*Burnaby Consolidated Fees and Charges Bylaw (2026.7)*  
*UNOFFICIAL CONSOLIDATION*

**CITY OF BURNABY**  
**BYLAW NO. 14485**

A BYLAW to impose fees  
and charges for City services  
and use of City property

(Consolidated for Convenience with Bylaw Nos. 14532, 14535, 14537, 14538, 14548,  
14593, 14626, 14666, 14684, 14699, 14701, 14705, 14747, 14750, 14766, 14786, 14800, 14806,  
14823, 14826, 14831, 14843 and 14850)

The Council of the City of Burnaby ENACTS as follows:

1. This Bylaw may be cited as **BURNABY CONSOLIDATED FEES AND CHARGES BYLAW**.
2. The City of Burnaby imposes fees and charges for City services and use of City property in accordance with the schedules attached to and forming part of this bylaw.
3. Where applicable, taxes will be added to the fees and charges specified in the schedules attached to and forming part of this bylaw.
4. If any portion of this bylaw is declared invalid by a Court of competent jurisdiction, the invalid portion must be severed and the remainder of this bylaw is deemed to have been adopted without the severed portion.
5. Repealed. (BYLAW 14593)

| ○ Level 3 EV Charging Stations – per kWh                                   | \$0.3969   |
| ○ Level 3 Idle Fee (6am – 10pm) – per minute (after 5-minute grace period) | \$0.40     |

| <b>PARKING METER FEES</b> (Section 5.3)<br><i>For the removal, covering, relocation or replacement of equipment.</i> | <b>Fee</b>  |
|----------------------------------------------------------------------------------------------------------------------|-------------|
| ▪ <b>Parking meter plating</b>                                                                                       |             |
| ○ Labour (Per hour)                                                                                                  | \$90.00     |
| ○ Materials                                                                                                          | Actual Cost |

|                                                                                 |             |
|---------------------------------------------------------------------------------|-------------|
| ▪ <b>Parking meter removal/ reinstallation</b>                                  |             |
| ○ Each (no coring required)                                                     | \$99.00     |
| ▪ <b>Replacement parking meter- single head</b>                                 |             |
| ○ Each                                                                          | \$866.00    |
| ▪ <b>Replacement parking meter- double head</b>                                 |             |
| ○ Each                                                                          | \$1,729.00  |
| ▪ <b>Temporary parking meter closure</b>                                        |             |
| ○ Based on revenue forgone- parking spaces x hours per day x days x hourly rate | Actual cost |

| <b>PARKING SIGN INSTALLATION FEE</b> (Section 5.3)                              | <b>Fee</b>  |
|---------------------------------------------------------------------------------|-------------|
| ▪ <b>Pay parking signage</b>                                                    |             |
| ○ Labour & material                                                             | Actual cost |
| ▪ <b>Sign installation- labour &amp; materials</b>                              |             |
| ○ As per current engineering operations unit rates                              | Actual cost |
| ▪ <b>Temporary pay parking zone closure</b>                                     |             |
| ○ Based on revenue forgone – parking space x hours per day x days x hourly rate | Actual cost |

| <b>PAY STATION FEES</b> (Section 5.3)<br><i>For the removal, covering, relocation or replacement of equipment.</i> | <b>Fee</b>  |
|--------------------------------------------------------------------------------------------------------------------|-------------|
| ▪ <b>Pay station plating</b>                                                                                       |             |
| ○ Labour per hour                                                                                                  | \$90.00     |
| ○ Materials                                                                                                        | Actual Cost |
| ▪ <b>Pay station removal / reinstallation</b>                                                                      |             |
| ○ Each (mounting base remains intact)                                                                              | \$510.00    |
| ○ Each (mounting base requires replacement)                                                                        | \$910.00    |
| ▪ <b>Replacement Pay Station</b>                                                                                   |             |
| ○ Each                                                                                                             | \$7,705.00  |
| ▪ <b>Temporary pay parking zone closure</b>                                                                        |             |
| ○ Based on revenue forgone – pay parking space x hours per day x days x hourly rate                                | Actual cost |

| <b>SHARED VEHICLE DECAL</b> (Section 6) | <b>Fee</b> |
|-----------------------------------------|------------|
| ▪ Annual Fee (per decal)                | \$54.00    |

## **SCHEDULE C7 – SEWER CONNECTION BYLAW**

| <b>SEWER CONNECTION FEES</b>                                    | <b>Fee</b>  |
|-----------------------------------------------------------------|-------------|
| ▪ <b>Connection Fees</b> (Section 5)                            |             |
| ○ Sewer connection adjustment application                       | \$777.00    |
| ○ Sanitary service connection – single & two family             | \$14,485.00 |
| ○ Sanitary service connection adjustments – single & two family | Actual cost |
| ○ Sanitary service connection – multi-family & ICI              | Actual Cost |
| ○ Storm service connection – single & two family                | \$14,485.00 |
| ○ Storm service connection adjustments – single & two family    | Actual Cost |
| ○ Storm service connection – multi-family & ICI                 | Actual Cost |
| ○ Storm service connection Abandonment                          | \$1,488.00  |
| ○ Sanitary service connection Abandonment                       | \$1,488.00  |

|                                                              |             |
|--------------------------------------------------------------|-------------|
| ▪ <b>Inspection Fees</b> (Section 15 (2))                    |             |
| ○ For each sanitary sewer connection inspection              | \$112.00    |
| ○ For each storm sewer connection inspection                 | \$112.00    |
| ○ For each combined sewer connection inspection              | \$112.00    |
| ○ For the third & each subsequent inspection (section 15(2)) | \$77.00     |
| ○ Sanitary inspection chamber box – purchase                 | Actual Cost |
| ○ Storm inspection chamber box – purchase                    | Actual Cost |
| ○ Sewer video inspection – sanitary                          | \$614.00    |
| ○ Sewer video inspection – storm                             | \$614.00    |
| ▪ <b>Beta Pump Station Recovery Fee</b>                      |             |
| ○ Per Unit charge                                            | \$279.00    |
| ○ Per square meter                                           | \$1.40      |

### SCHEDULE C7 (A) – SEWER CHARGE BYLAW (BYLAW 14786)

| <b>ANNUAL FLAT RATES</b><br>(Section 4A (1), (3) and Section 4B (1))                                                             | <b>If paid by<br/>March 16,<br/>2026</b> | <b>If paid after<br/>March 16,<br/>2026</b> |
|----------------------------------------------------------------------------------------------------------------------------------|------------------------------------------|---------------------------------------------|
| ▪ Strata lot (not part of a duplex)                                                                                              | \$414.20                                 | \$436.00                                    |
| ▪ Two Family Dwelling Unit Including Strata,<br>Forming Part of a Duplex, Each Unit.                                             | \$190.95                                 | \$201.00                                    |
| ▪ Multiple Family Dwelling –<br>(Strata And Non-Strata, Per Unit), Including Four-<br>Plex, Tri-Plex, Townhouse, Apartment, etc. | \$414.20                                 | \$436.00                                    |
| ▪ Rental Suite In A Single-Family Dwelling<br>– Supplementary Utility Fee.                                                       | \$382.85                                 | \$403.00                                    |
| ▪ Rental Suite in a Two-Family Dwelling –<br>Supplementary Utility Fee.                                                          | \$285.95                                 | \$301.00                                    |
| ▪ Sewer Use – Exempt Properties<br>(in lieu of Parcel Tax)                                                                       | \$761.90                                 | \$802.00                                    |
| ▪ Bare Land Strata Single Family Dwelling                                                                                        | \$414.20                                 | \$436.00                                    |

| <b>METERED SEWER RATES AND RELATED<br/>CHARGES</b><br>(Section 2(3)(a) and 2(3)(b) – Customers receive a credit<br>reduction based on an amount equal to one twelfth (1/12) / one<br>quarter (1/4) of the current year's annual sewer parcel tax<br>levied or charged against that parcel of real property. |---------------------------------------------------------------------------------|--------------|
| ▪ <b>Application fee</b>                                                        |              |
| ○ First 50 metres                                                               | \$778.00     |
| ○ Each additional metre greater than first 50 metres                            | \$20.00      |
| ▪ <b>Deposits and fees for works completed by city employees or contractors</b> |              |
| ○ Engineering operations unit rate                                              | Current rate |
| ▪ <b>Security</b>                                                               |              |
| ○ Fee                                                                           | Variable     |

| <b>DEVELOPMENT WORKS PERMIT FEES</b> (Section 24(2)(d))                                                                | <b>Fee</b> |
|------------------------------------------------------------------------------------------------------------------------|------------|
| ▪ <b>Application fee</b>                                                                                               |            |
| ○ Hoarding                                                                                                             | \$1,294.00 |
| ○ Shoring                                                                                                              | \$1,294.00 |
| ▪ <b>Renewal fee</b>                                                                                                   |            |
| ○ Per permit                                                                                                           | \$649.00   |
| ▪ <b>Anchor rod retention fee</b>                                                                                      |            |
| ○ Per anchor rod                                                                                                       | \$2,594.00 |
| ▪ <b>Works completed by city employees or contractors.</b><br><i>*as per current engineering operations unit rates</i> |            |
| ○ Fees or deposits                                                                                                     | Variable   |
| ▪ <b>Security</b>                                                                                                      |            |
| ○ Anchor rod (per rod)                                                                                                 | \$2,594.00 |

|                                                                                                                   |             |
|-------------------------------------------------------------------------------------------------------------------|-------------|
| ○ Hoarding                                                                                                        |             |
| • Base                                                                                                            | \$12,974.00 |
| • Plus per metre of construction fencing                                                                          | \$79.00     |
| • Plus per metre of covered scaffolding                                                                           | \$130.00    |
| • Plus per metre of structured walkway                                                                            | \$390.00    |
| ▪ <b>Shoring</b><br>(shotcrete removal) per metre depending on difficulty of removal as determined by Engineering |             |
| ○ Minimum                                                                                                         | \$420.00    |
| ○ Maximum                                                                                                         | \$2,333.00  |
| ○ Excavation per cubic metre                                                                                      | \$194.00    |
| ○ Other works                                                                                                     | Variable    |

| <b>ANCHOR ROD INSTALLATION FEES</b>                 | <b>Fee</b> |
|-----------------------------------------------------|------------|
| ▪ <b>Anchor rod installation (per square metre)</b> | \$68.00    |

| <b>CONSTRUCTION HOARDING FEES</b>                                            | <b>Fee</b> |
|------------------------------------------------------------------------------|------------|
| ▪ <b>Construction hoarding on City property (per square metre per month)</b> | \$7.55     |

| <b>PLACEMENT OF TEMPORARY STORAGE CONTAINER FEES</b><br>(Section 24(2e)) | <b>Fee</b> |
|--------------------------------------------------------------------------|------------|
| ▪ <b>Application fee – temporary storage container</b>                   |            |
| ○ Per permit                                                             | \$123.00   |
| ▪ <b>Temporary storage container placement</b>                           |            |
| ○ Per day                                                                | \$19.00    |

| <b>OVERSIZED COMMERCIAL VEHICLE PERMIT FEES (Section 49)</b> | <b>Fee</b> |
|--------------------------------------------------------------|------------|
| ▪ <b>Single trip permit</b>                                  |            |
| ○ Per permit                                                 | \$40.00    |
| ▪ <b>Yearly permit</b>                                       |            |
| ○ Per vehicle                                                | \$272.00   |
| ▪ <b>Duplicate permit</b>                                    |            |
| ○ Per permit                                                 | \$40.00    |

| <b>CURBSIDE RESERVATION PERMIT FEES</b> | <b>Fee</b> |
|-----------------------------------------|------------|
| ▪ <b>Application fee</b>                |            |
| ○ Per Permit                            | \$162.00   |

## **SCHEDULE C11 – SURVEY MONUMENT FEES**

| <b>REMOVAL OR REPLACEMENT OF SURVEY MONUMENTS</b>      | <b>Fee</b> |
|--------------------------------------------------------|------------|
| ▪ <b>Integrated survey area (ISA) control monument</b> |            |
| ○ Each                                                 | \$2,070.00 |
| ▪ <b>Secondary benchmark</b>                           |            |
| ○ Each                                                 | \$3,827.00 |
| ▪ <b>High precision network monument</b>               |            |

|        |            |
|--------|------------|
| ○ Each | \$8,620.00 |
|--------|------------|

## SCHEDULE C12 – TRANSPORTATION RELATED FEES

| TRANSPORTATION RELATED FEES                                           | Fee      |
|-----------------------------------------------------------------------|----------|
| ▪ <b>Active sidewalk program permit</b>                               |          |
| ○ Application fee                                                     | \$297.00 |
| ▪ <b>Seasonal program (May 1 to October 31 program)</b>               |          |
| ○ Sidewalk patio – per set (1 table & two chairs)                     | \$90.00  |
| ○ Boulevard patio – per set (1 table & two chairs)                    | \$90.00  |
| ○ Curbside patio – per square metre                                   | \$55.00  |
| ▪ <b>Year-round program</b>                                           |          |
| ○ Sidewalk patio – per set (1 table & two chairs)                     | \$134.00 |
| ○ Boulevard patio – per set (1 table & two chairs)                    | \$134.00 |
| ○ Curbside patio – per square metre                                   | \$78.00  |
| ▪ <b>Traffic signal timings inquiry letters</b>                       |          |
| ○ Fee per letter response                                             | \$574.00 |
| ▪ <b>Annual fee for issuance of residential street parking decals</b> |          |
| ○ 3800 Block Sunset Street & 3949 Smith Avenue (per decal)            | \$45.00  |

## SCHEDULE C13 – WATERCOURSE BYLAW

| EROSION & SEDIMENT CONTROL SYSTEM PERMIT & INSPECTION FEES<br>(Section 9(2))                                                                                                                                                                   | Fee                                                            |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------|
| ▪ <b>Erosion and sediment control system permit</b>                                                                                                                                                                                            |                                                                |
| ○ Erosion & sediment control system permit                                                                                                                                                                                                     | 4% of estimated erosion and sediment control system facilities |
| ▪ <b>Erosion &amp; sediment control inspection fee</b><br><i>*Where it has been determined by the assigned Engineering Inspector that due to non-compliance with the provisions of the Bylaw or incomplete work re-inspection is required.</i> |                                                                |
| ○ 1 <sup>st</sup> inspection                                                                                                                                                                                                                   | \$326.00                                                       |
| ○ 2 <sup>nd</sup> inspection                                                                                                                                                                                                                   | \$455.00                                                       |

## SCHEDULE C14 – WATERWORKS REGULATION BYLAW (BYLAW 14786 Effective January 1, 2026)

| ANNUAL FLAT RATES<br>(Section 41 (1) and Section 33 (6)))       | If paid by<br>March 16,<br>2026 | If paid after<br>March 16,<br>2026 |
|-----------------------------------------------------------------|---------------------------------|------------------------------------|
| ▪ <b>Detached Single Family Dwelling</b>                        | \$619.71                        | \$652.33                           |

| Interim asphalt connector sidewalk (per square metre)                                                                                                                     | \$115.00    |
| Basic boulevard restoration, handwork only (per square metre)                                                                                                             | \$13.00     |
| Major boulevard restoration, backhoe required (per square metre)                                                                                                          | \$47.00     |
| <b>Deduction for Damage to Other City Property (not listed above)</b><br><b>Section 14 (14)</b>                                                                           | Actual Cost |
| <b>Deduction for Outstanding inspection fees or Re-Inspection Fees</b> <i>Section 14(14)</i>                                                                              | Actual Cost |

**SCHEDULE E3 - CONSTRUCTION AND DEMOLITION WASTE DIVERSION BYLAW**

| <b>DEMOLITION WASTE DIVERSION FEES</b>               | <b>Fee</b> |
|------------------------------------------------------|------------|
| <b>Demolition waste permit</b> <i>Section 6.1(a)</i> |            |
| Application fee (non-refundable)                     | \$279.00   |

| <b>DEMOLITION WASTE DIVERSION DEPOSITS AND REFUNDS</b>      | <b>Fee</b>                                                                                        |
|-------------------------------------------------------------|---------------------------------------------------------------------------------------------------|
| <b>Waste diversion deposit</b> <i>Section 6.1(b)</i>        |                                                                                                   |
| Per net square footage of building being demolished         | \$2.25                                                                                            |
| Maximum                                                     | \$50,000.00                                                                                       |
| <b>Refund of waste diversion deposit</b> <i>Section 6.2</i> |                                                                                                   |
| 70% or greater diversion                                    | Full deposit refund                                                                               |
| Less than 70% diversion                                     | Level of Compliance (i.e. diversion rate) divided by 70 and multiplied by Waste Diversion Deposit |

**SCHEDULE E4 – DEVELOPMENT PROCEDURES BYLAW**

| <b>APPLICATION FEE REFUND</b> <i>(Section 3.3)</i> | <b>Fee</b> |
|----------------------------------------------------|------------|
| <b>Minimum non-refundable amount</b>               | \$208.00   |

| <b>CONSULTATION AND NOTIFICATION FEES</b> <i>(Section 3.5)</i>                                 | <b>Fee</b> |
|------------------------------------------------------------------------------------------------|------------|
| <b>Development sign removal fee</b>                                                            | \$296.00   |
| <b>Mailout</b>                                                                                 |            |
| First mailout, where the mailout area primarily includes lots zoned:                           |            |
| R1-Small-Scale Multi-Unit Housing District & R2 - Townhouse                                    | \$519.00   |
| Employment, Industrial, Commercial, Agricultural                                               | \$1,037.00 |
| Residential, other than lots zoned R1-Small-Scale Multi-Unit Housing District and R2-Townhouse | \$2,073.00 |
| Subsequent mailout, where the mailout area primarily includes lots zoned:                      |            |
| R1-Small-Scale Multi-Unit Housing District & R2 - Townhouse                                    | \$519.00   |
| Employment, Industrial, Commercial, Agricultural                                               | \$1,037.00 |
| Residential, other than lots zoned R1-Small-Scale Multi-Unit Housing District and R2-Townhouse | \$2,073.00 |
| Public hearing                                                                                 |            |

|                                |            |
|--------------------------------|------------|
| First Public Hearing           | \$1,182.00 |
| Each additional Public Hearing | \$1,182.00 |

| <b>SECURITY</b> (Section 3.7)                                 | <b>Fee</b>               |
|---------------------------------------------------------------|--------------------------|
| <b>Security administration fees</b>                           |                          |
| For processing and reviewing security requirements.           | 1% of estimated security |
| <b>Security amount</b>                                        |                          |
| See Schedule C of Development Procedures Bylaw for guidelines | Varies                   |

| <b>INITIAL APPLICATION FEES</b> (Section 4.1.1, 4.2.1 and 5.1.1, except one single initial application fee is to be paid where a proposed development requires an initial application for multiple concurrent application types) | <b>Fee</b> |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|
| <b>Low Density (1 - 11 storeys)</b>                                                                                                                                                                                              |            |
| Fee                                                                                                                                                                                                                              | \$208.00   |
| Plus per m2 of site area up to a maximum of \$10,000                                                                                                                                                                             | \$0.60     |
| <b>Medium Density (12 - 29 storeys)</b>                                                                                                                                                                                          |            |
| Fee                                                                                                                                                                                                                              | \$1,037.00 |
| Plus per m2 of site area up to a maximum of \$10,000                                                                                                                                                                             | \$1.10     |
| <b>High Density (30+ storeys)</b>                                                                                                                                                                                                |            |
| Fee                                                                                                                                                                                                                              | \$1,658.00 |
| Plus per m2 of site area up to a maximum of \$10,000                                                                                                                                                                             | \$1.70     |

| <b>COUNCIL RECONSIDERATION</b> (Section 3.8)          | <b>Fee</b> |
|-------------------------------------------------------|------------|
| Council reconsideration of a General Manager decision | \$1,150.00 |

| <b>OCP AMENDMENT APPLICATION FEE</b> (Section 4.1) | <b>Fee</b> |
|----------------------------------------------------|------------|
| OCP amendment                                      | \$5,181.00 |

| <b>REZONING APPLICATION FEES</b> (Section 4.2)                                                                                                             | <b>Fee</b>   |
|------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------|
| <b>Rezoning Application (other than Master Plan and Master Plan Amendments)</b>                                                                            |              |
| Low Density (1 - 11 storeys)                                                                                                                               |              |
| Fee                                                                                                                                                        | \$5,378.00   |
| Plus per m2 of site area                                                                                                                                   | \$1.10       |
| Medium Density (12 - 29 storeys)                                                                                                                           |              |
| Fee                                                                                                                                                        | \$26,885.00  |
| Plus per m2 of site area                                                                                                                                   | \$2.20       |
| High Density (30+ storeys)                                                                                                                                 |              |
| Fee                                                                                                                                                        | \$43,015.00  |
| Plus per m2 of site area                                                                                                                                   | \$3.30       |
| <b>Rezoning Application (Master plan)</b>                                                                                                                  |              |
| First 40,000 m2 (430,556 sq.ft.) of site area or part thereof. - less fees paid for an in-progress master plan application submitted prior to July 1, 2026 | \$272,441.00 |
| Each additional 100 m2 (1,076 sq.ft.) of site area or part thereof                                                                                         | \$511.00     |
| <b>Master Plan Amendments</b>                                                                                                                              |              |

|                                  |             |
|----------------------------------|-------------|
| Low Density (1 - 11 storeys)     | \$5,378.00  |
| Medium Density (12 - 29 storeys) | \$26,885.00 |
| High Density (30+ storeys)       | \$43,015.00 |

| <b>SUBDIVISION APPLICATION FEES (Section 4.3)</b>                                                                                                                                                     | <b>Fee</b>  |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|
| <b>Inquiry Response Letter From Planning Department Authorized Signatory</b>                                                                                                                          | \$1,076.00  |

| <b>Review of preliminary or modified drawings and specifications</b> <i>Section 22(3)(a)</i>                                                                                                                        |            |
| Per hour (minimum 0.5 hours)                                                                                                                                                                                        | \$98.00    |
| <b>Permit transfer or assignment fee</b> <i>Section 22(3)(b) For the transfer or assignment of an electrical permit and to record a change of contractor for a project</i>                                          |            |
| Fee                                                                                                                                                                                                                 | \$152.00   |
| <b>Permit extension</b> <i>Section 22(3)(c)</i>                                                                                                                                                                     |            |
| Fee                                                                                                                                                                                                                 | \$152.00   |
| <b>Re-inspection fee</b> <i>Section 22(3)(d) Where it has been determined by the Electrical Inspector that due to non-compliance with the provisions of the Bylaw or incomplete work, re-inspection is required</i> |            |
| 1st re-inspection                                                                                                                                                                                                   | \$75.00    |
| 2nd re-inspection                                                                                                                                                                                                   | \$326.00   |
| 3rd re-inspection                                                                                                                                                                                                   | \$643.00   |
| 4th re-inspection                                                                                                                                                                                                   | \$1,285.00 |
| 5th re-inspection and each re-inspection thereafter                                                                                                                                                                 | \$1,610.00 |

| <b>SPECIAL INSPECTIONS</b> <i>22(3)(e)(i – iv) Special Inspection Fees subject to all applicable taxes and must be approved by the Chief Building Inspector</i>                                                | <b>Fee</b> |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|
| <b>A) For an inspection outside the hours during which the offices of the City Hall are normally open</b>                                                                                                      |            |
| Base fee                                                                                                                                                                                                       | \$697.00   |
| Plus \$ per hour or part thereof after the first four hours (travel time incl.)                                                                                                                                | \$179.00   |
| <b>B) For a voluntary inspection (including Provisional Occupancy) requested by the owner, occupant, or contractor during City normal business hours to establish the condition of a building or structure</b> |            |
| Per hour or part thereof                                                                                                                                                                                       | \$125.00   |
| Minimum                                                                                                                                                                                                        | \$125.00   |
| <b>C) For an inspection that requires special arrangements because of length of time, frequency of inspection visits, location outside the City limits, construction techniques or otherwise</b>               |            |
| Per hour or part thereof                                                                                                                                                                                       | \$125.00   |
| Minimum                                                                                                                                                                                                        | \$125.00   |
| <b>D) Strata title subdivision application inspections</b>                                                                                                                                                     | \$275.00   |

| <b>PERMIT FEE REFUND</b> <i>Section 22(4) – 90% of the fee paid</i> | <b>Fee</b> |
|---------------------------------------------------------------------|------------|
| Minimum non-refundable amount                                       | \$205.00   |

## SCHEDULE E6 – GAS BYLAW

| <b>GAS PERMIT AND INSPECTION FEES</b>                                                                                                                                       | <b>Fee</b> |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|
| <b>Gas Installations in Commercial, Industrial, Institutional or Multi-Family. For each appliance with input of 30 kW (102,000 BTU/Hr) or less - Section 10(1)</b>          |            |
| For first appliance                                                                                                                                                         | \$73.00    |
| For each additional appliance                                                                                                                                               | \$60.00    |
| <b>Gas installations for single &amp; two family dwellings Appliance, Vent or piping - Section 10(1)</b>                                                                    |            |
| For the first appliance, vent, or first 30 m of piping or portion thereof                                                                                                   | \$73.00    |
| For each additional appliance, vent, or 30 m of piping or portion thereof                                                                                                   | \$41.00    |
| <b>Gas Installations in Commercial, Industrial, Institutional or Multi-family For each appliance with input of 31 to 120 kW (103,000 to 409,000 BTU/Hr) - Section 10(1)</b> |            |
| For each appliance                                                                                                                                                          | \$121.00   |
| <b>Gas Installations in Commercial, Industrial, Institutional or Multi-family For piping only - Section 10(1)</b>                                                           |            |
| For first 30m or less                                                                                                                                                       | \$72.00    |
| For each additional 30m or part thereof                                                                                                                                     | \$50.00    |
| <b>Gas Installations in Commercial, Industrial, Institutional or Multi-family For vent installation (no appliance) - Section 10(1)</b>                                      |            |
| For each vent installation                                                                                                                                                  | \$71.00    |
| <b>Gas Installations in Commercial, Industrial, Institutional or Multi-family Laboratory equipment - Section 10(1)</b>                                                      |            |
| For each 200,000 BTU's or part thereof in a room                                                                                                                            | \$101.00   |
| <b>Review of preliminary or modified drawings and specifications Section 10(3)(a)</b>                                                                                       |            |
| Per hour (minimum 0.5 hours)                                                                                                                                                | \$98.00    |
| <b>Permit transfer or assignment fee Section 10(3)(b)</b> For the transfer or assignment of a gas permit and to record a change of contractor for a project                 |            |
| Fee                                                                                                                                                                         | \$152.00   |
| <b>Permit extension Section 10(3)(c)</b>                                                                                                                                    |            |
| Fee                                                                                                                                                                         | \$152.00   |

| <b>GAS PERMIT AND INSPECTION FEES</b>                                                                                                                                                                     | <b>Fee</b> |
