

Grandview Municipality
Opening Ditches
Effective Date: August 10, 2016
Resolution No 2016-237

Purpose:

The purpose of this policy is to outline the requirement for a ditch to be opened in the spring

Policy

The Grandview Municipality will not open a ditch in the spring unless circumstances arise which pose an emergency or threat to an individual or to municipal infrastructure.

The Public Works Manager or CAO may designate specific municipal drainage ditches to be opened on an annual basis that may pose a recurring/chronic problem.
