SCHEDULE “A”

VILLAGE OF POINT EDWARD

ZONING BY-LAW 25 OF 2012

WHEREAS Section 34 of the *Planning Act*, S.O. 1996, C.4 as amended from time to time, allows a governing body of a municipal corporation to pass by-laws to regulate the use of land and the character, location and use of buildings and structures;

BE IT THEREFORE ENACTED by the Municipal Council of the Corporation of the Village of Point Edward as follows:

SECTION 1 - ADMINISTRATION, ENFORCEMENT & INTERPRETATION

1.1 TITLE

This By-law shall be known as the Zoning By-law of the Corporation of the Village of Point Edward.

1.2 APPLICATION

The provisions of this By-law shall apply to all lands within the boundaries of the Corporation of the Village of Point Edward.

1.3 SCOPE

No lands shall be used and no buildings or structures shall be erected, altered, enlarged or used within the Village of Point Edward except in conformity with the provisions of this By-law.

1.4 REPEAL OF EXISTING BY-LAWS

From the coming into force of this By-law, all previous by-laws passed under Section 34 of the *Planning Act*, S.O. as amended, or a predecessor thereof, shall be deemed to have been repealed.

1.5 VALIDITY / SEVERABILITY

Should any section, clause or provision of this By-law be held by a court of competent jurisdiction to be invalid, the validity of the remainder of the By-law shall not be affected.

1.6 EFFECTIVE DATE

This By-law shall be deemed to be valid and to have come into force on the day of passing hereof.

1.7 COMPLIANCE WITH OTHER RESTRICTIONS

This By-law shall not reduce any restrictions lawfully imposed by a governmental authority having jurisdiction to make such restrictions.

1.8 ENTRY AND INSPECTION OF PREMISES

Pursuant to Section 49 of the *Planning Act*, S.O. 1996, C.4, as amended, a By-law Enforcement Officer or a person acting under his instructions may, at all reasonable times and upon producing proper identification, enter and inspect any property in respect of which he believes a contravention of this By-law is occurring.

An officer or any person acting under instructions shall not enter any room or place actually used as a dwelling without requesting and obtaining the consent of the occupier, first having informed the occupier that the right of entry may be refused and entry made only under the authority of a search warrant issued under Section 158 of the *Provincial Offences Act*, R.S.O. 1990, Chap. P.33 as amended.

1.9 VIOLATIONS AND PENALTIES

Pursuant to Section 67 of the *Planning Act*, S.O. 1996, c.4 as amended, any person who contravenes this By-law is guilty of an offence and on conviction is liable:

- a) on a first conviction to a fine of not more than \$25,000; and
- b) on a subsequent conviction to a fine of not more than \$10,000 for each day or part thereof upon which the contravention has continued after the day on which he was first convicted.

Where a corporation is convicted for contravening this By-law the maximum penalty that may be imposed is:

- a) on a first conviction a fine of not more than \$50,000; and
- b) on a subsequent conviction a fine of not more than \$25,000 for each day or part thereof upon which the contravention has continued after the day on which the corporation was first convicted.

1.10 RESTRAINING VIOLATIONS

Any violation of this By-law may be restrained by action at the instance of a ratepayer or the Corporation of the Village of Point Edward pursuant to the provisions of Section 327 of the *Municipal Act*, 1990, Chap. M. 45, as amended.

1.11 LICENSES AND PERMITS

No municipal permit, certificate or license shall be knowingly issued, where such is required, for a proposed use of land or proposed erection, alteration, enlargement or use of any building or structure which is in violation of any of the provisions of this By-law. The issuance of any permit, certificate or license shall not, however, constitute an acknowledgement that the provisions of this By-law have been complied with.

1.12 REQUESTS FOR AMENDMENTS AND FEES

Every request for an amendment to this By-law shall be accompanied by a fee as prescribed by the Corporation's By-law which sets a tariff of fees.

“WOODWORKING SHOP” shall mean a building or structure used for the purpose of performing shop and/or assembly work in relation to the production of kitchen cabinets, bathroom cabinets, storage units, closet units, custom furniture and the like, and may include indoor storage or wood and other materials. The retail sale of items produced on the site and items accessory to and incidental to the Woodworking Shop shall also be permitted.

“YARD” shall mean a space, appurtenant to a building or structure, located on the same lot as the building or structure, and which space is open, uncovered and unoccupied from the ground to the sky except for such accessory buildings, structures or uses as are specifically permitted elsewhere in this By-law. (See diagrams at the end of this Section for illustrations)

- a) **“FRONT YARD”** shall mean a yard extending across the full width of the lot between the front lot line of the lot and the nearest part of any building or structure on the lot, or the nearest open storage use on the lot.
- b) **“FRONT YARD DEPTH”** shall mean the least horizontal dimension between the front lot line of the lot and the nearest part of any building or structure on the lot, or the nearest open storage use on the lot.
- c) **“REAR YARD”** shall mean a yard extending across the full width of the lot between the rear lot line and the nearest part of any building or structure on the lot, or the nearest open storage use on the lot.
- d) **“REAR YARD DEPTH”** shall mean the least horizontal dimension between the rear lot line of the lot and the nearest part of any building or structure on the lot, or the nearest open storage use on the lot.
- e) **“SIDE YARD”** shall mean a yard extending from the front yard to the rear yard and from the side lot line of the lot to the nearest part of any building or structure on the lot, or the nearest open storage use on the lot. In the case of a lot which has no rear lot line, the side yard shall extend from the front yard to the opposite side yard.

- f) **“SIDE YARD WIDTH”** shall mean the least horizontal dimension between the side lot line of the lot and the nearest part of any building or structure on the lot, or the nearest open storage use on the lot.
- g) **“EXTERIOR SIDE YARD”** shall mean a side yard immediately adjoining a street.
- h) **“INTERIOR SIDE YARD”** shall mean a side yard other than an exterior side yard.
- i) **“REQUIRED YARD”** shall mean a yard with the minimum front yard depth, rear yard depth, or side yard width required by the provisions of this by-law. A required side yard shall extend from the required front yard to the required rear yard, or in the case of a lot which has no rear lot line, the required side yard shall extend from the required front yard to the opposite required side yard.

“ZONE” shall mean a designated area of land use shown of Schedule 'A' hereto.

SECTION 3 - ZONES, ZONE SYMBOLS & ZONE MAPS

3.1 ESTABLISHMENT OF ZONES

For the purpose of this By-law the Village of Point Edward is divided into defined areas herein referred to as Zones and identified by alphabetical and numerical symbols.

3.2 USE OF SYMBOLS

The symbols referred to in Subsection 3.1 may be used to refer to any of the uses of land, Buildings and Structures permitted by this By-law in the said Zones and whenever in this By-law the word "Zone" is used, preceded by any of the said symbols, such Zone shall mean any area delineated on the Zoning Maps and designated thereon by the said symbol.

3.3 THE USE OF THE HOLDING (h) SYMBOL

Where a holding symbol is added as a suffix to any zone category, development within the area affected cannot proceed until the conditions specified in the provisions have been fulfilled. Council will remove the Holding symbol once the conditions restricting development have been satisfied.

3.4 APPLICATION OF ZONES

No Person shall, within any of the Zones defined in the By-law and delineated on the Zoning Maps hereto appended, erect or use any Building or Structure, or use any land in whole or part except in such manner and for such purposes as are set forth in this By-law.

3.5 INCORPORATION OF ZONING MAP

The location and boundaries of the Zones established by this By-law are shown on the Zoning Map hereto appended as Schedule "A" are hereby incorporated in and declared to form part of this By-law.

3.6 INTERPRETATION OF ZONING MAP

Where uncertainty exists with respect to the boundaries of the various Zones as shown on the Zoning Maps, the following provisions shall apply:

a) Street, Lane, Right-of-Way, or Watercourse

Unless otherwise shown, a Street, Lane, railway Right-of-Way, electrical transmission line Right-of-Way, creek or watercourse shall be included within the Zone of the adjoining property on either side thereof and where such Street, Lane, Right-of-Way, creek or water course serves as a boundary between two or more different Zones, the centre line of such Street, Lane, Right-of-Way, creek or watercourse extending in the general direction of the long dimension thereof, shall be deemed to be the boundary between Zones.

b) Lot Lines

Where any Zone boundary is not shown to be a Street, Lane, Right-of-Way, creek or watercourse, and where the boundary approximately follows lot lines, such lot lines shall be deemed to be the Zone boundary.

c) Closed Street, Lane or Right-of-Way

In the event a Street, Lane or Right-of-Way and the limits of any portion thereof is closed, the property formerly within such Street, Lane or Right-of-Way shall be included within the Zone adjoining the property, and where such Street, Lane, or Right-of-Way was a Zone boundary, the new Zone boundary shall be the former centre line of the closed Street, Lane or Right-of-Way.

d) Conservation Authority Fill & Construction Lines

Certain lands within the Municipality are subject to Fill, Construction and Alteration Regulations pursuant to the *Conservation Authorities Act*, R.S.O. 1990, Chap. C.27, as amended. Where any Zone boundary is shown as following the limits of a Conservation Authority Regulated area, the Zone boundary shall be deemed to correspond with the limits of such Regulated area. In the event that an application is made to, and approved by, the Conservation Authority for a permit pursuant to the Fill, Construction and Alteration Regulations, the lands for which such permit is issued shall be deemed to be included within the same Zone as the adjoining non-Regulated lands.

e) Scale From Zoning Map

Where any Zone boundary is left uncertain after application of the provisions of Section 3.6, subsections a), b) c) and d), of this By-law, then the boundary shall be determined by scale from the zoning maps to the centre of the Zone boundary line.

3.7 INTERPRETATION OF ZONING TEXT

In this by-law the word “shall” is mandatory and not directory; words in the singular include the plural; words in the plural include the single number; words used in the present tense include the future.

3.8 HOLDING SYMBOL (h)

- a) Where the symbol ‘h’ appears on a zoning map as a suffix to a zone symbol applying to certain lands, notwithstanding the provisions of that zone, unless this By-law has been amended to remove the relevant ‘h’ symbol, those lands shall not be developed or used except in compliance with the applicable zone for existing uses or for such other interim uses set out in the relevant Holding Provisions below.

b) Holding Zone Provisions

i) C2.2(h1)

Purpose:

To ensure that ultimate development is serviced by the Point Edward Sewage Treatment Plant, the ‘h’ symbol shall be removed only after an agreement has been entered into with the Corporation for the design and construction of works for directing sanitary sewage flows to the Point Edward Sewage Treatment Plant.

Permitted Uses:

Existing Uses

ii) C2(h)

Purpose:

To ensure that development is carried out in accordance with applicable regulations and requirements, the “h” symbol shall be removed only after a site plan agreement is entered into with the Village of Point Edward.

iii) C2(h1)

Purpose:

To ensure that development is carried out in accordance with applicable regulations and requirements, the “h-1” symbol shall be removed only after a site plan agreement is entered into with the Village of Point Edward, and after a noise study is conducted which assesses any impacts of nearby noise sources on the proposed development and makes appropriate recommendations on measures to mitigate those impacts.

iv) RMAR 1.2(h)

Purpose:

To ensure that development is carried out in accordance with applicable regulations and requirements, the "h-1" symbol shall be removed only after a site plan agreement is entered into with the Village of Point Edward, and after a noise study is conducted which assesses any impacts of nearby noise sources on the proposed development and makes appropriate recommendations on measures to mitigate those impacts.

SECTION 4 - GENERAL PROVISIONS

4.1 USES PERMITTED IN ALL ZONES

The following uses are permitted in all zones within the Corporation:

4.1.1 Services and Utilities

Despite any other provisions of this By-law, the County of Lambton, the Corporation of the Village of Point Edward, and any Ministry of the Government of Canada or Province of Ontario may for the purpose of the public service, use any land or any building or structure in any zone in spite of the fact that such use of any building or structure does not conform with the provisions of this By-law for such zone. Any telephone or telegraph company and Ontario Hydro shall comply with the provisions of this By-law only insofar as such uses are for administrative or office purposes.

4.1.2 Utility Service Buildings and Non-Recreational Public Uses

Utility Service Buildings and Non-Recreational Public Uses exclusive of sanitary landfill areas, incinerators and works yards, are permitted in all zones. Where such use is located in any Residential Zone:

- (a) it shall comply with the provisions for such Zone;
- (b) there shall be no Open Storage;
- (c) any buildings or structures erected or used shall be designed, maintained and used in a manner compatible with Residential buildings of the type permitted in said Zone.

4.1.3 Public Recreational Uses

Parks, Community Facilities and golf courses operated by or for the Village of Point Edward including uses accessory thereto.

4.1.4 Construction Uses

Any sheds, scaffolds or other structures incidental to building construction on the premises for so long as the same is necessary for work in progress which has neither been finished nor abandoned.

4.1.5 Pipelines

Nothing in this By-law shall prevent the use of any land for any gas, oil, brine or other liquid or gaseous product transmission or distribution pipeline and appurtenance thereto.

4.1.6 Petroleum Well and Petroleum Work

Nothing in this By-law shall prevent the use of any land for any "Petroleum Well" or "Petroleum Work" subject to the regulations of the *Oil, Gas and Salt Resources Act*, R.S.O. 1990.

4.2 USES PROHIBITED IN ALL ZONES

Unless specifically permitted in this By-law, all uses, including the following uses, are specifically prohibited and shall be permitted only by amendment to this By-law:

- a) The making or establishment of an Extractive Use.
- b) Offensive industrial uses including the boiling of blood, tripe or soap, tanning of hides and skins and other similar uses may be declared by the local Board of Health or Council to be a noxious or offensive trade, business or manufacture.
- c) The operation of year-round, privately-owned travel trailer camps or privately-owned camping grounds, but not including the operation of mobile home parks as defined in this By-law.
- d) Auto Wrecking Establishment.
- e) The outdoor keeping or storage of any derelict motor vehicle.
- f) A track for the racing or testing of automobiles, snowmobiles, motorcycles or any motorized vehicle.
- g) An Adult Entertainment Parlour.
- h) Any manufacturing or processing use involving dangerous materials which poses a hazard to the public.
- i) The keeping of Livestock.

4.3 ACCESSORY USES

4.3.1 Uses Permitted

Where this by-law provides that land may be used for a building or structure or may be erected or used for a purpose, that purpose shall include any accessory building, structure or use, but shall not include any of the following uses:

- (a) any occupation for gain or profit conducted within or accessory to a dwelling unit; nor
- (b) any building used for human habitation.

4.3.2 Structures Permitted in all Yards

Despite any other yard provisions of this by-law, drop awnings, flag poles, garden trellises, fences, retaining walls, legal signs, legal septic systems or similar accessory uses shall be permitted in any yard.

4.3.3 Yards

All accessory uses shall comply with the yard provisions of the zone in which such accessory use is located, except that in any Residential Zone, an accessory use shall comply with the following provisions:

- (i) Except as otherwise provided for in any Residential Zone, an accessory building or structure, which is not attached to the main building, shall not be erected in any yard other than the interior side yard or rear yard.
- (ii) No detached accessory building or structure shall be located closer than 1.2 metres to the main building on the same lot.
- (iii) An attached-accessory building or structure may be erected in a front yard or exterior side yard provided it is not located in a required yard and provided that it is constructed of the same type of material as the main building and is of similar design.
- (iv) When an accessory building or structure is located in an interior side yard, it shall be no closer than 1 metre to the interior side lot line except where a mutual private garage is erected on the common lot line between two lots, in which case no interior side yard is required.
- (v) When an accessory building or structure is located in the rear yard, it shall be no closer than 1 metre to the rear lot line.
- (vi) No accessory building shall be located closer to the exterior side lot line than the exterior side yard setback required for the zone in which each lot is located.

4.3.4 Lot Coverage and Height (B/L 30/2017)

The total lot coverage of all attached accessory buildings and structures on a lot in any Residential zone shall not exceed 84 square metres. Not limiting the generality of the foregoing, attached buildings and structures shall include attached private garages and attached sheds.

The total lot coverage of all detached accessory buildings and structures on a lot in any Residential zone shall not exceed 10% of the lot area to a maximum of 84 square metres nor shall the building height of any detached accessory building or structure exceed 5.0 metres. For the purposes of this provision, the height of a detached building or structure shall be measured from the finished floor to the highest point of the building or structure.

4.3.5 Private Swimming Pools

A private swimming pool shall not be considered as part of the lot coverage. Fences surrounding private swimming pools shall comply with the by-laws of the Corporation regulating pools.

4.4 STORAGE CONTAINERS AND TRAILERS (B/L 30/2017)

- a) Shipping containers, storage trailers, Quonset huts and the like shall not be permitted as accessory buildings or uses in any Residential zone.
- b) Shipping containers shall not be permitted as primary or accessory buildings or uses in any General Commercial (C1) zone.
- c) The exterior of a Shipping Container that has been incorporated into a Dwelling must not be visible and shall be covered by cladding. Any Dwelling that incorporates the use of a Shipping Container shall not be permitted to have a flat roof. **(B/L 18/2018)**
- d) Notwithstanding other provisions of this By-Law, a Shipping Container may be incorporated into a Swimming Pool provided that the exterior of such a Shipping Container is not visible and is covered by cladding. **(B/L 18/2018)**

4.5 HEIGHT RESTRICTIONS

The height provisions of this by-law shall not apply to the following:

an air conditioner duct;
a belfry;
a chimney;
a church spire;
a clock tower;
an elevator penthouse;
a flag pole;
a non-commercial radio antenna;
a non-commercial television antenna;
a water tower.

4.6 NON-CONFORMING USES

This By-law acknowledges that Section 34(9) of the *Planning Act*, R.S.O.1990, provides that "no by-law passed under this section applies:

- a) to prevent the use of any land, building or structure for any purpose prohibited by the by-law if such land, building or structure was lawfully used for such purpose on the day of the passing of the by-law, so long as it continues to be used for that purpose; or

- b) to prevent the erection or use for a purpose prohibited by the By-law of any building or structure for which a permit has been issued under Section 5 of the *Building Code Act*, R.S.O. 1990, prior to the day of the passing of the by-law, so long as the building or structure when erected is used and continues to be used for the purpose for which it was erected and provided the permit has not been revoked under Section 6 of the *Building Code Act*, R.S.O. 1990.

Furthermore, Section 34(10) of the *Planning Act*, R.S.O. 1990, provides as follows:

Despite any other provision of Section 34 of the *Planning Act*, R.S.O. 1990, any by-law passed may be amended so as to permit the extension or enlargement of any land, building or structure used for any purpose prohibited by the by-law if such land, building or structure continues to be used in the same manner and for the same purpose as it was used on the day such by-law was passed.

4.7 RESTORATION OF NON-CONFORMING USES

- a) Where in any Zone, a building or structure exists as a legal non-conforming use and the said building or structure is destroyed by fire or natural disaster, this by-law does not prevent the reconstruction of said building or structure to its prior dimensions at its exact prior location. Should the exact prior location be impossible to build upon for legal, technical or insurance reasons, then the location may be adjusted only to the extent necessary to overcome such reasons.
- b) Nothing in this by-law shall prevent the strengthening or restoration to a safe condition of any non-conforming use, building or structure provided that such repair or restoration will not increase the height, size or volume or change the use of such building or structure or constitute a replacement.

4.8 NON-COMPLYING BUILDINGS OR STRUCTURES

- a) **Rebuilding or Repair Permitted**

Where in any zone, a non-complying use, building or structure is destroyed by fire or natural disaster, such non-complying use, building or structure shall be reconstructed in compliance with this by-law unless it is not possible for legal, technical or insurance reasons. In such case, the reconstruction shall comply as close as possible with the by-law and if this is not possible due to legal, technical or insurance reasons, the non-complying use, building or structure may be reconstructed to its prior dimensions at its exact prior location.

- b) **Strengthening to a Safe Condition**

Nothing in this By-law shall prevent the repair or restoration to a safe condition of any non-complying use, building or structure provided that such repair or restoration does not further contravene any of the provisions of this By-law.

c) Additions and Accessory Uses Permitted

- (i) Nothing in this By-law shall prevent an addition to a non-complying use, building or structure, provided that such addition does not further contravene any of the provisions of this By-law.
- (ii) Nothing in this By-law shall prevent the erection or enlargement of buildings, structures and uses accessory to a non-complying use, building or structure, provided that such erection or enlargement does not further contravene any of the provisions of this By-law.

4.9 DWELLING UNITS

4.9.1 Yard Provisions for Non-Residential Buildings

Where a dwelling unit is located in a non-residential building, such dwelling unit shall comply with the yard provisions of this By-law which apply to the said non-residential building.

4.9.2 Cellar Location

No dwelling in its entirety shall be located in a cellar.

4.9.3 Basement Location

A dwelling unit, in its entirety, may be located in a basement, provided that the finished floor level of such basement is not below the level of any sanitary sewer or storm sewer serving the building in which such basement is located and there is at least one storey located above such basement containing habitable space.

4.10 SECOND DWELLING UNIT IN A SINGLE DETACHED DWELLING

In those Zones where single detached dwellings are permitted, a second dwelling unit may be established in the single detached dwelling subject to the following provisions:

- a) only one (1) additional dwelling unit will be permitted;
- b) one parking space is to be provided for the additional dwelling unit;
- c) all parking spaces are to be located in an interior side yard, rear yard, or in a garage;
- d) all provisions of the Fire Code and Building Code are to be complied with;
- e) no dwelling unit is to be established in a Cellar;
- f) there shall be no significant alteration to the exterior of the dwelling, except for required fire escapes, and extra windows and entrances;
- g) the dwelling must be inspected by the Corporation's Building Inspector and Fire Chief before the additional dwelling unit is occupied.

4.11 LOT DEVELOPMENT REQUIREMENTS

4.11.1 Frontage on a Street

Notwithstanding any provision of this By-law, no lot shall be used and no building on a lot erected or used unless the lot abuts or fronts on a street.

4.11.2 More than One Use on a Lot

When a lot contains more than one use, each such use shall conform to the provisions of this by-law for such use in the zone where it is located.

4.11.3 More than One Zone on a Lot

When a lot is divided into more than one zone, each such portion of the lot shall be used in accordance with the provisions of this By-law for the applicable zones, and the applicable setbacks and other regulations for each Zone shall be measured from the Zone line as if it were a Lot line. Where a portion of a lot is zoned Environmental Protection, such portion shall be included in determining the minimum Lot area requirements and the Zone line shall not be considered a Lot Line for Setback purposes on the adjoining zoned area provided that no Building or Structure is located on that part of the Lot in such Zone.

4.11.4 Number of Main Buildings on a Residential Lot

Unless otherwise stated, no lot shall be occupied by more than one (1) main building in any Residential 1 (R.1) Zone or any other low density Residential Zone. In any higher density Residential Zone in which townhouses, multiple dwellings and the like are permitted uses, more than one main building shall be permitted.

4.12 EXISTING LOTS

Where one or more lots exist and are held in separate ownership in any zone including lots which have insufficient lot area and/or frontage, then this By-law shall not prevent the erection of a permitted use thereon provided that all other provisions of this By-law are complied with and the lot can be serviced with a potable water supply and sanitary sewerage system.

Notwithstanding the above clause, the erection of new dwellings containing more than one dwelling unit shall comply with the lot area and/or frontage provisions per dwelling unit.

4.13 LOTS REDUCED BY PUBLIC ACQUISITION

Where the area of a Lot is reduced by means of an acquisition of part of the lot by any authority having power of expropriation, and where such acquisition causes the lot as reduced, or any building or structure existing lawfully on the lot on the date of such acquisition, to not comply with one or more provisions of this By-law, then nothing in this By-law shall apply to prevent the continued use of the lot as reduced as if no such acquisition had taken place, provide that:

- a) no further change is made in the dimensions, area or any other characteristic of the lot as reduced, subsequent to the date of such acquisition, that would increase the extent of the said non-compliance; and
- b) no building or structure or addition thereto is erected on the lot as reduced, subsequent to the date of such acquisition, except in accordance with the provisions of this By-law. In the case of a road widening dedication, the land that has been or will be dedicated shall be included in any calculation for the purposes of determining compliance with this By-law, provided that any building or structure is located wholly within the boundary of the land remaining after the dedication.

4.14 HOME OCCUPATIONS

No home occupation shall be permitted in any zone unless such use complies with the following provisions:

- a) The home occupation shall be clearly secondary to the main residential use, be operated and contained entirely within the dwelling, and shall not change the residential character of the dwelling or the lot.
- b) No person other than a member of the housekeeping unit, and not more than two persons not residing on the premises shall be employed except as is necessary for housekeeping purposes.
- c) There shall be no open storage or display of materials, containers or finished products.
- d) The home occupation may involve the sale of goods associated with a craft that is produced in the dwelling, but a use that is primarily a retail store is prohibited.
- e) Except for a Bed and Breakfast Establishment, not more than 25% of the gross floor area of the dwelling shall be exclusively devoted to the home occupation and it shall not occupy more than 28 square metres of gross floor area.
- f) No home occupation use shall include the storage or repair of construction equipment, welding, auto body repair, automobile maintenance, or metal fabrication.
- g) A sign shall be permitted in accordance with this By-law.
- h) The use shall not create or become a public nuisance in regard to noise, traffic, parking or interference with radio or television reception.
- i) No more than one physician, dentist or drugless practitioner shall practice in a Clinic where such clinic constitutes a home occupation. Such physician, dentist or drugless practitioner shall reside in the dwelling unit, where such clinic is located.
- j) The Home Occupation shall not result in above normal pedestrian or vehicular traffic.

- k) Except for a Bed and Breakfast Establishment or a Clinic, the Home Occupation shall not require the creation of additional on-site parking spaces.
- l) A Bed and Breakfast Establishment shall require 1 parking space per guestroom. A clinic shall require 5 parking spaces or 1 parking space for every 28 square metres exclusively devoted to the clinic, whichever is the greater.
- m) Except for a Bed and Breakfast Establishment, where food is served to overnight guests only or a catering business, where food is prepared on site for delivery to another location, no food preparation or food service shall be permitted as a home occupation. Such operations shall comply with all applicable health and other regulations.
- n) A person or persons operating a home occupation must reside full-time in the dwelling in which the home occupation is operated.

4.15 OCCUPANCY OF VEHICLES AND TENTS

No truck, coach or streetcar body shall be used for human occupancy within the Village of Point Edward, whether or not the same is mounted on wheels;

No travel trailer, truck camper, motor home or tent shall be used for the living, sleeping or eating accommodation of persons within any Residential Zone.

4.16 YARD ENCROACHMENTS

Unless otherwise specified by this by-law, every part of any yard required by this by-law shall be open and unobstructed by any building or structure from the ground to the sky provided however, those structures listed below shall be permitted to project into the required yards indicated for the distances specified.

a) Architectural Features

The projection of window sills, chimneys, cornices, eaves, gutters, and similar architectural features shall be permitted to project into any required yard a maximum distance of 0.5 metres.

b) Outdoor Heating and Air Conditioning Units

An outdoor heating or air conditioning unit may project into any required yard a maximum distance of 1 metre.

c) Porches

An enclosed or unenclosed porch may project into any required front or rear yard a maximum distance of 2 metres excluding eaves.

d) **Unenclosed Balconies and Steps**

Unenclosed balconies and steps may project into any required front or rear yard a maximum of 2 metres.

e) **Bay Windows and Awnings**

Any bay window or awning may project into the required front and rear yards a maximum of 1 metre.

f) **Established Building Line**

Where a building is to be erected within a built-up area where there is an established building line, as defined in this By-law, such building may be erected closer to the street line than required by this by-law provided that such building is not erected closer to the Street line than the Established Building Line.

Construction to the Established Building Line is subject to the following conditions:

- i) demonstration of the ability to provide at least one parking space which is entirely contained on the subject Lot and which does not encroach on the sidewalk or Street Allowance.
- ii) measurements for the determination of the location of the Established Building Line will be taken from the Street line to the closest point of the Building, including any open or enclosed porch, deck, mudroom or similar feature.
- iii) once a new Building has been erected at the Established Building Line, no further additions or alterations will be permitted which would encroach on the Established Building Line.

4.17 YARD DEPTH NON-COMPLIANCE

Where in any Zone, a Building or Structure lawfully existed on the date of passing of this By-law and is used for a permitted use and the existing Building or Structure does not comply with the minimum required Yards for the Zone in which it is situated, the existing Yards shall be deemed to conform to this By-law; however, any expansions to the existing Building or Structure shall comply with all provisions of this By-law.

4.18 SPECIAL BUILDING SETBACKS

4.18.1 Setbacks from Ditches and Drains

No Buildings or Structures shall be erected closer than 15 metres from the Top of Bank of any open drainage ditch or natural watercourse and not closer than 7.5 metres from a storm sewer.

Notwithstanding the aforementioned provision, development shall be prohibited within the Regulatory Flood Plain and development adjacent to ravines, streams and river valleys shall be restricted within the One Hundred Year Erosion Limit.

4.18.2 Sight Triangles

Within any area defined as a Sight Triangle, the following shall be prohibited:

- (a) Any vegetation, shrubs or foliage planted or maintained higher than 50 centimetres above Finished Grade.
- (b) A Finished Grade exceeding the elevation of the centre line of the adjoining Street by more than 60 centimetres;
- (c) Structures, Signs or fences, the top of which exceeds the elevation of the centre line of the adjoining Streets by more than 50 centimetres in height;
- (d) In all Zones, other than the General Commercial (C1), a Sight Triangle of 9 metres shall be required from the point of intersection of the Street Lines.

4.19 OPEN STORAGE REGULATIONS

a) Minimum Setbacks

- (i) The minimum Setback from any Front, Side or Rear Lot line of any Permitted Open Storage in any Zone shall be no less than the respective minimum Front, Side or Rear Yard of the Zone in which the said Open Storage is located, unless otherwise specified herein.
- (ii) In any lot in an Industrial Zone where any Side or Rear Lot lines abut a Lot in the same Zone as the Zone in which the said Lot is located, no minimum Setback from said Side or Rear Lot line shall be required.

b) Parking

Any areas used for Permitted Open Storage shall be in addition to and separate from such areas as may be required by this by-law for the provision of off-street parking spaces.

c) Lighting

Where lighting facilities are provided in conjunction with any Permitted Open Storage, such lighting shall be so arranged as to deflect light onto the Open Storage area and away from any adjoining properties.

d) **Screening**

Any portion of a Lot used for Open Storage shall be enclosed by a fence constructed of solid materials at least 1.8 metres in height.

e) **Surface Treatment**

Any Open Storage area shall be maintained with a stable surface, treated so as to prevent the raising of dust or loose particles and drained in accordance with the requirements of the Municipality.

4.20 OUTDOOR DISPLAY AREA

Where Outdoor Display and sale of goods and materials is permitted the following provisions shall be complied with:

- a) Such Outdoor Display is Accessory to a commercial Use carried on in an enclosed Building, or portion thereof, on the same Lot, except in the case of a private garage sale;
- b) The area used for Outdoor Display and sale shall not be more than twice the floor area above grade of the commercial Building, or portion of any such Building constructed upon the Lot, and used for the commercial purposes for which Outdoor Display and sale is permitted, and in any event, such area for Outdoor Display and sale shall not be more than thirty-five (35) percent of the Lot Area.
- c) If the Interior Side Lot Line or Rear Lot Line of a Lot upon which such Outdoor Display and sale is Permitted abuts a Residential or Development Zone, then a Planting Strip shall be provided along such abutting Lot Line, or portion thereof, in accordance with the requirements for Planting Strips;
- d) Where lighting facilities are provided they shall be so arranged as to deflect the light onto the Outdoor Display and sale area, and away from adjoining properties and Streets;
- e) The area used for Outdoor Display shall provide Side and Rear Yards in accordance with the provisions for the Zone in which the land is situated, but in any event shall not be closer to any Side or Rear Lot Line than 3.0 metres (9.8 feet);
- f) The area used for Outdoor Display and sale shall be surfaced and maintained with either concrete, asphalt, crushed stone and other hard surface and dust free materials, or maintained as a lawn in a healthy growing condition;
- g) Prior to the establishment of an area for the Outdoor Display and sale, the owner shall file in writing with the Corporation giving full particulars including a sketch or survey of the lands to be used in relation to all Buildings or other Structures on the same Lot.

4.21 PLANTING STRIPS

A Planting Strip shall be located within the Zone and on the Lot for which it is required. It shall be planted, nurtured and maintained by the owner of the Lot on which the Planting Strip is located. The responsibility of maintenance of trees and plants rests with the owner.

4.21.1 Required Location

Where a Lot is used for a non-residential purpose and:

- (a) the Interior Side Lot Line or Rear Lot Line abuts any residential Use or undeveloped land in a residential Zone; or
- (b) where such Lot is in an industrial Zone and the Front, Side or Rear Lot Line abuts a Street line and the opposite Street line abuts any residential Use or undeveloped land in any residential Zone then the land adjoining such abutting Lot Line or Street line shall be used for no purpose other than a Planting Strip in accordance with the provisions of this subsection.

4.21.2 Width

Where, in any Zone, land is required to be used for no purpose other than a Planting Strip, it shall have a minimum width of 3 metres, measured perpendicularly to the Lot Line adjoining such Planting Strip.
