principle of any zoning by-law required to authorize the development of the site and included in the conditions of enactment of the zoning by-law approved by Council following the public hearing, and if no new zoning by-law was required to authorize the development of the site, the rents to be agreed upon should be stipulated at the time the 'prior-to permit issuance' letter related to the development permit is issued;

- (c) notwithstanding sections 3.1B (a) and (b), if a new zoning by-law was required to authorize the development of the site and the tenure of the residential area of the building for which a waiver is being sought was not secured as rental housing as a condition of enactment, the rents to be agreed upon shall not exceed the rents at occupancy stipulated in section 3.1A and this By-law and do not need to be stipulated in accordance with 3.1B (b);
