**Being a By-law Respecting the Maintenance
of Boulevards and Highway Obstructions, in
the Township of Guelph/Eramosa**

WHEREAS Section 8(1) of the Municipal Act, 2001, S.O. 2001, c.25, as amended, (“Municipal Act, 2001”) provides that the powers of a municipality under any Act shall be interpreted broadly so as to confer broad authority on municipalities to enable them to govern their affairs as they consider appropriate, and to enhance their ability to respond to municipal issues;

AND WHEREAS Section 9 of the Municipal Act, 2001, provides that a municipality has the capacity, rights, powers and privileges of a natural person for the purpose of exercising its authority under the Act;

AND WHEREAS Section 11 (3) 1 of the Municipal Act, 2001, provides that a municipality may pass by-laws within the following sphere of jurisdiction: Highways, including parking and traffic on Highways;

AND WHEREAS Section 391(1) of the Municipal Act, 2001, provides that a municipality may pass by-laws imposing fees or charges on any person for services or activities provided by the municipality or done on behalf of it;

AND WHEREAS Section 436 (1) of the Municipal Act, 2001, provides that a municipality may pass by-laws providing for the entry onto land at any reasonable time for the purpose of carrying out an inspection to determine compliance with a by-law;

AND WHEREAS Section 444 of the *Municipal Act, 2001*, provides that a municipality may make an order to require a person to discontinue contravening a by-law and to do the work required to correct the contravention;

AND WHEREAS Section 446 of the *Municipal Act, 2001*, provides that a municipality may proceed to do things at a person’s expense which that person is otherwise required to do under a by-law, but has failed to do and the costs incurred by a municipality may be recovered by adding the costs to the tax roll and collecting them in the same manner as taxes;

NOW THEREFORE, the Council of the Corporation of the Township of Guelph-Eramosa enacts as follows:

PART 1 – TITLE, INTERPRETATION AND SEVERABILITY

1. This By-law may be referred to as the “**Boulevard Maintenance and Highway Obstruction By-law**”.

- 2. (1) Wherever a word is used in this By-law with its first letter capitalized, the term is being used as it is defined in Part 2 of this By-law. Where any word appears in ordinary case, the commonly applied English language meaning is intended.
- (2) Wherever a word defined in Part 2 of this By-law is used in the form of a noun, verb, adverb, or adjective, it shall be interpreted as having a corresponding defined meaning even if it is in ordinary case
- (3) All words importing the singular shall include the plural, and words imparting the masculine gender shall include the feminine, and the converse of the foregoing also applies, unless the context of the By-law requires otherwise.
- 3. This By-law applies to all property within the **Township**.
- 4. If a court of competent jurisdiction declares any provision or part of a provision of this Bylaw to be invalid or to be of no force and effect, it is the intention of **Council** in enacting this By-law that the remainder of this By-law shall continue in force and be applied and enforced in accordance with its terms to the fullest extent possible according to law.

 - (c) plant, or alter a **Boulevard Tree** without a boulevard alteration permit;
 - (d) alter adjacent grades to create or allow conditions that result in prolonged standing water under a **Boulevard Tree**;
 - (e) hang or secure an object or allow injury by a domestic animal;
 - (f) remove or prune a **Boulevard Tree** without a boulevard alteration permit.
- (2) The costs of remedying any contravention of Subsection 9 (1)(a) shall be at

the expense of the person(s) causing the contravention and may be recovered in accordance with Schedule 'A'.

- (3) The **Township** may trim or remove any trees, hedges, plants or bushes planted on the boulevard and may trim the branches or remove any trees, hedges, plants or bushes planted on private property, that extend onto the highway and is deemed by the **Director** to create an unacceptable risk.
- (4) The **Township** may plant, at the Township's expense and with the consent of the **Owner** of the lands, shade or ornamental trees on private property within 2.5m of a highway, the property owner is responsible for the maintenance, repair, and removal of the trees.

PART 5 – HAZARDOUS CONDITION

- 10. If an **Officer** determines that an obstruction of a **Highway** is, or may create, a hazardous condition to the safety of any **Person** using the **Highway**, the **Officer** may take any action necessary to have the obstruction immediately removed and the **Highway** repaired, if necessary, and all the costs incurred by the **Township** in undertaking this work shall be expenses owed to the **Township** by the **Owner**, **Occupant** and/or **Contractor** of the property from which the obstruction comes from, relates to, or was created for.

PART 6 – DISPOSING OF MATERIAL AND EQUIPMENT

- 11. (1) Any **Landscape or Construction Material** removed by the **Township** from a **Highway** under this **By-law** may be directly deposited onto the property from which the obstruction comes from, relates to, or was created for, or the material may be treated as refuse by the **Township** or become property of the **Township** which can be disposed of in any manner or used for any **Township** purpose.
- (2) Any motorized equipment, containers, trailers, or motorized tools removed by the **Township** may, at the discretion of the **Director**, be deposited at the property from which the **Obstruction** comes from, relates to, or was created for, or be stored at a **Township** facility for 60 days at the **Owner's** expense.
- (3) Any item in subsection 11 (2) shall only be released to its **Owner** after the **Owner** has shown proof of ownership and paid the **Township** any applicable expense for the removal and storage of the item.
- (4) Any item in subsection 11 (2) that is stored at a **Township** facility for more than 60 days and for which an **Owner** has not been identified may be disposed of by the **Township** in any manner that it deems appropriate.
- (5) Any item in subsection 11 (2) that is stored at a **Township** facility for more than 60 days and for which the **Owner**, having been identified, has failed to pay the applicable expenses and claim the item, may be disposed of pursuant to the provisions of the *Repair and Storage Liens Act*, R.S.O. 1990, c.R.25, as amended.

PART 7 – USE OF CONTRACTOR AND RECOVERY OF EXPENSES

- 12. (1) The **Township** may retain the services of a **contractor** to carry out any of the work that the **Township** may carry out under this **By-law**.
- (2) All expenses incurred by the **Township** in connection with the enforcement of this **By-law** shall be paid to the **Township** by the **Person** owing those expenses and may be collected in the same manner as property taxes by adding the expenses to the tax roll of the property from which the obstruction of the **Highway** or maintenance of the **Boulevard** relates.

PART 8 – ROAD OCCUPANCY PERMITS – ADMINISTRATION

- 13. (1) A **Person** may apply for a permit under this **By-law** if the person:
 - (a) completes an application for the permit on the forms as provided by the **Director**;

 - (c) Provides any documentation, deposit or security as set out in Schedule 'B' to this by-law, or insurance certificates, as required by the **Director** as prerequisites and requirements for the issuance of the permit;
- (2) The issuance of a permit under this by-law does not relieve any person from the necessity of acquiring any other license or permit or complying with any other applicable laws, by-laws, regulations, and requirements of other governmental authority;
 - (3) A permit is the property of the **Township** and is not transferable unless otherwise authorized by the **Director**;
 - (4) A permit may be terminated at any time under the sole discretion of the **Director**;
 - (5) Every applicant shall post with the **Township** the required deposit or security, by way of cash, certified cheque, debit card, or letter of credit, in a form satisfactory to the **Township**. The **Township** does not accept payments for deposits or securities by credit card.

PART 9 – ROAD OCCUPANCY PERMIT CONDITIONS

- 14. (1) A permit holder shall comply or ensure compliance with all provisions and conditions of the permit and this **By-law**;
- (2) A permit holder shall provide and maintain a contact phone number that the **Director** or an **Officer** may reach the permit holder at all time;
- (3) Failure to comply with any provision or condition of a permit or this **By-law** may result in the revocation of the permit by the **Director**, in addition to any other enforcement proceedings against the permit holder as permitted by law;
- (4) The permit holder of a revoked permit shall immediately cease or ensure the immediate cessation of all the activities for which a permit has been issued upon revocation of the permit under Section 14(3);
- (5) Every permit holder and every **Owner** and occupier of land shall forthwith rectify damaged conditions on a **Highway**, on land or to municipal services and shall reinstate the highway, the land, and the municipal services, as the case may be, to the satisfaction of the **Director**;
- (6) Every permit holder and every **Owner** and occupier of land shall provide all signs, barricades, traffic control devices, flag persons, and other persons and equipment required by the **Director** and in accordance with current provincial legislation;
- (7) Every permit holder shall maintain access to all private and public properties during any **Highway** closure and occupancy;
- (8) When required by the **Director** permit holder shall provide a Letter of Credit/ Security Deposit as required in **Schedule 'B'** to this By-law.

PART 10 – BOULEVARD ALTERATION PERMITS

- 15. (1) A permit holder shall comply or ensure compliance with all provisions and conditions of the permit and this **By-law**.
- (2) All boulevard alteration permit applications shall conform to the conditions and requirements set out in **Schedule 'C'** to this By-law.

- (3) A person may apply for a boulevard alteration permit under this **By-law** if the person;
 - (a) completes an application for the permit on the forms as provided by the Director;
 - (b) Submits the application along with the applicable fees and charges as provided for in **Township's Fees and Charges By-law**; and,
 - (c) Provides any documentation, deposit or security as set out in **Schedule 'B'** to this by-law, or insurance certificates, as required by the Director as prerequisites and requirements for the issuance of the permit;
- (4) A permit holder shall conform to the Planting Guidelines set out in Schedule 'D' to this By-law;
- (5) Failure to comply with any provision or condition of a permit or this **By-law** may result in the revocation of the permit by the **Director**, in addition to any other enforcement proceedings against the permit holder as permitted by law;
- (6) The permit holder of a revoked permit shall immediately cease or ensure the immediate cessation of all the activities for which a permit has been issued upon revocation of the permit under Section 15(5);

PART 11 – INSPECTION

- 16. An **Officer** acting under this **By-law** may, at any reasonable time, enter and inspect any property, including all buildings and structures thereon, to determine any one of the following:
 - (a) Whether there is compliance with this **By-law**.
 - (b) Whether the conditions for a permit issued under this **By-law** are adhered to.
 - (c) Whether there is compliance with any order made under this **By-law**.

PART 12 – REBUTTABLE PRESUMPTION

- 17. (1) An **Owner** or occupant shall be presumed to have created, caused, allowed, permitted, or continued a **Highway** or **Boulevard** Obstruction that has occurred on **Township** property abutting **Owner** or occupant's property, which presumption may be rebutted by evidence to the contrary on a balance of probabilities.

PART 13 – ORDERS

HIGHWAYS

- 18. (1) If an **Officer** determines that an obstruction of a **Highway** exists, the **Officer** may issue an order requiring the **Owner**, **Occupant** and/or **Contractor** of the property from which the obstruction comes from, relates to, or was created for, to discontinue causing the obstruction and to remove the obstruction and repair, as necessary, at the expense of the **Owner**, **Occupant** and/or **Contractor**, the **Highway** so that the **Highway** is brought back to its former condition prior to the Obstruction.
- (2) Every **Person** who fails to comply with an order made under section 18(1) is guilty of an offence.

BOULEVARDS

- 19.(1) If an Officer determines that an Owner or Occupant of a property has altered or failed to maintain a Boulevard that abuts the Owner's property, the Officer

may issue an order requiring the Owner or Occupant to maintain the Boulevard in accordance with this By-law or obtain a Boulevard Alteration Permit for the work done on the Boulevard. [Amended by Section 3 of [By-law 43-2021](#), August 9, 2021]

- (2) Every **Person** who fails to comply with an order made under section 19(1) is guilty of an offence. [Numbering amended by subsection 1 of [By-law 25-2021](#) on May 17, 2021]

WORK ORDER

- 20. Where the order described in subsection 18(1) is not complied with within the time period stipulated therein, the **Township** may remove the obstruction and repair, as necessary, the **Highway** and all the costs incurred by the **Township** in undertaking this work shall be expenses owed to the **Township** by the **Owner**, **Occupant** and/or **Contractor** of property from which the obstruction comes from, relates to, or was created for.
- 21. Where an order under subsection 19(1) is not complied with within the time period stipulated therein, the **Township** may carry out, or cause to be carried out, any work necessary to maintain the **Boulevard** in accordance with this **By-law**, and all the costs incurred by the **Township** in undertaking this work shall be expenses owed to the **Township** by the **Owner** or **Occupant** of the property.

PART 14 – WORK DONE BY THE TOWNSHIP

- 22. The **Township** may recover its **Costs** of remedying a violation of this By-law by invoicing the owner, by initiating court proceedings or by adding the **Costs**, including interest, to the tax roll in the same manner as municipal taxes in accordance with section 446 of the Municipal Act, 2001 and the exercise of any one remedy shall not preclude the exercise of any other available remedy.
- 23. The **Township** may charge a fee for inspection and administration services pursuant to the **Township’s Fees and Charges By-law**.

PART 15 – EXEMPTIONS

- 24. Section 6 (1) of this **By-law** shall not apply:
 - (1) To an obstruction on a **Highway** where the obstruction is permitted under a valid and binding encroachment agreement or permit between a **Person** and the **Township**.
 - (2) To any sign for which the **Owner** has received written permission to place on property owned by the **Township**.
 - (3) For work being completed under an approved Entrance Permit application.
 - (4) For work being completed under a Plan of Subdivision or other approved development agreements.

PART 16 – SERVICE OF DOCUMENTS

- 25. (1) Service of any document, including an order, under this **By-law** may be given in writing in any of the following ways and is effective:
 - (a) when a copy is delivered to the **Person** to whom it is addressed;
 - (b) on the 5th day after a copy is sent by regular or registered mail to the **Person’s** last known address;
 - (c) by email to the last known email address of the person to whom service is required to be made;
 - (d) by placing a placard containing the terms of the document or order in a conspicuous place on the property to which the document or order relates and shall be deemed to be sufficient service on the Owner.[Amended by subsection 1 of [By-law 12-2022](#) on March 7,

2022]

PART 17 – ENFORCEMENT AND PENALTY PROVISIONS

26. The enforcement of this By-law shall be conducted by an **Officer**.
27. (1) Every **Person** who contravenes any provision of this **By-law**, and every Director or Officer of a corporation who concurs in such contravention by the corporation, is guilty of an offence and is liable to a fine, and such other penalties, as provided for in the *Provincial Offences Act*, R.S.O. 1990, c.P.33, as it may be amended from time to time.
- (2) In addition to subsection 27 (1), any **Person** who is charged with an offence under this **By-law** in accordance with Part III of the *Provincial Offences Act* and is found guilty of the offence, is liable, in addition to any other penalties:
- (a) If an individual, to a fine of not more than \$25,000; or
- (b) If a corporation, to a fine of not more than \$50,000.
28. No **Person** shall hinder or obstruct, or attempt to hinder or obstruct, any **Officer** exercising a power or performing a duty under this By-law.
29. Every **Person** who is alleged to have contravened any of the provisions of this By-law shall identify themselves to an **Officer** upon request, failure to do so shall be deemed to have hindered or obstructed an officer in the execution of his or her duties.
30. Upon conviction, any penalty imposed under this By-law may be collected under the authority of the Provincial Offences Act, R.S.O. 1990, c. P. 33, as amended.
31. If a **Person** is convicted of an offence under this By-law, the court in which the conviction has been entered and any court of competent jurisdiction may, in addition to any other remedy and to any penalty imposed, make an order prohibiting the continuation or repetition of the offence by the **Person** convicted.

- b) In the event the Director receives notice that a Letter of Credit/ Security Deposit is expiring and will not be renewed, or, if further or additional securities are not provided within the said thirty (30) days, the Director may draw on the current Letter of Credit.

2. Prior to the release or reduction of the Security Deposit, the Permit Holder shall:

- a) Provide a proof satisfactory to the Director that the permitted area has been adequately reinstated in accordance with the requirements of the By-law; and,
- b) Request that the Township carry out a final inspection to confirm that all relevant terms of this By-law have been complied with.

SCHEDULE ‘C’ TO BY-LAW 21/2021

BOULEVARD ALTERATION AGREEMENT

1. The **Owner** or **Occupant** shall sign this agreement below to attest they have read and will follow these guidelines and shall submit a signed copy of this agreement to the Township for registration prior to commencing a boulevard garden.
2. It is the responsibility of the property owner to locate all municipal services and utilities, such as water, sewer, gas, telephone, hydro, cable, telecommunications, etc. through Ontario One Call prior to commencing any works on the boulevard.
3. All boulevard gardens shall be limited to perennial or annual plant material and allowed to grow up to 60 centimetres (cm) or 24 inches (in) tall. Shrubs, noxious weeds and invasive plants are not permitted. Decomposable mulches are permitted; however, residents should follow proper mulch management techniques to prevent the spread of termites in the community. Suggested plant materials are provided in Schedule ‘D’. Salt tolerance should be a consideration when selecting plant material.
4. Property owners are not permitted to plant trees within the Township’s boulevard without approval from the Township. Property owners interested in planting trees in the boulevard should contact the Public Works Department to discuss requirements for setbacks to curbs, sidewalks, driveways, drainage swales, buildings, underground and overhead utilities, and other trees.
5. Artificial turf is generally not permitted. Property owners interested in artificial turf should contact the Public Works Department to discuss requirements.
6. A 30 cm (12 inch) buffer for all plants shall remain in place for all sidewalks, curbs, road, and driveway edges. Manicured turf and mulches are the only acceptable materials within the 30 cm buffer. The surface of the mulch is not to extend above any adjacent sidewalk surface within the buffer. A minimum 1.2 metre (4 foot) buffer around all sides of a fire hydrant is to be maintained at all times.
7. The landscape treatment shall maintain positive surface drainage.
8. Property owners shall maintain their sidewalk, and curb/road free and clear of all vegetation, mulches and debris.
9. The Township reserves the right to require at any time with at least 30-calendar days notice that the boulevard be returned to turf grass at the property owner’s expense, failing which, the Township will remove all non-compliant material and restore the boulevard to the turf grass standard at the owner’s expense.
10. It is the responsibility of the property owner to locate their property line through their legal survey.
11. Retaining walls or fences shall be set back 0.3 metres from any property line abutting a street. Hedges shall be set back 1.0 metres from the front property line and in the case of a corner lot; hedges shall also be set back 1.0 metres from the side property line abutting the street. The Public Works Department can provide general guidance as to the property line location; however as previously noted it is as noted the property owners responsibility to locate their property line through legal survey.
12. Installations such as leashless dog fencing, in-ground irrigation systems, fencing, pavers or hard mulches such as pea gravel and rocks are not permitted on the boulevard.
13. In the event that emergency or unscheduled works are required that will disturb an existing boulevard garden, no notification will be provided.

14. In the event of scheduled boulevard works, Township staff will provide 30-calendar days notice to the property owner, giving them the opportunity to salvage plant material.
15. Following the unscheduled or scheduled boulevard works, the boulevard will be restored to the turf standard unless the property owner states their intent to re-establish the boulevard plantings within 30 calendar days, weather permitting, or reasonable date set by the Township in consultation with the property owner. Re-established boulevard gardens shall be in compliance with this policy and will be the sole responsibility of the property owner. Following the 30 day period or date set by the Township, if the plantings have not taken place, the Township will restore the boulevard to turf.
16. The Township assumes no responsibility for the cost of repairs of any damages to the garden on the boulevard.
17. The property owner shall maintain clear and easy access to all aboveground and underground services, including but not limited to, fire hydrants, water valves, Bell pedestals, telecommunications pedestals and handwells, and hydro transformer boxes.

SCHEDULE ‘E’ TO BY-LAW 21/2021

Township Tree Replacement Criteria

Progressive Aggregate Caliper Replacement Method

The following shall apply as a protocol for compensation for any Township-owned tree, approved to be removed:

- 1. Assess existing tree for health and structure using a rating of:
 - Good (75%)
 - Fair (50%)
 - Poor (25%)
- 2. Use the formula:
 - $dbh \times ((\text{Health condition (\%)} + \text{Structure Condition (\%)})) / 2$
- 3. The result will show the total required number of centimetres required to be replaced.
- 4. The total will be divided by 5 for the number of replacement trees. (5cm is the average diameter of 60mm deciduous trees or 200cm tall coniferous trees.)

Examples

1. 26cm dbh blue spruce Health – Good Structure – Fair a. $26 \times ((75\% + 50\%) / 2)$ b. $26 \times 62.5\%$ c. $16.25\text{cm} / 5$ d. 3 trees 3 x 50-60mm trees will be required for replacement. Round to the nearest increment of 5. Based on \$600/tree, \$1,800 cash in lieu is acceptable.	2. 2 x 120cm dbh willow Health – Fair Structure – Poor a. $240 \times ((50\% + 25\%) / 2)$ b. $240 \times 37.5\%$ c. $90\text{cm} / 5$ d. 18 trees 3 x 50-60mm approved trees (\$1,500) are requested to be planted on the property, therefore 15 trees remain at \$500/tree, \$7,500 cash-in-lieu will be required for the difference of the trees not planted.
---	---

Details

- Upon receipt of Road Occupancy Permit, a Township approved tree planting contractor can plant the trees (species and locations to be approved by Public Works Director or designate). Large growing shade trees are preferred. Locates are the responsibility of the contractor.
- Details and Specifications are required to be adhered to and are available through the Public Works Department.
- Cash-in-lieu for all Township-owned trees will be \$600/tree for up to 10 trees per site. 11-20 trees, the fee will be \$500/tree. Over 20 trees, \$460/tree.
- Exemptions will be made on a case by case basis, for trees assessed by a Qualified Tree Risk Assessor (ISA TRAQ, in good standing) rating the tree with a risk rating of High or Extreme and that cannot be reasonably mitigated.
- All removals must be justified and approved by the Director of Public Works or designate prior to the acceptance and after all design-related possibilities have been exhausted.
- Compensation for naturalized trees will be subject to approval via a proposal submitted by a qualified consultant.
- In naturalized areas, for otherwise non-suitable species (i.e. A. negundo, etc.) and significant sized ($\geq 30\text{cm dbh}$), and regardless of condition, a replacement criteria of 1:1 is amenable.
