

TOWN OF BRIDGEWATER
SANITARY SERVICE CONNECTION
TO FORCE MAIN ON LAHAVE STREET

Policy No. 17

Approval Date: April 9, 1990

Resolution No. 90-118

It shall be the policy of Town Council of the Town of Bridgewater that:

Town Council prohibits the connection of any properties to sanitary sewerage force mains within the Town provided that the Council may permit a connection to said force mains only in the event that the property for which such a connection is requested is:

1. an existing dwelling or business establishment; and
2. that sewage from the dwelling or business is currently being directly discharged into the LaHave River; and
3. that a permit for on-site sewage disposal system cannot be obtained from the Department of Health of Nova Scotia; and
4. the applicant for such a connection enters into an agreement with the Town by which the applicant, his heirs and assigns, shall release the Town from any claims arising from the use of said connection.
