

**BYLAW 57-2022  
COMMUNITY STANDARDS BYLAW**

**(Consolidated on September 16, 2025)**

Section 7 of the Municipal Government Act permits Council to pass bylaws for municipal purposes in relation to the safety, health and welfare of people and the protection of people and property, and to create offences and impose fines and penalties; and

Section 8 of the Municipal Government Act permits Council to regulate or prohibit particular activities, industries, businesses, or other things; and

Section 3(c) of the Municipal Government Act states that the development and maintenance of safe and viable communities is one of the purposes of a municipality; and

Section 542 of the Municipal Government Act allows a designated officer of a municipality to enter land, buildings, and structures in order to carry out an inspection, enforcement, or action authorized or required by a bylaw;

Therefore Council enacts:

#### Interpretation

- 3 The following rules apply to interpretation of this bylaw:
  - (a) the word "including" means "including, but not limited to";
  - (b) where specific examples are provided in support of a general term, the specific examples should not be construed as limiting the generality of the general term;
  - (c) margin notes in this bylaw are for ease of reference only;
  - (d) headings, titles, and preambles in this bylaw are intended to assist in the interpretation of this bylaw;
  - (e) references to one gender includes all genders, and the singular includes the plural as the context requires;
  - (f) every provision of this bylaw is independent of all other provisions, and if any provision of this bylaw is declared invalid by a Court, all other provisions of this bylaw remain valid and enforceable;
  - (g) references to bylaws and enactments in this bylaw include amendments and replacement bylaws and enactments, and regulations and orders thereunder; and
  - (h) offences under this bylaw are strict liability offences.

- Application
- 4 Nothing in this bylaw relieves a person from the obligation to comply with a provision of any other bylaw or enactment, or the requirements of a permit, order, or license issued under another bylaw or enactment.

## **PART II – NEIGHBOUR RELATIONS**

- Definitions
- 5 In this Part:
- (a) “abandoned equipment” means any vehicle, equipment, farm equipment, or machinery, including any household appliance, stored outside of a residence or other building regardless of whether or not in an inoperative condition, that:
    - (i) has been rendered inoperative by reason of disassembly, age, or mechanical condition;

**Division 1 - Noise**

- |                   |  |
|-------------------|--|
| Noise Restriction | <ul style="list-style-type: none"> <li>6 Except to the extent permitted in this bylaw, a person shall not:           <ul style="list-style-type: none"> <li>(a) cause a noise;</li> <li>(b) operate, or permit any person to operate, a motor vehicle that causes a noise; or</li> <li>(c) operate, or permit any person to operate, an off-highway vehicle that causes a noise.</li> </ul> </li> <li>7 A property owner shall not allow a noise to originate from that property.</li> <li>8 The owner of a motor vehicle or off-highway vehicle shall not allow that motor vehicle or off-highway vehicle to be used in such a way that there is a noise originating from the motor vehicle.</li> </ul> |
| Exceptions        | <ul style="list-style-type: none"> <li>9 It is not an offence to create a noise if the noise is caused by:           <ul style="list-style-type: none"> <li>(a) construction equipment, if the construction equipment is being used in the course of construction and during the hours permitted in Schedule B;</li> <li>(b) farm equipment being used for the purposes of a farming operation on land zoned to include agriculture as a permitted, discretionary or non-conforming use;</li> <li>(c) work carried on by the County or its employees, agents, servants, or contractors, acting within the scope of their employment, agency, or contract;</li> </ul> </li> </ul>                         |

- (d) domestic equipment, including lawnmowers, snow blowers, garden tillers, and vacuum cleaners, if:
  - (i) the noise is of a temporary or intermittent nature; and
  - (ii) the noise occurs between the hours of 7:00 a.m. and 10:00 p.m.;
- (e) an activity on a parcel of land zoned as Heavy Industrial (HI) if the noise is generated pursuant to work done in a manner consistent with its industry;
- (f) air conditioning units, if operated in the normal manner, and if the unit is properly maintained; or
- (g) an activity permitted by a Noise Permit.

Noise Must be Minimal

10 Where an activity creates or makes a sound that is or may become a noise, every person engaging in or allowing that activity shall do so in a manner that creates as little sound as practicable under the circumstances.

Noise Permit

11 (1) The Chief Administrative Officer may issue a Noise Permit.  
 (2) The purpose of a Noise Permit is to allow a person to make a noise that would otherwise be contrary to the provisions of this bylaw.

Noise Permit Application

12 In addition to any other information required in a permit application under this bylaw, an applicant for a Noise Permit must provide the following information:

- (a) the hours when the noise will occur;
- (b) the expected level of the noise;
- (c) the location or locations where the noise will occur, including the distance to nearby residences, businesses, farms, or other structures; and
- (d) steps that will be taken to abate or minimize the noise.

13 The Chief Administrative Officer may issue a Noise Permit to an applicant, if the applicant:

- (a) has complied with all application requirements;
- (b) has not in the past three years committed an offence under this bylaw or Bylaw 66-99 or previously had a Noise Permit revoked; and
- (c) has paid any permit fee set out in the Fees, Rates, and Charges Bylaw.

- Noise Permit Conditions
- 14 The Chief Administrative Officer may impose any other conditions and restrictions on a Noise Permit, including conditions and restrictions regarding:
- (a) notifications or notices;
  - (b) health and safety;
  - (c) reviews, inspections, and maintenance;
  - (d) additional noise abatement requirements;
  - (e) location and duration of the noise; and
  - (f) hours when the noise may occur.

### **Division 2 - Nuisance and Unsightly Properties**

- Nuisance Property
- 15 The owner of a property shall not cause or allow that property, or the owner's use of that property, to constitute a nuisance.
- Unsightly Premises
- 16 The owner of a property shall not cause or allow that property to be an unsightly premises.
- Unsafe Property
- 17 The owner of a property shall not cause or allow that property to be a danger to public safety.
- Owner Must Remove Refuse
- 18 Subject to section 19, the owner of a property shall not cause, permit, or allow refuse to accumulate or be stored or kept on that owner's property or upon public property adjoining the owner's property, unless such property is a sanitary land fill, recycling centre, or other waste management facility.
- 19 A person shall not cause, permit, or allow refuse to accumulate in any building or structure, except in containers provided for the temporary storage of refuse or other waste materials for pick-up and disposal at a sanitary land fill, recycling centre, or other waste management facility.

### **Division 3 - Graffiti**

- No Graffiti
- 20 A person shall not create or apply graffiti, or cause, permit, or allow graffiti to be placed, on any building, structure, vegetation, or thing unless the graffiti is not in public view and the owner of the property where the graffiti is created or applied has given prior written approval for the creation or application of the graffiti.
- 21 The owner of a property shall not allow graffiti to be placed on any building, structure, fence, vegetation, or other thing so that the graffiti is adjacent to a street or a public place.

- Removal of Graffiti
- 22 The Chief Administrative Officer may give notice to the owner of a property to remove graffiti that is on a building, structure, vegetation, or thing on that property.
- 23 The owner of a property must remove any graffiti from that property within the time period specified in the notice to remove the graffiti.

#### **Division 4 - Wood Burning Appliances and Nuisance Smoke**

- No Burning During Advisory
- 24 A person shall not use a wood burning appliance at any time when an air quality advisory is in effect, unless there is no other reasonable method of heating the building the wood burning appliance is in.
- Maintenance
- 25 The owner of a wood burning appliance must maintain, according to manufacturer's specifications, every wood burning appliance and every associated chimney and vent that is used to heat a building.
- Nuisance Contaminants
- 26 (1) A person shall not allow an outdoor fire to, or operate a wood burning appliance in a manner that would, in the opinion of a bylaw enforcement officer, cause a nuisance by releasing air contaminants or odours that are likely to:
- (a) cause or significantly contribute to the injury of or damage to human health, plant or animal life, or property; or
  - (b) unreasonably interfere with a person's enjoyment of life or property.
- (2) Releasing air contaminants or odours from a wood burning appliance or outdoor fire does not constitute a nuisance if the release occurs:
- (a) for less than two continuous minutes;
  - (b) within thirty minutes of, and as a direct result of, the ignition of the wood burning appliance or outdoor fire; or
  - (c) within thirty minutes of, and as a direct result of, the refueling of a wood burning appliance or outdoor fire, provided that such refueling occurs not more than once every two hours.
- Emission Standards
- 27 A person who installs or operates a wood burning appliance must ensure that the wood burning appliance meets legislated and industry-standard particulate emission standards, including the Canadian Standards Association CAN/CSA-B415.1-10, or any amended or replacement standards.

### **PART III – RESIDENTIAL PROPERTY STANDARDS**

Application of Part III      28 (1) Except as otherwise set out in this Part, the provisions in this Part only apply to residential properties.

(2) A residential property is any property that has a residential purpose identified as its purpose or included as a purpose for the property's zoning.

Definitions              29 In this Part:

(a) "commercial vehicle" means a Class 1 or Class 2 vehicle, or a Class 3 vehicle with 3 or more axles, as defined in the *Operator Licensing and Vehicle Control Regulation, Alta Reg 320/2002*;

(b) "construction" means work done in building or altering structures and land, including excavation, erection, and assembly and installation of buildings, structures, and related equipment;

(c) "fence" means any freestanding structure, wall, or barrier, other than a building, erected at or above grade that delineates the boundaries of a property or creates boundaries within a property, but does not include a hedge;

(d) "hamlet" means an unincorporated community in the County that has been designated by Strathcona County Council as a hamlet in accordance with the Municipal Government Act;

(e) "pest" has the same meaning as in the *Agricultural Pests Act, RSA 2000, c A-8*;

(f) "reasonable state of repair" means the condition of being:

- (i) structurally sound;
- (ii) free from damage;
- (iii) free from rot or other deterioration;
- (iv) protected by paint, preservative, or other weather-resistant material; and
- (v) safe for its intended use;

(g) "recreational vehicle" means a motor vehicle or trailer that includes living quarters and is designed for accommodation;

(h) "roadway" has the same meaning as in the Traffic Bylaw; and

(i) "stop" has the same meaning as in the Traffic Bylaw.

## **Division 1 - Storing Construction Materials and Debris**

- Storing Construction Materials 30 (1) The owner of a property shall not permit an accumulation of building materials on the outdoor areas of that property, unless:
- (a) construction is currently taking place on that property, will start within 30 days, or has been completed in the previous 30 days;
  - (b) the building materials relate to the construction taking place at the property, in an amount reasonable for the size and scope of the project;
  - (c) the construction has not been paused or suspended for a period in excess of 120 days; and
  - (d) the construction has a definite completion date.
- (2) All building materials must be stored in an orderly and organized manner.
- (3) All building materials must be stored in a manner that prevents the building materials from being blown around and off the property.
- Regular Maintenance Exception 31 Despite anything else in this Part, it is not an offence to keep building materials for regular property maintenance, if the building materials are:
- (a) not kept in the front yard; and
  - (b) neatly stored.
- Waste Container Required 32 The owner of a property where construction is occurring must ensure there is a waste container where waste building materials must be kept prior to removal from the property.
- 33 Each waste container on a construction site must be designed for and used in a manner that prevents the waste building materials from being blown around and off the property.

## **Division 2 - Building, Yard, and Fence Maintenance**

- General Maintenance Requirements 34 The owner of a property must maintain the property so that it does not substantially depreciate the value of other properties and buildings in the vicinity of the property.
- 35 (1) The owner of a property must maintain the property to

prevent the existence of objects and conditions that pose health, safety, fire, or accident hazards to people, animals, or neighbouring properties, including the obligation to repair, remove, rectify, or otherwise prevent the existence of:

- (a) buildings or structures that constitute a fire hazard or are likely to fall or cause an explosion;
- (b) floors, stairs, walls, and other structural aspects of buildings or structures that are insecure or pose a danger to people or animals who enter the building or structure;
- (c) a vacant building or structure that is unguarded or open so that entry can be easily gained to it;
- (d) any uncovered and unguarded well, hole, excavation, or other opening; and
- (e) sharp objects that could result in injuries, including nails projecting from boards, sharp tools, and broken building materials.

Exception

36 It is not an offence to allow the conditions in section 35 to exist during construction, if access to the adverse conditions is restricted through fencing, hoarding, or other physical means, and anyone who is permitted to access the adverse conditions is notified of the conditions prior to entry to the restricted area.

Pests

37 (1) The owner of a property must ensure that the property and buildings are kept free of:

- (a) infestations of insects, rats, mice, other pests, and vermin; and
- (b) any condition, matter, or thing that provides or may provide food or harbourage for pests or vermin.

(2) The obligation imposed by this section includes the obligation to prevent the existence of lice, bed bugs, cockroaches, silverfish, and other insects in any part of a building.

38 Where an infestation of insects, rats, mice, pests, or vermin has occurred, the owner must abate the infestation until such time as the infestation has come to an end, as determined by, and to the satisfaction of, the Chief Administrative Officer.

Vegetation  
Maintenance

39 The owner of a property must ensure that trees, shrubs, and other vegetation are trimmed so as not to become a safety hazard.

40 The owner of a property must ensure that trees, shrubs, and other vegetation on the property do not interfere with:

- (a) the County's public utility works, including sewer and water pipes;
- (b) pedestrian or vehicular traffic on a street or sidewalk;
- (c) motorists' or pedestrians' views of directional signs or traffic control devices; and
- (d) the sightlines of motorists or pedestrians, including sightlines around corners.

Building  
Maintenance

- 41 The owner of a property must ensure that exterior walls of buildings are maintained in a reasonable state of repair, and:
  - (a) that the exterior surfaces of buildings are constructed of materials that provide adequate protection from the weather;
  - (b) protect the exterior walls, chimneys, coping, flashing and other components from deterioration by the application of a protective surface, and by restoration and repair when required;
  - (c) that the paint on a painted surface is maintained and renewed so that the painted surface is protected from deterioration; and
  - (d) that the mortar of any masonry, chimney, or stone wall is in sufficiently good repair to fill gaps between the masonry or stone, and to evenly spread the weight of the masonry or stone.
- 42 (1) The owner of a property must ensure that all exterior elements of every building, including eavestroughs, windows, doors, framing, sashes, casings, weather-stripping, decorative elements, and other components, are kept in a reasonable state of repair.
  - (2) Where a building on a property contains exterior elements that are intended to assist with the drainage of water, including eavestroughs and roof drains, the owner of the property must ensure those exterior elements are maintained free of debris and blockages that could restrict the flow of water.
- 43 The owner of a property must ensure that all accessory structures, including sheds and detached garages, are maintained in a condition that is:
  - (a) weather resistant, through the application of appropriate materials, including paint and preservatives; and
  - (b) in a reasonable state of repair.

- Fence Maintenance 44 The owner of a property must ensure that every fence that is on the property or the property line:
- (a) is in a reasonable state of repair;
  - (b) is complete, maintained in a structurally sound condition, and securely anchored;
  - (c) is protected by weather resistant materials, coating, or treatments, or is constructed of weather resistant materials; and
  - (d) does not present an unsightly appearance to abutting properties, the neighbourhood, or the general vicinity.

### **Division 3 - Parking on Private Property**

- Residential Yard Parking Restriction 45 A person must not park a motor vehicle, or allow a motor vehicle to be parked, in the front yard or side yard of a property in a location other than a location that is hard-surfaced in accordance with the Land Use Bylaw, including a driveway or a parking stall.
- No Parking on Lawn 46 For clarity, a person must not park a motor vehicle, or allow a motor vehicle to be parked, on a front lawn or the landscaped area in the front yard or side yard of a property.
- RV Parking 47 The owner of a property shall not park a recreational vehicle, nor allow another person to park a recreational vehicle, on the property such that the recreational vehicle:
- (a) is on the front yard or side yard, except on a place designated for parking as described in the Land Use Bylaw;
  - (b) overhangs a sidewalk, roadway, or any part of a highway;
  - (c) is parked without an external device that prevents the recreational vehicle from rolling, such as chocks; or
  - (d) is parked on top of or overhanging a utility right-of-way, unless parked on a driveway.
- 48 The owner of a property shall not park a commercial vehicle, nor allow another person to park a commercial vehicle, on the property such that the commercial vehicle:
- (a) is on the front yard or side yard, except on a place designated for parking as described in the Land Use Bylaw;
  - (b) overhangs a sidewalk, roadway, or any part of a highway;
  - (c) is parked without an external device that prevents the commercial vehicle from rolling, such as chocks; or

- (d) is parked on top of or overhanging a utility right-of-way, unless parked on a driveway.

#### **Division 4 - Sidewalk Clearing**

Application	49 This Division applies to all properties that: <ul style="list-style-type: none"><li>(a) are in the urban service area, a hamlet, or a country residential subdivision, including Fountain Creek Estates, Balmoral Heights, and Sherwood Golf and Country Club Estates; and  (S.1(a), Bylaw 41-2025, September 16, 2025)</li><li>(b) have a sidewalk adjacent to the front or side of the property.</li></ul>
Clearing Sidewalks	50 The owner of a property must remove all snow and ice from every sidewalk along the front yard or side yard of the property within 48 hours following the snow or ice deposit.
Non-slip Material	51 If an owner is unable to remove all snow and ice from a sidewalk as required, the owner shall apply a non-slip material that maximizes traction and renders the sidewalk safe for pedestrian use.  52 If an owner applies a non-slip material to a sidewalk, the owner must remove all snow and ice from every sidewalk along the front yard and side yard of the property within a reasonable amount of time, and the owner must add additional non-slip material as required to ensure that traction is maximized and the sidewalk is safe for pedestrian use.
Criteria	53 A sidewalk is considered to have been cleared when the sidewalk is cleared for the entire length and width of its surface as much as is reasonably possible.
Authority to Increase Days	54 In the event of a weather event that results in a large accumulation of snow or ice in a short period of time, the Chief Administrative Officer is authorized to increase the time allowed for removal of snow and ice or application of non-slip material.  55 The Chief Administrative Officer is authorized to increase the time allowed for removal of snow and ice or application of non-slip material if the owner of the property is participating in a snow-clearing program authorized by the Chief Administrative Officer.
Notice to Clear Sidewalks	56 If an owner fails to comply with the requirements of this bylaw, the Chief Administrative Officer may issue a notice directing the

owner to comply within any period directed by the Chief Administrative Officer, but not less than 24 hours.

57 The notice must state that if the owner does not comply with this bylaw, the County may take action to remove ice and snow from the sidewalk or apply non-slip material to the sidewalk, at the owner's expense.

County May Remove Snow and Ice 58 (1) If an owner fails to comply with a notice issued under this Part, the County may, without further notice to the owner:

(a) remove any ice and snow from the sidewalk;

(b) apply a non-slip material to the sidewalk; or

(c) remove any ice and snow and apply a non-slip material to the sidewalk.

(2) The cost of any actions taken by the County under this Part are a debt owing to the County and may be added to the property's tax roll.

#### **PART IV –PUBLIC SPACES**

Definitions 59 In this Part:

(a) "idle" or "idling" means the operation of the engine of a motor vehicle while the motor vehicle is not in motion.

#### **Division 1 - Littering**

No Littering 60 A person shall not dispose of litter on a public place, or on any portion of a highway, except:

(a) in a container that is placed to provide for the collection of litter; or

(b) for collection service, as set out in the County's *Waste Management Bylaw*, Bylaw 30-2014.

Vehicle Owner Responsible 61 If litter is deposited or left in a public place or a highway, from a vehicle, the owner of the vehicle is deemed to be the person who deposited the litter unless the owner proves, on a balance of probabilities, that the vehicle was not being operated, parked, or left by the owner or by any other person with the owner's consent.

#### **Division 2 - Idling**

No Idling 62 A person shall not cause, permit, or allow a motor vehicle to idle

for more than five minutes in any thirty-minute period.

- 63 A person shall not cause, permit, or allow a motor vehicle to idle in an area where signage prohibits idling.
- Signs Prohibiting Idling 64 The Chief Administrative Officer or a property owner may place signage restricting the location and amount of time that idling is permitted.
- Exceptions 65 It is not an offence to idle:
- (a) when the outdoor temperature is less than zero degrees Celsius, but only to allow safe vehicle operation and to maintain clear windows;
  - (b) a motor vehicle licensed to provide for-hire transportation services to the public;
  - (c) a motor vehicle transporting a medically fragile person;
  - (d) an emergency vehicle, including a fire, police, medical service, prisoner transport, or other similar vehicle, while engaged in operational activities;
  - (e) a motor vehicle in which the engine is used to operate auxiliary equipment that is essential to the basic function of the motor vehicle;
  - (f) a motor vehicle containing equipment that must be operated inside or in association with the vehicle;
  - (g) in compliance with a motor vehicle's manufacturer's written directions concerning proper motor vehicle performance and proper motor vehicle safety;
  - (h) an armoured motor vehicle in the course of being loaded or unloaded;
  - (i) a motor vehicle using heating or refrigeration systems powered by the motor vehicle's engine for the welfare or preservation of perishable cargo;
  - (j) a motor vehicle in which proper ventilation system function is required to clear interior window surfaces of accumulated condensation, but only for the minimum period of time to allow safe visibility;
  - (k) motor vehicles remaining motionless for brief periods of time due to an emergency, traffic conditions, weather conditions, a traffic control device, or as directed by a peace officer or police officer;
  - (l) a motor vehicle idling where required for the purpose of

servicing or repairing the vehicle;

- (m) motor vehicles engaged in a parade, race, or other event authorized by the Chief Administrative Officer;
- (n) motor vehicles idling solely on electric power, or those idling without the use of an internal combustion engine; or
- (o) where necessary to preserve the health and safety of an occupant in the motor vehicle in a situation where the occupant is required to remain in the motor vehicle or where the occupant is otherwise unable to exit the motor vehicle.

Prosecutions                    66 In any prosecution for an offence involving idling, evidence by a person of audible engine noise or sound or visual observation of exhaust coming from a motor vehicle shall be considered *prima facie* evidence of engine operation.

## **PART V – COMMUNITY SAFETY AND STANDARDS**

Definitions                    67 In this Part:

- (a) “symbol of hate” means any picture, word, or graphic images of any type that promote violence, hatred, or hostility against an identified person or group.

### **Division 1 - Charity Bins and Collection Sites**

Donation Bin                    68 A person shall not place, install, or maintain a donation bin within the County, except:

- (a) in accordance with a Donation Bin Permit issued under this bylaw;
- (b) located on a lot that is zoned to allow for a commercial use as defined in the Land Use Bylaw; or
- (c) as part of an event lasting 3 days or less.

69 Except as specified in a Donation Bin Permit, a person shall not place, install, or maintain a donation bin on any highway.

Permit Application            70 In addition to any other information required in a permit application under this bylaw, an applicant for a Donation Bin Permit must provide the following information:

- (a) a photograph, drawing, or rendering of the donation bin;
- (b) a written description of the donation bin;
- (c) a detailed plan showing the proposed location of the

donation bin;

- (d) proof of the applicant's status as a registered charity, a not-for-profit corporation, or a for-profit corporation;
- (e) whether the applicant is party to any agreement with a registered charity, a society, or another organization that relates to revenue-sharing or the operation of the donation bin, and the contact information of any such organization; and
- (f) a certification from a registered or licensed professional engineer that the construction, design, and operation of the donation bin is safe.

Donation Bin Permit 71 The Chief Administrative Officer may issue a Donation Bin Permit to an applicant if the applicant has:

- (a) complied with all application requirements;
- (b) has not committed an offence under this bylaw, or previously had a Donation Bin Permit revoked for non-compliance; and
- (c) has paid any permit fee set out in the Fees, Rates, and Charges Bylaw.

Operator Requirements

72 A Donation Bin permit-holder must ensure that every donation bin the permit-holder owns or operates:

- (a) is located within the boundaries of the location specified in the application;
- (b) is not chained or fastened to any parking meter, bus shelter, post box, bench, signpost, tree, or any utility apparatus, including any traffic signal, traffic control device, street light, power or telephone pole, or fire hydrant;
- (c) displays, on all sides of the donation bin, clear identification information with the permit-holder's name and contact information in lettering at least 100 millimetres high and 75 millimetres wide, per letter, and of a contrasting colour to the colour of the donation bin;
- (d) displays on all sides of the donation bin the words "Not For Profit" in lettering at least 100 millimetres high and 75 millimetres wide, per letter, if the permit-holder is a registered charity or a not-for-profit business;
- (e) displays on all sides of the donation bin the words "For Profit" in lettering at least 100 millimetres high and 75 millimetres wide, per letter, if the permit-holder is a for-profit business;

- (f) describes what items are accepted for donation in the donation bin;
- (g) displays a clear written or pictorial notice that all donation articles must fit into the donation bin, and prohibiting any items from being left outside or around the donation bin, or on or near the donation bin location;
- (h) displays a donation pick up schedule for the donation bin, and is subject to a regular scheduled pick-up of donated items and emptying of the donation bin, in accordance with the schedule displayed on the donation bin;
- (i) does not display any advertising, except the logo or marks of the owner or operator of the donation bin;
- (j) is not placed so as to create safety hazards including restricting accessibility or blocking sight lines for pedestrians, motorists, and the public;
- (k) is maintained in a good state of repair, in good working order, and free of graffiti; and
- (l) is in a clean and tidy condition, free of the overflow of items and litter from the donation bin, and free of items and litter left outside the donation bin within 5 metres of the donation bin.

Donation Bin Permit  
Conditions

73 The Chief Administrative Officer may impose any other conditions and restrictions on a Donation Bin Permit, including conditions and restrictions regarding:

- (a) notifications or notices;
- (b) health and safety;
- (c) design and construction requirements;
- (d) reviews, inspections, and maintenance;
- (e) cleanliness;
- (f) location; and
- (g) hours of operation.

Order to Remove  
Donation Bins

74 The Chief Administrative Officer may order the permanent or temporary removal of a donation bin if:

- (a) the Chief Administrative Officer believes the donation bin creates a safety hazard;

- (b) a special event requires the removal of the donation bin;
- (c) the County wishes to perform maintenance work or construction on utilities, streets, sidewalks, transit stops, or other structure or improvement, and the donation bin may obstruct that maintenance work or construction; or
- (d) the donation bin does not comply with a provision of this bylaw or a condition or restriction of the Donation Bin Permit.

75 The Chief Administrative Officer may temporarily remove and relocate a donation bin on County land if the County needs to do maintenance or construction work in, on, under, over, or adjacent to the donation bin's location.

Expired or Revoked Permits

76 If a permit-holder's Donation Bin Permit expires or is revoked, the owner or operator of the donation bin must:

- (a) ensure that the donation bin is removed within 5 days of the expiry or revocation of the Donation Bin Permit; and
- (b) restore the land where the donation bin was located to its original condition with 14 days of the expiry or revocation of the Donation Bin Permit.

Uncollected Donation Bin

77 If the owner or operator of a donation bin refuses or fails to remove or relocate a donation bin when required to do so by the Chief Administrative Officer, the Chief Administrative Officer is authorized to remove the donation bin without further notice to the owner or operator of the donation bin.

78 A donation bin removed by the Chief Administrative Officer under this bylaw will be stored by the County for 30 days, and may be picked up by the owner or operator upon payment of the County's reasonable removal and storage fees.

## **Division 2 - Clearing Disabled-Parking Stalls**

Clearing Disabled-Parking Stalls

79 Where a property has any parking spaces set aside for the exclusive use of disabled persons, the owner of that property must remove all snow and ice from all such parking spaces within 48 hours following the initial snow or ice deposit.

80 In addition, the owner of that parcel must remove all snow and ice on a reasonably direct path from the reserved parking spaces to the nearest sidewalk or entry to any nearby businesses, residences, or other structures to which the reserved parking space can reasonably be inferred to provide access.

Non-slip Material

81 If an owner is unable to remove all snow and ice as required in this part, the owner shall apply a non-slip material that

maximizes traction and renders the parking space and path safe for pedestrian use.

82 If an owner applies a non-slip material under this part, the owner must remove all snow and ice required to be removed under this part within a reasonable amount of time, and the owner must add additional non-slip material as required to ensure that traction is maximized and the parking space and path is safe for pedestrian use.

Criteria

83 A parking space is considered to have been cleared when it is cleared for the entire length and width of its surface, plus an access aisle of at least 1.5m on each side, as much as is reasonably possible.

84 A path is considered to have been cleared when a path of a minimum width of 1.5m is cleared for the entire length and width of its surface, as much as is reasonably possible.

**Division 3 - Symbols of Hate**

Restriction

85 A person shall not display a symbol of hate in a public place, nor on a residence or building where it may be seen or read from a public place.

**PART VI – INSPECTIONS, ORDERS, AND PERMITS**

**Division 1 – Designated Officers**

Inspections

86 A bylaw enforcement officer is a designated officer of the municipality and is authorized to:

- (a) enter onto land or in to or on to a building or structure to conduct inspections;
- (b) order any person to remedy a contravention of this bylaw;
- (c) carry out inspections to determine compliance with this bylaw;
- (d) perform or have performed, on the land or premises or anything on them, any tests the bylaw enforcement officer considers necessary;
- (e) request copies of, or take pictures or images of, anything from, in, or on a property, premises, or building that:
  - (i) is reasonably pertinent to a matter under investigation; or
  - (ii) the bylaw enforcement officer considers, on reasonable

and probable grounds, is or may be evidence of the commission of an offence under this bylaw;

- (f) request copies of, or take pictures or images of, vehicle and driver information, including a vehicle's registration and the driver's license, when the bylaw enforcement officer reasonably believes that the vehicle has been involved in the commission of an offence under this bylaw;
- (g) temporarily cordon off or secure an area of land, a building, or a structure and prohibit any person from entering or remaining on or in the land, building, or structure during an investigation; and
- (h) do any other thing or action that a designated officer is permitted to do, as provided for and in accordance with this bylaw or any other enactment.

Order to Comply

87 (1) If the Chief Administrative Officer or a bylaw enforcement officer believes that a person is contravening or has contravened any provision of this bylaw, the Chief Administrative Officer or bylaw enforcement officer may issue a written Order that requires the person responsible for the contravention to remedy it.

(2) The Order may:

- (a) direct a person to stop doing something, or to change the way in which the person is doing it;
- (b) direct a person to take any action or measures necessary to remedy the contravention of the bylaw and, if necessary, to prevent a re-occurrence of the contravention;
- (c) state a time within which the person must comply with the directions; and
- (d) state that if the person does not comply with the directions within a specified time, the County will take the action or measure.

88 Without restricting the generality of the foregoing, the Chief Administrative Officer or a bylaw enforcement officer may issue an Order that requires a person to:

- (a) abate or eliminate a noise;
- (b) clean up a nuisance property, unsightly premises, or an unsafe property;
- (c) remove a donation bin from a property;
- (d) remove snow and ice from a sidewalk; and

- (e) remove litter from a property, or litter that has been deposited, discarded, or placed by a person.

89 A person who has been named in and served with an Order shall comply with any action or measure required by the Order, within the time specified in the Order.

## **Division 2 - Permits**

### **Authorization to Issue Permits**

90 The Chief Administrative Officer is authorized to issue the following types of permits:

- (a) Noise Permit; and
- (b) Donation Bin Permit.

91 Upon receiving an application for a permit, the Chief Administrative Officer may:

- (a) issue or decline to issue the permit;
- (b) issue the permit on a one-time, annual, or other basis;
- (c) require a site inspection before issuing or declining to issue the permit;
- (d) impose conditions on the permit, on the permitted activities, on any thing that the permit relates to, or on a person that the permit is issued to; or
- (e) any one or more of the above.

### **Permit Application Requirements**

92 The Chief Administrative Officer may request from a permit applicant, and the applicant must provide, any records and information that, in the opinion of the Chief Administrative Officer, are material to the permit application, including records and information related to:

- (a) the size, location, and physical properties of the parcel of land where the proposed activities will take place;
- (b) the density of structures on the parcel of land;
- (c) the applicant's history of compliance with this bylaw and any other bylaws relating to the proposed activities;
- (d) complaints or concerns received by the applicant in respect of the proposed activities;

- (e) information required as part of a specific permit application under this bylaw;
- (f) anything that may lead the Chief Administrative Officer to believe, reasonably, that the permitted activities may create a nuisance on the parcel of land where the proposed activities will take place; and
- (g) any other safety concerns.

Revoking and Varying Permits

93 The Chief Administrative Officer may vary the conditions on a permit, and may revoke a permit, if:

- (a) the applicant provided false or misleading information or records in support of the application;
- (b) the information or records provided by the applicant are no longer current or correct;
- (c) the circumstances described in the permit application have had a material change; or
- (d) the applicant is convicted of an offence under this bylaw.

Requirement to Comply

94 Every person who has been issued a permit must comply with the conditions and restrictions listed in that permit.

Transferability

95 A permit is not transferable between locations or persons.

**Division 3 - Notice**

Notice

96 When a document or notice must be provided under this bylaw, it may be served:

- (a) in the case of an individual:
  - (i) by delivering it personally to the individual;
  - (ii) by leaving it for the individual, at the individual's apparent place of residence, with someone who appears to be at least 18 year of age; or
  - (iii) by mail addressed to the individual at the individual's apparent place of residence at any address for the individual on the tax roll of the County or at the Land Titles Registry;
- (b) in the case of a corporation:
  - (i) by delivering it personally to a person apparently in charge of an office of the corporation at an address held out by the corporation to be its address; or
  - (ii) by mail addressed to the registered office of the corporation.

## PART VII – ENFORCEMENT

- Offences 97 It is an offence to fail to comply with a provision of this bylaw.
- Continuing Offences 98 If an offence is of a continuing nature, each day or part thereof that a person fails to comply with the requirements of this bylaw constitutes a new offence.
- Burden of Proof 99 The onus of proving a person has a valid and subsisting permit is on the person alleging the permit's existence on a balance of probabilities.
- 100 The burden of proving that an exception applies in a particular case is on the person alleging the exception on a balance of probabilities.
- 101 The burden of proving a letter, symbol, mark, or image was authorized in advance and does not constitute graffiti under this bylaw is on the person alleging it was authorized in advance.
- Owner is Responsible 102 (1) In the absence of evidence to the contrary, if an offence occurs on a parcel of land, the owner of the parcel of land is deemed to be a person causing, permitting, or allowing the offence.
- (2) In the absence of evidence to the contrary, if a motor vehicle is involved in an offence, the registered owner of the motor vehicle is deemed to be a person causing, permitting, or allowing the offence.
- Obstruction 103 Any person who interferes with or obstructs a bylaw enforcement officer in the execution of the bylaw enforcement officer's duties under this bylaw is guilty of an offence.
- False Information 104 Any person who provides false information to a bylaw enforcement officer is guilty of an offence.
- 105 A person who provides false or misleading information on a permit application is guilty of an offence.
- Enforcement Measures 106 Nothing in this bylaw precludes a bylaw enforcement officer or a peace officer from taking any enforcement measure available in another bylaw or enactment, in addition to issuing a municipal tag or violation ticket for an offence.
- Municipal Tag 107 A bylaw enforcement officer may issue and serve a municipal tag on any person the officer has reasonable and probable grounds to believe has contravened a provision of this bylaw by:
- (a) personally serving the municipal tag on the person; or
- (b) mailing a copy of the municipal tag by pre-paid post to the

address provided by a person on a permit application, or to the person's last known postal address.

108 A municipal tag shall be in a form approved by the Chief Administrative Officer and shall state:

- (a) the name of the person to whom the municipal tag is issued;
- (b) the particulars of the contravention of the bylaw;
- (c) the specified penalty for the offence as set out in Schedule A;
- (d) that the specified penalty must be paid within thirty (30) days of the issuance of the municipal tag in order to avoid prosecution; and
- (e) any other information as may be required by the Chief Administrative Officer.

Violation Ticket

109 If a municipal tag has been issued and the specified penalty on the municipal tag has not been paid within the prescribed time, a peace officer may issue a violation ticket to the person to whom the municipal tag was issued.

110 A peace officer may, in the officer's sole discretion, elect to issue and serve a violation ticket without first issuing a municipal tag.

111 A peace officer is authorized to issue a violation ticket under Part 2 or Part 3 of the Provincial Offences Procedure Act to any person the peace officer believes on reasonable and probable grounds has committed an offence under this bylaw.

112 If a violation ticket is issued it must be in the prescribed form and must:

- (a) state the specified penalty for the offence as set out in Schedule A of this bylaw; or
- (b) require the person to appear in Provincial Court with or without the alternative of making a voluntary payment.

Penalties

113 Any person guilty of an offence under this bylaw is liable on summary conviction to a penalty in an amount not less than the amount specified in Schedule A of this bylaw, or if not prescribed in Schedule A, not more than \$10,000, and any other penalties as may be prescribed in default of payment in relation to proceedings taken under Part 2 or Part 3 of the Provincial Offences Procedure Act.

**PART VIII – DECISIONS AND APPEALS**

## Decisions

114 The following matters are within the Chief Administrative Officer's discretion, subject to any appeal or review provided for in this bylaw or to a Court:

- (a) prescribing the application, renewal, variation, and other forms required for this bylaw;
- (b) where this bylaw allows activities to be restricted or permitted, the areas where those activities may be restricted or permitted;
- (c) increasing the time allowed for removal of snow and ice, or to apply non-slip material;
- (d) approving snow-clearing programs;
- (e) establishing the criteria for a permit pursuant to this bylaw;
- (f) determining and imposing conditions and restrictions on a permit; and
- (g) amending or revoking a permit.

115 Decisions made by the Chief Administrative Officer in the exercise of the Chief Administrative Officer's discretion under this bylaw to issue a permit, and the conditions and restrictions on the permit, shall be in writing and delivered:

- (a) by personal service to the permit applicant;
- (b) electronically, if the permit application can be made electronically; or
- (c) by ordinary mail to the permit applicant at the residential address provided in the permit application.

## Appeals

116 An appeal to the County's General Appeals and Review Committee lies from the Chief Administrative Officer's decision to:

- (a) decline to issue or to revoke a permit;
- (b) impose conditions or restrictions on a permit; or
- (c) require a person to remove graffiti.

117 A person must deliver notice in writing to the Chief Administrative Officer of an appeal not later than seven (7) days after the date on which the person was served notice of the Chief Administrative Officer's decision.

118 The Chief Administrative Officer will, not later than seven (7) days after notice of an appeal was delivered to the Chief Administrative Officer, deliver to the General Appeals and Review Committee the records and information upon which the decision under appeal was based.

119 Following the conclusion of any appeal hearing, the General Appeals and Review Committee must, within seven (7) days, either confirm, reverse, or vary the decision of the Chief Administrative Officer.

120 The decision of the General Appeals and Review Committee is final, subject to judicial review by the Courts.

### **PART IX – TRANSITIONAL**

#### Transitional

121 Nothing in this bylaw invalidates any action taken, licence or permit granted or revoked, or offence proceeding undertaken, pursuant to County Bylaw 66-99, County Bylaw 45-2012, or County Bylaw 1-2022.

122 A conviction for an offence under County Bylaw 66-99, County Bylaw 45-2012, or County Bylaw 1-2022 that is substantially equivalent to an offence under this bylaw shall be considered a previous offence for the purposes of determining the specified penalty under Schedule A to this bylaw.

123 Except as otherwise set out in this bylaw, this bylaw applies to all property within the County and to any building or structure whether constructed before or after passage of this bylaw.

#### Repeal

124 The following bylaws are repealed:

- (a) County Bylaw 66-99, The Noise Control Bylaw;
- (b) County Bylaw 45-2012, The Nuisance and Unsightly Premises Bylaw; and
- (c) County Bylaw 1-2022, The Sidewalk Clearing Bylaw.

NOTE: Consolidation made under Section 69 of the Municipal Government Act, R.S.A. 2000, c.M-26 and Bylaw 21-2015 Section 8, and printed under the Chief Administrative Officer's authority.
