or other person authorized by the City, or to avoid conflict with other traffic, a person shall not stop, park, or leave standing, an attended or unattended vehicle:
 - (i) On a Highway adjacent to a Curb or sidewalk painted a solid yellow colour, or any portion thereof;
 - (ii) On a sidewalk or boulevard;
 - (iii) On a crosswalk or on any part of a crosswalk;

- (iv) In any driveway/fire lane designated for use by ambulances, fire fighting vehicles or Emergency Vehicles;
- (v) Where such vehicle will obstruct, or in any way interfere with, the use of any doorway or lane intended to be used as a fire or emergency exit from any building, provided that such doorway is marked by a sign, authorized by the Chief Administrative Officer, indicating an emergency exit or fire exit;
- (vi) Within an intersection other than immediately next to the Curb in "T" intersection;
- (vii) At an intersection nearer than five (5) metres (16.4 feet) to the projection of the corner line immediately ahead or immediately to the rear except when the vehicle is parked in a space where a traffic control device indicates parking is permitted;
- (viii) Within five (5) metres (16.4 feet) of the approach to any stop or yield sign;
- (ix) Within five (5) metres (16.4 feet) of a fire hydrant, or when the hydrant is not located at the Curb, within five (5) metres (16.4 feet) of the point on the Curb nearest to the hydrant ;
- (x) Within five (5) metres (16.4 feet) of the near side of a marked crosswalk;
- (xi) Alongside or opposite any street excavation or Obstruction when stopping or parking would obstruct traffic;
- (xii) At any other place where a traffic control device prohibits stopping or parking, during such times as stopping or parking is so prohibited;
- (xiii) On the roadway side of a vehicle parked or stopped at the Curb or edge of a Highway;
- (xiv) Within 1.5 metres (5 feet) of an access to a garage, private road, or driveway;
- (xv) At any angle to the Curb in a cul-de-sac unless that vehicle is parked in such a manner as not to interfere with the free flow of traffic in the cul-de-sac;
- (xvi) in any alley, except a vehicle engaged in loading or unloading goods or passengers for a period no exceeding 5 minutes;
- (xvii) Parallel to the Curb with the right-hand wheels thereof more than 500 mm (19.7 in.) from the right-hand Curb or edge of the Highway;
- (xviii) Parallel to the Curb against the flow of traffic;
- (xix) Parallel to the Curb in the case of a one-way Highway where parking on either side is permitted, the wheels closest to the Curb or edge of the Highway more than 500 mm (19.7 in.) from the Curb or edge of the Highway and with the vehicle facing the direction of travel authorized for that Highway.

5.3. Time Restriction Parking

- a. No person shall allow a vehicle to remain parked for longer than the period of time permitted by the applicable traffic control device. Where there is no traffic control device present, the maximum parking time limit shall be 72 hours.
- b. After the issuance of a Municipal Ticket or Violation Ticket concerning a vehicle for a first violation of section 5.3.a., should such vehicle remain parked in contravention of section 5.3.a. for a further period, a further Municipal or Violation Ticket may be issued.

- c. The City may tow a vehicle at the owner's expense if it remains parked in contravention of section 5.3.a. after two or more consecutive tickets have been issued.
- d. Section 5.3.a. shall not apply where a person has obtained a written exemption from the Chief Administrative Officer authorizing that person to park a vehicle for a period longer than the time permitted by the applicable traffic control device.

5.4. Disabled Parking

- a. No person shall stop or park a vehicle in a parking space, or any part thereof, that is marked or designated for the use of persons with disabilities by a traffic control device, unless:
 - (i) the vehicle displays a placard or license plate issued or recognized by the Registrar of Motor Vehicles for a person with a disability; and
 - (ii) the vehicle is being operated by, or is being used to transport, a person with a disability.

5.5. Parking Heavy Vehicles

- a. No person shall park a Heavy Vehicle, a Tractor with or without a trailer, or any type of construction equipment:
 - (i) Within or abutting any area of the City designated as a residential area in the Land-Use Bylaw; or
 - (ii) On any Highway other than that designated by the Chief Administrative Officer for parking of such vehicles as set out in Schedule "A" of this Bylaw.
- b. Exemptions to section 5.5.a shall apply to:
 - (i) Commercial vehicles in the process of being loaded or unloaded of goods; or
 - (ii) Construction equipment being used during construction or improvement of property, provided that such equipment is parked on the Highway adjacent to the property where such work is being done.
- c. No person shall park a Heavy Vehicle with the engine running for more than 10 minutes within any area of the City designated as a commercial area in the Land Use Bylaw, between the hours of 11:00 p.m. and 7:00 a.m. of any day, unless written permission has been obtained from the Chief Administrative Officer or his/her appointed designate.

5.6. Abandoning a Vehicle

- a. No person shall park a vehicle on a Highway at the same location in excess of 72 hours.
- b. Where public parking is permitted on public or private property and no traffic control device is present, no person shall park a vehicle at the same location in excess of 72 hours, without the express or implied consent of the owner, or person in lawful possession or control of the property.
- c. A vehicle left parked at a location referred to in section 5.6.a. or b. for more than 72 consecutive hours shall be deemed to have been abandoned at that location for the purposes of section 5.1 of the Vehicle Seizure and Removal Regulation, the Traffic Safety Act, and this Bylaw.
- d. Where the abandonment of a vehicle is unavoidable due to mechanical failure, the owner or operator of the vehicle will not be in breach of sections 5.6.a. or

5.6.b. provided they promptly take measures to clear the faulty vehicle from the Highway.

- e. Nothing in this section shall be construed as to allow parking contrary to other provisions of the Bylaw.

5.7. Private Property Parking

- a. No person shall park a vehicle on privately owned property which has been marked by a traffic control device erected by the owner, tenant, or their agent, at the entrance to, or within the boundaries of, prohibiting parking, without first obtaining permission from a person in charge of the property.
- b. No person shall park a vehicle in a parking lot on privately owned property, to which the public has access, contrary to the terms, conditions, or prohibitions contained in a traffic control device erected, at the entrance to, or within the boundaries of, such private land, by the owner, tenant or agent of either.
- c. This section applies only where privately owned property has been clearly identified as having restrictions on parking.
- d. An owner, tenant, occupant, or person in charge and control of private land or property, if personally satisfied that any person is violating this section, must fill out a City witness statement form for the vehicle and submit it to a Peace Officer.
- e. Any vehicle found in violation of section 5.7.a. can be ticketed and towed at the owner's expense under section 9.1.

5.8. Parking on City Land

- a. No person shall park or operate any vehicle upon any land owned by the City which the City uses, or permits to be used, as a playground, recreation area, utility or public park, buffer strip, land held for resale, any land in reserve, or on any boulevard, unless written permission has been obtained from the Chief Administrative Officer or his/her appointed designate.

5.9. City Employee Parking

- a. No person shall park any vehicle in any parking space upon City owned or controlled property where such property or space has been allocated or reserved for a vehicle operated by a City employee.

5.10. No Parking Street Maintenance

- a. Notwithstanding any other provision in this Bylaw, the Chief Administration Officer may cause moveable "No Parking" signs to be placed on or near a Highway for roadway maintenance, such as snow removal, street cleaning or road repair, or construction purposes. The signs shall be posted 24 hours in advance of roadway maintenance on or near a roadway.
- b. Notwithstanding any other provision in this Bylaw, in conjunction with snow removal, street cleaning, road repair operations or other work carried on by City employees or contractors, the City may tow any vehicle parked, or left parked, in contravention of section 5.10.c., from the street being cleaned, cleared or repaired, at the expense of the owner of the vehicle, and impound the vehicle, or may tow the vehicle to an adjacent street without impounding it.
- c. After the expiration of 24 hours from the time a sign referred to in section 5.10.a. is posted, and until such sign has been removed by the City, no person shall park, or leave parked, any vehicle, on any Highway contrary to such posted sign.

5.11. Trailers and Recreational Vehicles

- a. No person shall park a trailer or Recreational Vehicle upon any Highway unless the trailer or Recreational Vehicle is attached to a vehicle by which it may be propelled or drawn, and when so attached, the trailer or Recreational Vehicle shall be deemed part of the vehicle and subject to the regulations pertaining to vehicles, unless authorized by written order of the Chief Administrative Officer.
- b. An exception to 5.11(a) is that Construction Trailers may be parked unattached from a vehicle adjacent to a property where construction is being completed from the hours of 8:00 am to 5:00 pm. After 5:00 pm, the trailer must be reattached to a motorized vehicle, and parked in compliance with this Bylaw. Unattached trailers designed for recreation and occupancy are not allowed under this exception. (b. 506.1, 2025-02-10)
- c. No person shall occupy, suffer or permit any other person to occupy a Recreational Vehicle upon a Highway or upon public property unless such property has been designated for use as a place to park Recreational Vehicles.
- d. No person shall drive or park a Recreational Vehicle on any Highway so as to block, obstruct, impede or hinder traffic thereon or become a public safety hazard.
- e. No person shall park or store a Recreational Vehicle, motor vehicle, or trailer on private property unless it is fully contained within the property. No portion of a Recreational Vehicle, motor vehicle, or trailer parked on private property is permitted to protrude into a Highway, alley, or sidewalk.
- f. No owner or occupant of a premise shall park any motor vehicle, Recreational Vehicle, or trailer on the front yard, as defined by the Land Use Bylaw, of their property except where there is a properly constructed and surfaced driveway.
- g. A Recreational Vehicle may not be parked on a Highway for more than 72 consecutive hours; and
- h. A Recreational Vehicle shall be removed to an off-Highway location for at least 72 consecutive hours before the Recreational Vehicle may be parked on a Highway again.

5.12. Vehicles on Jack

- a. No person shall leave a vehicle unattended on a Highway if the vehicle has been placed on a jack or similar device; and
 - (i) One or more of the wheels have been removed from the vehicle; or
 - (ii) Part of the vehicle is raised.

5.13. Dangerous Goods

- a. Any person transporting, delivering, or collecting Dangerous Goods must use the most direct route, from a truck route. Conveyance of Dangerous Goods shall be restricted to Highway 2A and 50th Avenue (Highway 12) as much as possible.
- b. Nothing in section 5.13.a. shall be construed to allow the parking, stopping, or operation of a vehicle or trailer within any residential area or district as defined in the Land Use Bylaw of the City of Lacombe.
- c. No person shall park a vehicle or a trailer used for the conveyance of Dangerous Goods nearer than twenty (20) metres (65 feet) to a building likely to contain persons or valuable goods.
- d. Section 5.13.a. shall not apply where a vehicle is required to be parked for purposes of loading or unloading its cargo and such vehicle is clearly marked with a warning notice identifying the nature of the cargo.

- a. No person shall place, permit to be placed, or throw any substance or thing of any kind, including cement from construction sites, on any Highway, boulevard or sidewalk.

6.2. Vehicle Fluids

- a. No person shall drain lubricating oils or any fluids associated with the operation of a motor vehicle upon a Highway.

6.3. Sidewalk Hazards

- a. No person shall place, or permit to be placed, an electrical extension cord, hose, rope, or any other potential tripping hazard across a sidewalk or Highway whereby any person, animal, or vehicle may be in any way injured or damaged unless the hazard is at least 2 metres above the sidewalk.

6.4. Snow, Ice, and Debris

- a. All persons within the City shall remove or cause to be removed any snow, ice, debris, or other materials from any sidewalk adjoining the property owned or occupied by them; such removal is to be completed if there is a public safety concern or within 48 hours of the time when the snow, ice, debris or other Obstruction was formed or deposited thereon.
- b. The City may after the expiry of the 48 hours, or if deemed a public safety concern at any time, remove and clear away any snow, ice, debris, or other materials required to be removed by section 6.4.a.
- c. No person shall remove snow, ice, debris, or other material from any sidewalk by causing such material to be placed upon any other portion of the Highway, except in places where the building is abutting the sidewalk.
- d. No person shall place or permit to be placed any snow, ice, debris, or other material removed from private property onto the Highways or other public places of the City.
- e. If water dripping from an awning, eavestrough or any other area of a building deposits upon a Highway or sidewalk, the owner or occupier of the premises shall clean the sidewalk or Highway portion thereof to prevent ice from forming.

6.5. Expenses Charged

- a. The City may, after 48 hours, remove and clear away all snow and/or ice required to be removed by section 6.4.b. Any unpaid expenses and costs incurred by the City for the removal of snow and/or ice may be added to the tax roll of a parcel by Council pursuant to Section 553(1)(g.1) of the Municipal Government Act.

6.6. At a Fire

- a. No person or vehicle shall pass beyond any point designated by a Peace Officer or a member of the Fire Department near the location of a fire.

6.7. Sidewalk Obstructions

- a. No person shall place any goods, wares, merchandise, or any other articles upon a sidewalk or Highway outside of a shop, warehouse, or building, so as to obstruct pedestrian or vehicular traffic.
- b. No person shall be construed to be interfering with use of a portion of a Highway or sidewalk during the loading or unloading of goods, wares, merchandise or articles between a vehicle and a residence or business if such loading and unloading takes less than 30 minutes.
- c. No person shall restrict the use of a portion of Highway with a Mobile Vending Unit or Canteen unless authorized by the Chief Administrative Officer of the City in accordance with the City's Business License Bylaw.
- d. No person shall restrict the use of a portion of a sidewalk with a Pushcart Vending Unit unless authorized by the Chief Administrative Officer of the City in accordance with the City's Business License Bylaw.

- e. A Peace Officer may direct a person under the age of 18 to cease operating a Bicycle, Leisure Vehicle, or similar device, if that person is not wearing a Canadian Standard approved helmet.

7.6. Seize/Impound

- a. A Peace Officer may seize any Bicycle or Leisure Vehicle that is operated, parked or left in contravention of this Bylaw and such Bicycle or Leisure Vehicle may be impounded for a period not exceeding 60 days.
- b. Any Bicycle or Leisure Vehicle which has been impounded and not redeemed by the owner within 60 days of the date of the expiration of the period of impoundment shall become the property of the City.

8. AUTHORITY OF MUNICIPAL OFFICIALS

8.1. The Chief Administrative Officer is hereby authorized to:

- a. Prescribe the location and placement of every traffic control device and traffic signal in the City and shall keep a record of such locations and placements and such records shall be available to the public for inspection during normal business hours;
- b. Designate crosswalks upon any Highway and to cause the same to be marked with signs, or lines painted on the surface of the Highway;
- c. Designate any Highway intersection or other place on a Highway as a place at which no lefthand turn or no righthand turn or both, shall be made, and shall cause the said place to be signed, barricaded, or otherwise restricted;

- d. Designate any intersection or place on a Highway, including a place where a railway right-of-way crosses a Highway, as a place where U-turns are prohibited and shall cause the same to be marked with signs prohibiting U-turns;
 - e. Designate any area as one in which parking privileges are temporarily suspended in whole or in part to traffic and shall cause such areas to be marked with signs;
 - f. Designate any roadway as one to be divided into traffic lanes of such number as is considered appropriate property and shall cause such lanes to be marked with solid and/or broken lines painted on the road surface;
 - g. Designate "School Zones" and "Playground Zones" and shall cause such zones to be marked by signs posted along the Highway, or by markings on the pavement or by signs or lights or both, posted or suspended over or adjacent to the Highway;
 - h. Designate any boulevard upon which parking is permitted and shall cause signs, permitting such parking, to be erected thereon;
 - i. Determine the format of the Municipal Ticket, notices and other forms required to administer this Bylaw.
- 8.2. When Council has approved of any Highway or a part of a Highway being designated for one-way traffic, the Chief Administrative Officer shall cause the same to be marked with signs.
- 8.3. Notwithstanding any other provision in this Bylaw, the Chief Administrative Officer may cause moveable signs to be placed on or near a Highway.

9. AUTHORITY OF PEACE OFFICER

9.1. Towing

- a. Any Peace Officer of the City is hereby authorized to remove and impound, or cause to be removed and impounded, any vehicle or trailer, parked on any Highway, or private property when in contravention of any provision of this Bylaw, or when interfering with snow removal, or other public works being carried on by the City.
- b. Any vehicle impounded under this Section may be released to the owner or his agent upon proof that any costs imposed for towing and/or storage have been paid.

9.2. Municipal Ticket

- a. A Notice of Form commonly called a Municipal Ticket may be issued by a Peace Officer to any person who contravenes any provision of this Bylaw, and served as per Section 9.3 and the ticket shall require the payment to the City for the specified amount for that particular breach of this Bylaw.

9.3. Deemed Served

- a. A Municipal Ticket shall be deemed to be sufficiently served:
 - (i) If served personally on the person to whom the Municipal Ticket is issued;
or
 - (ii) If mailed by ordinary mail to the address of the registered owner of the vehicle concerned, or the person contravening the Bylaw; or
 - (iii) If left in the mailbox at or on the door of the residence of the person to whom the Municipal Ticket is issued; or
 - (iv) If attached to or left upon the vehicle in respect of which the offence is alleged to have been committed.

- b. Nothing in this Bylaw shall prevent any person from defending a ticket issued for committing a breach of this Bylaw.

10. PENALTIES

10.1. General Penalty

- a. A person who contravenes or fails to comply with any provision of this Bylaw is guilty of an offence and liable upon summary conviction to the specified penalty set out in Schedule "B", or in the case for which there is no specified penalty set out in Schedule "B", to a fine of \$100.00 for a first offence, \$250.00 for a second offence and \$500.00 for a third or subsequent offence.

10.2. Specified Penalties

- a. Where payment is tendered within 10 days from the date of service of a Municipal Ticket issued for an alleged offence listed in Schedule "B", such payment shall be reduced by 50% of the specified penalty, and such payment shall be accepted in lieu of prosecution, with the exception of Section 12, Road Closures.

10.3. Late Payment

- a. If, after 10 days from the date of service of a Municipal Ticket for an offence, but before a Violation Ticket is issued for that offence a person pays the fine specified on the Municipal Ticket issued, the City shall accept payment of the specified penalty as provided in Schedule "B" herein, and the payment will be accepted in lieu of prosecution.

10.4. Voluntary Payment

- a. When a Municipal Ticket or a Violation Ticket is issued by a Peace Officer for an offence which is not enumerated in Schedule "B" herein, the specified penalty shall be the minimum fine that may be imposed under Section 10.1 of this Bylaw.

10.5. Owner Liable

- a. In this section "owner" includes any person registered as an owner at the Registrar of Motor Vehicle Services.
- b. Where a vehicle is driven, used, parked, or left in contravention of any provision of this Bylaw, the owner of the vehicle is guilty of that offence and liable for the contravention. This section does not apply if the owner of the vehicle satisfies the court that at the time of the contravention, the vehicle was not driven, used, parked, or left by them, or by any other person with their consent, express or implied.
- c. An owner who is guilty of an offence by operation of this section is not liable to imprisonment in respect of that offence or in respect of a default of a fine imposed in respect of that offence.

11. OVERWEIGHT AND OVER DIMENSIONAL PERMITS – MUNICIPAL FIXED FEE

- 11.1. All drivers of overweight and/or over dimensional vehicles as defined by Traffic Safety Act, R.S.A. 2000 shall be required to obtain a permit to travel on any road within the City prior to entering the corporate boundaries of the City.
- 11.2. Any person applying for a permit referred to in section 11.1 shall pay a fee as set out in Schedule C of this Bylaw.

12. ROAD CLOSURE

12.1. Permanent Road Closure

- a. Where it is deemed that a registered road right of way is no longer required, the City may seek to dispose of the road through a Road Closure Bylaw. All permanent road closures are approved by Council through a Road Closure Bylaw, as outlined by the Municipal Government Act, R.S.A. 2000.

12.2. Temporary Road Closure

- a. Per s.13 (1) of the Traffic Safety Act: Where an application is made to the City to temporarily utilize a portion of road or sidewalk, thus closing the road or sidewalk for public use, the City may issue a license or permit for the use of the identified road or sidewalk. The Chief Administrative Officer is authorized to issue such license or permit. The license or permit may be terminated by the City on 30 days written notice (or as otherwise set out in the license or permit).
- b. No person shall place or allow the placement of any Obstruction on a Highway or any other right-of-way within the City, without specific permission or designated by means granted by the Chief Administrative Officer or his/her designate through approval of a Road Use permit. This excludes Short Durations as defined in the Section 3 Definitions. An application fee for a Road Use permit will apply as outlined in Schedule C based on the impact to pedestrian and Vehicular traffic as outlined below:
 - (i) Low impact projects include deliveries, closure of parking lanes, use or closure of alleys, closure of sidewalks etc.;
 - (ii) Medium impact - disturbance of concrete or asphalt, but two-way traffic is maintained;
 - (iii) High impact - work requiring alternating traffic within a single lane, or road closures or detours.
 - (iv) Road Use Permit Fee Exemption – Parties with whom the City of Lacombe has entered into a franchise agreement (e.g., Atco Gas and Pipelines Ltd. and Fortis Alberta Inc.) are exempt from the fees outlined in Schedule C for medium and high impact work they initiate within the City's public rights-of-way. This exemption does not apply to the specified penalties outlined in Schedule B, which remain enforceable. (b. 506.1, 2025-02-10)
- c. Failure to comply to Road Use Permit conditions will result in a daily penalty as per Schedule B to the identified applicant on the Road Use Permit.
- d. Failure to reclaim the worksite to the City's specifications as outlined in the Road Use Permit will result in a penalty as per Schedule B to the identified owner on the Road Use Permit.

13. EFFECTIVE DATE

- 13.1. This Bylaw shall come into force and effect when it receives third reading and is duly signed.

14. SEVERABILITY

- 14.1. If any portion of this Bylaw is declared invalid by a court of competent jurisdiction, then the invalid portion must be severed and the remainder of the bylaw is deemed valid.

15. REPEAL OF BYLAW 223

- 15.1. Bylaw 223 and its amendments Bylaw 223.01, 223.02, 223.03, 223.04, 223.05, 223.06, 223.07, 223.08, 223.09, 223.10, 223.11, 223.12, 223.13, 223.14, 223.15, and 223.16, are hereby repealed.
- 15.2. Despite the repeal of Bylaw 223 and its amendments in Section 16.1, the provisions of Bylaw 223, and its amendments, remain in full force and effect for the purposes of any
