This type of service is to be provided only on an intermittent basis and is not to cover heavy consumption use.

Rates for Water Supplied from Fire Hydrants:

When the use of any fire hydrant is desired for supplying water for flushing sewers, drains or any other purpose, other than for fire protection, the Utility may grant a permit under such terms, conditions and rates as it may see fit, including arrangements regarding supervision of the opening and closing of the hydrant.

Sprinkler Charge:

The Borden-Carleton Water and Sewerage Corporation shall charge applicable customers with sprinkler systems annually the amount of \$120.

Municipal Services Rates

Fire Protection Charge:

The Borden-Carleton Water and Sewerage Corporation shall charge the Community of Borden-Carleton annually for water system facilities provided for fire protection services, the amount of \$52,369.
