Operational Services Department Fees
(Effective January 1, 2026)

Definitions

1. **Municipal Consent Approval Fees:** This fee covers the cost of processing Municipal Consents for private utilities and all other for profit organizations.

Under several Provincial and Federal statutes the Town of Whitby is obliged to provide a location for the utilities in the road allowance. Municipal Consent approval is required by Provincial statute to install facilities with the Town of Whitby right-of-way or easement. The Municipal Consent approval process is intended to ensure that the location approved for the various utilities does not conflict with any existing utilities or municipal services as well as any future municipal requirements such as road widening or sewers.

The established fee is meant to recover staff time and other costs associated with the processing of Municipal Consents and are based on the average costs over previous years. The fees for Municipal Consent service is applicable to Bell Canada, other telephone companies, Rogers Cable TV, other cable television companies, Ontario Hydro, Hydro One, Enbridge, major oil and gas pipeline companies and all other for profit organizations.

2. **Curb Cutting:** This fee is applied to any individual property owner wishing to create or widen a driveway entrance on a Town of Whitby road which has curb and gutter. This work is performed as required by an independent Town of Whitby contractor.
3. **Road Occupancy Permits:** Utilities and Contractors frequently undertake various construction projects within the Town of Whitby road allowance which would include servicing for new development, major rehabilitation of existing plant, emergency repair to existing plant and major landscaping projects. It is a requirement of the Town of Whitby that a Road Occupancy Permit be obtained prior to any work proceeding within the public road allowance. The purpose of this permit is to:
 - Inform the Municipality and Emergency Services (if affected by any road work) of the date, time and type of work being performed;
 - Screen contractors to ensure they are qualified and have adequate liability insurance;
 - Provide a permanent record of work and location so the Town of Whitby can inspect the restoration and invoice the applicant for the cost of the permanent restoration by the Town of Whitby;
 - Provide a permanent record for oversized loads through a single trip or yearly permit;

- Provide a permanent record for all site service and access locations for work being performed on private property;
- Obtain permission for the use of metered parking spaces to assist with private construction activities (waste containers, cranes, etc.)

It is the Town's policy to consider all restoration by the applicant, except sod, to be temporary only. The permanent restoration is completed by the Town as part of the annual concrete sidewalk construction contract. This ensures quality control to improve longevity and reduce future maintenance expenditures in repairing deficiencies.

4. **Field Locate Surcharge:** Road Occupancy Permit (ON1Call): This fee is intended to recover staff or consultant time to complete field locates of Town owned underground infrastructure. Through the Ontario Underground Infrastructure Notification System Act, 2012, the Town is required to provide field locates of Town owned infrastructure (streetlights and storm sewers) to any individual completing an excavation near the road allowance. Individuals are required to call Ontario One Call Centre (On1Call) before commencing excavation works, to received verification of underground facilities within the vicinity of the proposed excavation.
5. **Utilization of Right-of-Way:** This fee is intended to recover staff time to review traffic management plans and complete initial and periodic inspection of the traffic control required for the utilization of the Town's right-of-way.
 - Provide a permanent record for an exemptions to the Noise By-law as approved by the Commissioner of Public Works;
 - Provide a permanent record as approved of all locations where equipment or materials are being store on the public right of way and;

Note: This fee is in addition to the appropriate Road Occupancy Permit fee and is applicable if the works require the closure of vehicular travel lanes and/or boulevard facilities (sidewalks, multi-use paths, etc.).

6. **Driveway Entrance Culverts:** This fee is applied to any individual property owner wishing to create a new driveway entrance, widen an existing driveway entrance or put in a temporary entrance in a rural setting - and a culvert is required to accommodate road drainage. This work is completed by Town of Whitby Public Works staff.
7. **Refundable Deposits for Private Work:** Property owners may require access across the Town of Whitby's boulevard for construction purposes through a building permit, or pool enclosure permit. These deposits are used when damage (if any) to the sidewalk, curb and gutter, sodded boulevard and/or fencing has occurred and requires restoration. Damage is assessed by Town staff and the cost for restoration calculated based on current road occupancy rates. The deposit balance, if any, is

refunded to the owner. Permanent restoration is completed in the Town of Whitby contracts. Property owners are permitted to restore the sod and fencing only.

Infiltration trenches are shallow excavations with rubble or stone that creates a subsurface storage of stormwater runoff. The deposit amount is applied to all developments through a building permit application. Where new infiltration trenches are being constructed or required, the established deposit is meant to recover staff time and materials for the placement of such trench in the event it is not installed by the developer. Other options are available in addition to Infiltration Trenches. These Low Impact Development (LID) features can include underground storage tanks/units or vegetated filter strips and may be proposed to manage increased stormwater run-off. The deposit amount will be based on an engineering cost estimate included with application submission documents.

8. **Storm Sewer Connections:** The intent of this fee is to recover the cost to the Municipality for pre-installing (pre-stubbing) services for vacant and future lot severances or providing services to an existing lot. New storm sewer connection charges shall be based on actual contract prices.
9. **Sidewalk Installation:** The intent of this fee is to cover the cost to the Municipality for the construction of a sidewalk that will be completed by the Municipality at a future date.
10. **Illumination Equipment Installation (LED):** The intent of this fee is to cover the cost to the Municipality for the construction of Illumination equipment which will be completed by the Municipality at a future date.
11. **Streetlight Re-lamping and Cleaning:** This fee is applied to all new residential subdivision developments where new streetlights are being installed within Municipal public right-of-way. The established fee is meant to recover staff time and other costs associated with the annual Streetlight re-lamping and cleaning program and are based on the actual contract costs from the previous year. This fee, charged per newly installed streetlight, represents completion of two cleaning cycles within the time period and burn out rate of 10 per cent prior to assumption of the development by the Municipality.
12. **Newspaper Box Approval Fee:** This fee covers the cost of processing newspaper box approvals which includes regulating newspaper boxes within the Town's rights-of-way.
13. **Outdoor Sidewalk Patio Café Permit:** This fee covers the cost of processing an Outdoor Sidewalk patio Café Permit which includes Town of Whitby staff time and other costs to investigate and regulate outdoor areas used in association with an eating establishment and location on a sidewalk under the jurisdiction of the Corporation of the Town of Whitby.
14. **Sidewalk Snow Clearing:** This per metre fee covers the cost of removing snow and ice from sidewalks where adjacent property owners have not complied with a By-law

Enforcement Order to remove snow and ice.

15. **Street Closure Permit:** The intent of this fee is to recover the staff and vehicle related costs for delivering and returning traffic barrels or barricades specific to a permitted street dance or party occurring within a Town of Whitby right of way. The
16. **Municipal Lot Closure Fees:** These fees are intended to recover the cost of staff time for both Operations and Parking services to close a Municipal Lot, remove any vehicles interfering with the lot closure, and reopen the lot. The fees include administration staff time to prepare notices of the lot closure. If the lot is being closed when paid parking is in effect an additional \$1.00/hour/space used will be applied.
17. **Retrieval of Unauthorized Items (Including Signs):** The intent of this fee is to recover the staff and vehicle related costs for removing unauthorized items (including signs) within a Town of Whitby right-of-way. Actual costs, if known, will be invoiced. These items are not permitted through the Town of Whitby Temporary Sign By-law 5696-05.
18. **Solid Waste Management Fees:** The intent of this fee is to recover the cost of additional services pertaining to the Waste Collection By-law.
19. **Permanent Pavement Markings:** This fee is applied to all new developments where new Municipal roads are being constructed or where existing Municipal roads are being altered and repainting of line markings is required. The established fee is meant to recover staff time and materials for the placement of permanent (plastic) pavement markings on new or altered Municipal roads. This fee represents the cost of labour and a full pail of plastic paint, which will cover 20 linear metres of line painting. Paint is sold in full pail increments only, due to spoilage after opening.
20. **Permanent Signage:** This fee is applied to all developments where new Municipal roads are being constructed or where new regulatory signage is otherwise required. The established fee is meant to recover staff time and materials for the placement of permanent posts and signage. This fee represents the cost of labour and materials.

Schedule D
To By-law # 7220-17
Legal and Enforcement Services Department Fees
(Effective January 1, 2026)

The Commissioner of Legal and Enforcement Services/Town Solicitor has the authority to waive the Fees set out in this Schedule D in exceptional circumstances.

Description of Services and Activities

1. **Additional Dwelling Unit(s) Fees:** These fees cover the cost of processing an accessory apartment registration application which includes Town of Whitby staff time and other costs to investigate, regulate and require property owners to register accessory apartments.
2. **Animal Adoption Fees:** These fees cover the cost of sheltering, spaying or neutering, vaccinating and preparing an animal for adoption to the public from the Animal Services Centre.
3. **Animal Licences:** These fees cover the cost of processing an application for an animal licence for a cat or dog which includes staff time and other costs to investigate, regulate and require owners of cats and dogs to register animals with the Town.
4. **Cadaver Disposal Fees:** These fees cover the cost of picking up and disposing of a deceased domestic animal from private property or the cost of an animal owner bringing a deceased animal to Animal Services for disposal.
5. **Wildlife Trap Rental Fee:** This fee imposes a deposit to ensure the trap's return and imposes a cost if the trap is not returned after a week of being borrowed.
6. **Impoundment Fees:** These fees cover the cost of picking up an animal found running at large and sheltering the animal at the Animal Services Centre. The after-hours fee is applicable when an Animal Services Officer is required to work after-hours and incur overtime to pick up an animal found running at large. This fee helps to offset the costs incurred in providing this service to the Town's residents.
7. **Owner Surrender Fees:** These fees are applicable should an animal owner wish to transfer their animal to Animal Services for future adoption. Animal Services incurs costs to care for the animal and to have it spayed/neutered and vaccinated prior to making the animal available for adoption.
8. **Pool Enclosure Permit Fees:** These fees cover the cost of processing a pool enclosure permit application which includes staff time and other costs to investigate, regulate and require owners of privately-owned swimming pools to erect and maintain fences and gates around such swimming pools.
9. **Temporary Sign Permit:** This fee covers the cost of processing a sign permit application which includes staff time and other costs to investigate, prohibit and regulate temporary signs erected within the Town.
10. **Committee Appeal Fees:** This fee has been calculated to help cover the overhead costs for the Town in facilitating Property Standards and Animal Services Appeals.
11. **New Site Fee-Private Property Sign Inspection:** This fee is applied to all new private property sites, the cost covers staff labour to inspect the property to ensure proper signage for the ticketing and towing of vehicles.
12. **Private Property Site Renewal:** This fee is applied yearly to all private property locations seeking enforcement by an appointed security company. The fee covers the cost of application processing on a yearly basis.

By-law Name: Consolidated Fees & Charges By-law
By-law # 7220-17

13. **Private Property Parking Officer Training:** This fee is applied to all new private properties seeking authorization to appoint and issue Town parking tickets. The cost covers staff labour to inspect the property to ensure proper signage for the ticketing and towing of vehicles. The fee also covers the cost to provide training through Town of Whitby Legal and Enforcement Services staff to private property owners/agents, for the enforcement of private parking issues. The training will aim to ensure that those individuals appointed to enforce private property parking regulations are aware of their powers, limitations, and overall scope and ability while engaged under the authority granted to them by the Town of Whitby. Copies of all relevant Town By-laws will also be provided. Currently, the appointment of Municipal Law Enforcement Officers for the purpose of private property parking enforcement is undertaken in accordance with By-law #2916-90 and the existing appointment policy. The fee represents the cost of labour and materials to train all new parking enforcement appointees.
14. **Private Property Towing (Business Hours):** This fee is charged to all sites seeking a Town MLEO to remove a vehicle from their property. Cost includes staff labour and tow fees to remove a vehicle during business hours.
15. **Private Property Towing (Outside Office Hours):** This fee is charged to all sites seeking a Town MLEO to remove a vehicle from their property. Cost includes staff labour and tow fees to remove a vehicle outside of office hours.
16. **By-law Services Re-Inspection Fee:** This fee has been calculated based on the time required to conduct an inspection and includes the hourly rate of a By-law Officer and the overhead costs associated with a By-law Officer, including the cost of a municipal vehicle, uniform, mobile phone, laptop, and associated administrative support.
17. **Compliance Letters:** This fee covers the cost of processing and preparing a compliance letter, which includes staff time to investigate the history of a property, open files, and zoning compliance.
18. **General Legal Fees:** This fee sets the rate by which the Town may seek cost recovery for time spent by the Law Clerk or Town Solicitor on various legal matters, so that if the Town seeks costs in a litigation and needs to include the time spent by staff in Legal Services, it can establish the validity and existence of such cost through the fees and charges by-law.
19. **Land Titles Registration Administration Fee:** This fee covers the Town's time spent to register agreements or other instruments on title to property. The Teraview registration fees and search fees, which are charged to the Town, may also be recovered for search and registration fees outside of the normal Planning application process (e.g., easements, applications to delete agreements, postponements, demolition agreements, and enforcement orders).
20. **Legal Fees for Title Search:** This fee covers the Town's time spent to search title and obtain various related instruments on title to the property, exclusive of disbursements. Teraview search fees are charged in addition to the time spent to review the parcel register and determine the status of title and whether any additional documents need to be obtained.
21. **Legal Fees for Sale Transaction:** This fee covers the Town's actual costs with respect to the sale of Town-owned land and the time spent to prepare the necessary documentation, conduct the necessary title searches, prepare and register the necessary instruments on title to the property (exclusive of disbursements).
22. **Legal Fees for Purchase Transaction:** This fee covers the Town's actual costs with respect to the purchase of land and the time spent to prepare the necessary documentation, conduct the necessary title searches, prepare and register the necessary instruments on title to the property (exclusive of disbursements).

23. **Preparation and Registration of Subdivision Amending Agreement:** This fee covers the Town's actual costs for the preparation and registration of a subdivision amending agreement and the time spent to prepare the necessary documentation, conduct the necessary title searches, prepare and register the necessary instruments on title to the property (exclusive of disbursements).
24. **Encroachments:** This fee covers the Town's time for processing, preparing or releasing an encroachment agreement between a property owner and the Town, exclusive of disbursements. Teraview search and registration fees are charged in addition to any application or agreement preparation fees. Encroachments on Town property must go through the application process to confirm the size, type, risk and length of time the encroachment is required.
25. **Annual Encroachment Fees:** If an encroachment is permitted on Town property, an annual encroachment fee will be charged based on location, type and risk factor of the encroachment. Evidence of insurance will be required annually together with the encroachment fee as determined.
26. **Noise By-law Exemptions for Private Construction and for Special Events:** This fee covers the Town's cost of processing and considering applications for exemptions to the Town's Noise By-law for private construction and special events, pursuant to Sections 3.8 to 3.10 of the Noise By-law.
27. **Preparation of Licensing Agreements:** This fee covers the Town's time spent to prepare licensing agreements (e.g. license agreement, permission to enter agreement, crane swing agreement, construction licensing agreement, etc.) and associated documentation, and conduct the necessary title searches (exclusive of disbursements). Teraview search fees are charged in addition to any licensing agreement preparation fee.
28. **Minor Fence Height Exemption Application:** This fee covers Staff time associated with processing minor fence height exemptions pursuant to the provisions of Fence By-law # 4394-99, as amended.
29. **Town of Whitby Highway Towing:** This fee is charged when a Town Municipal Law Enforcement Officer (MLEO) initiates the removal of a vehicle or trailer from a Town roadway in accordance with the Traffic By-law # 8059-24, as amended. Cost includes staff labour to remove a vehicle.

Notes:

- Town Benchmark Contribution:** This fee is applied to all new residential subdivision developments to assist in establishing/reestablishing local survey benchmarks (vertical and horizontal) throughout the Town. The established fee is meant to recover staff time and other costs associated with the annual Benchmark contract and are based on the actual contract costs from the previous year and the averaged residential building permits issued for the previous two years.
- Engineering Peer Review Administration Fee:** This fee is intended to recover staff time and costs for managing and administering Engineering Peer Review undertakings funded by the Developer/Subdivider which are not collected through other Town mechanisms.
- Engineering Structure Inspection Fee:** This fee is applied to all new developments where municipally owned structures (e.g. retaining walls, culverts, bridges, etc.) with a span equal to 3.0m or greater will be constructed. The established fee is to recover the costs associated with completing the mandatory inspection of each structure in accordance with the requirements of the Ontario Structures Inspections Manual. Structures of this size are required to be inspected every two years regardless of the timing for assumption through the subdivision process.
- Site Alteration Permit:** A permit issued by the Commissioner pursuant to the provisions of the Site Alteration By-law 7425-18 and the Site Alteration Guidelines for the purpose of dumping, removing of topsoil from land, or the alteration of the grade of land by any means including placing fill, clearing and grubbing, the compaction of soil or the creation of impervious surfaces, or any combination of these activities.
- Permit Condition Amendment Fee:** Where the total permitted fill quantity is made up of multiple sources and/or the fill source is not initially confirmed at the time of permit issuance, the approved permit conditions may be amended with each accepted source site, up to the maximum permitted fill quantity. A Permit Condition Amendment Fee would apply for each request to amend the permit conditions.
- Permit Extension Fee:** A Permit Renewal Fee shall be required should additional time be required to complete the original approved scope of work, the approved permit may be extended one (1) time to double the permit term.
- Site Alteration Overfill Fee:** If through a site alteration permit, it has been determined that an applicant has placed more fill than what was approved, an additional fee shall be paid by the Applicant(s). Refer to Guidelines to Site Alterations in the Town of Whitby, Appendix E.
- Road Damage Contribution / Inspection Fee:** A per cubic meter of imported/exported material fee for degradation/long term damages of public infrastructure and staff inspection cost may be required prior to final approval of the Site Alteration Permit. Land developers are required to provide a financial security equivalent to the applicable road damage contribution / inspection fee in lieu of the road damage contribution / inspection fee.
- Road Replacement Fee (Inc. Inspection and Administration):** If it is determined by the Town that the roads will not support the projected trucking activity, the Applicant will be required to pay a Road Replacement Fee which

By-law Name: Consolidated Fees & Charges By-law
By-law # 7220-17

will cover the cost to reconstruct the roadway following completion of the trucking activities.

10. **Immediate Road Damage Refundable Deposit:** A refundable security is required for the potential repair/replacement of the roadway and entrance immediately in the vicinity of the site works due to trucking activity within the public right of way.
11. **Development Site Area:** The total area disturbed due to construction works.
12. **Residential Infill Development (or Infill Lot):** The development of a new or re-development of an existing lot with a new building or structure beyond that of the original footprint, that includes an increase of the lot imperviousness, altering of drainage pattern and/or grading of the lots. These developments are subject to a Grading, Servicing and Drainage Permit application as per the Town's Infill Development By-law 8067-24 and a Building Permit Application where an Engineering Review Fee and refundable deposits are required, as per the Town's Consolidated Fees & Charges By-law.
