

BYLAW 74.2021

A BYLAW TO PROVIDE FOR THE OPERATION OF OVERWEIGHT VEHICLES ON ROADS IN THE
RURAL MUNICIPALITY OF BENGOUGH NO. 40

=====

The Council of the Rural Municipality of Bengough No. 40 in the Province of Saskatchewan enacts as follows:

1. That pursuant to section 21 of *The Municipalities Act* the Administrator of the Municipality shall be authorized to issue overweight permits, to persons that, in Council's opinion, qualify for an overweight permit.
2. All vehicles operating in the municipality (unless otherwise exempted) shall not exceed the prescribed or ordered "Secondary Highway" weights as determined by Saskatchewan Highways and Transportation and its regulations.
3. The municipality may authorize persons operating within the municipality to haul loads in excess of Section 2 of this bylaw, provided that a duly completed "Municipal Overweight Permit" is first completed.
4. Persons wishing to haul loads above "Secondary Highway" weights shall make application for a Municipal Overweight Permit to the municipal office. Conditions of the permit shall include:
 - a. The issuance of an Annual Permit shall be valid from the date and time of issuance until the expiration of 365 days. The issuance of a Per Trip Permit shall be valid for the amount of hours as specified on each permit
 - b. The permittee shall provide to the municipality the registered licence plate number, the name of the licensee of each vehicle to be permitted, in addition to the registered Gross Vehicle Weight as issued by Saskatchewan Government Insurance or other Provincial licensing body
 - c. The roads to be used in the municipality shall be in firm dry condition
 - d. The persons operating the vehicles shall acknowledge and follow the speed limit of 70 km/hr pursuant to the Overweight Vehicle Speed Restriction Bylaw, of the municipality while hauling overweight loads
 - e. The Council in its entirety and the Reeve of the Municipality have authorization to revoke or suspend any permit they deem necessary from an operator who is in direct violation or otherwise to this bylaw. Any person who is in violation of this bylaw shall be subject to the General Penalty Bylaw of the municipality
 - f. Applicable charges to the municipality for issuance of a permit shall include:
 - i. Per 24 hour period through the municipality - \$50.00 per truck with the exception of spring road ban season
 - ii. Per 24 hour period through the municipality - \$100.00 per truck during spring road ban season with the express consent of the Division Councillor(s) whose road(s) are going to be affected
 - iii. Per year through the municipality - \$200.00 per truck
 - iv. It shall be noted that annual permits are not in effect during the spring road ban period, during this period a per trip permit must be obtained from the municipality
5. Upon payment of the applicable fees established by the municipality, the vehicle owner shall receive a copy of the permit for each vehicle applied for. The permit shall remain in the vehicle signifying the vehicle is exempt from "Secondary Highway" weight restrictions while operating in the municipality

BYLAW 74.2021 CONTINUED...

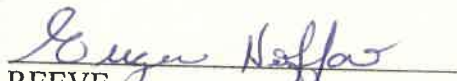

- 6. Pursuant to section 22 of *The Municipalities Act* any person who wishes to use a municipal road for the purpose of transporting quantities of goods or materials that are, in the opinion of Council, significant in nature, must first enter into a Road Maintenance Agreement. Vehicles used in connection with “bulk haul” operations will not be eligible for an Overweight Permit unless they have first entered into a Road Maintenance Agreement mentioned above
- 7. The issuance of an Overweight Permit does, in no way, limit the liability of any hauler who may cause damage to the municipal road structure and/or culverts and such hauler shall be responsible for the restoration of any road and/or culvert should damage occur.
- 8. Bylaw No. 55.2018 is hereby repealed ON January 1, 2022
- 9. This Bylaw shall come into force and take effect on January 1, 2022
