

Summer Village of Betula Beach
In the Province of Alberta
By-law # 02-2009

BEING A BY-LAW RELATING TO PREVENTION AND REGULATION OF FIRES
AND FIREWORKS

Whereas: Section 7 and 8 of the Municipal Government Act R.S.A. 2000, chapter M-26 provide that Council may pass bylaws for the prevention or extinguishing of fires, the preservation of life and property, the protection of persons from injury or destruction by fire, and fireworks.

And whereas: the Forest and Prairie protection Act R.S.A. 2000 chapter F-19 ("Forest and Prairie Protection Act grants addition powers to the Summer Village of Betula Beach Council enacts the following:

Definitions:

- a. "Consumer fireworks" are commonly referred to as low hazard generally used for recreation. Examples include, but are not limited to: showers, golden rod, lawn lights, pinwheels, roman candles, volcano's and sparklers. These are classed as Type f1 explosives in the regulation.
- b. "Display fireworks" are commonly referred to as high hazard fireworks, used by trained professionals. Examples include, but not limit to: rockets, serpents, shells, bombshells, tourbillions, waterfalls.
- c. "Fireworks" means the fireworks listed in class 7, division 1 and diversion 2, subdivision 1 and 2, in section 14 of the "Explosives Act (Canada) and regulations under the Act.
- d. Fire pit: a non- combustible enclosure for the purpose of an outdoor fire. The fire pit must be safely located away from buildings and other combustibles. A screen to control sparks is a requirement.
- e. Fire Permit: Required to light a structure fire or piles of debris. Must be obtained from a Fire Chief or designate.

Offences:

- a. No person shall light an outdoor fire, a structure fire or discharge without a fire permit if required under this bylaw.
- b. Persons discharging low hazard fireworks on property other than their own must first obtain written permission from the registered property owner.
- c. Persons lighting fires or setting off low hazard fireworks when weather conditions are a hazard will be held responsible for costs incurred or damages sustained.
- d. No person under the age of 18 years is allowed to possess or discharge low hazard fireworks.
