

**Grandview Municipality**  
**Beaver Dam Removal**  
Effective Date: August 10, 2016  
Resolution No 2016-237

**Purpose:**

The purpose of this policy is to outline the responsibilities for beaver dam removal.

**Policy**

1. The removal of beaver dams on private property is deemed to be the responsibility of the property owner.
2. The Grandview Municipality will remove beaver dams at the expense of the municipality if said dam is causing a direct conflict with a municipal culvert, municipal road or municipal property.
3. Entry onto private property to remove beaver dams which are affecting municipal infrastructure requires written authorization from the property owner.
