**Definitions**

**2 Yard Bins:** Existing metal bins used throughout the commercial sector, equivalent to 1529 litres in capacity.

**Extra Scheduled:** If a commercial property calls in advance of the day they require a pick up over and above their scheduled pick-ups, this is the rate

**Extra Unscheduled:** If a non-residential property calls on the same day that they require a pick up over and above their scheduled pick-ups, this is the rate applied. It consists of a flat fee of \$230 to have the truck and staff come to the property and then a per bin fee would be applied for every bin emptied during the stop.

**Waste Enclosure/Bin Handling Fee:** If waste overflows on top of Approved Bins, accumulates besides the Approved Bins or Food Waste accumulates above the maximum fill line in Approved Bins, the non-residential owner will be charged a handling fee of \$50 to handle the overflow.
